TV in the USA Vincent LoBrutto, 2018-01-04

This three-volume set is a valuable resource for researching the history of American television. An encyclopedic range of information documents how television forever changed the face of media and continues to be a powerful influence on society. What are the reasons behind enduring popularity of television genres such as police crime dramas, soap operas, sitcoms, and reality TV? What impact has television had on the culture and morality of American life? Does television largely emulate and reflect real life and society, or vice versa? How does television's influence differ from that of other media such as newspapers and magazines, radio, movies, and the Internet? These are just a few of the questions explored in the three-volume encyclopedia *TV in the USA: A History of Icons, Idols, and Ideas*. This expansive set covers television from 1950 to the present day, addressing shows of all genres, well-known programs and short-lived series alike, broadcast on the traditional and cable networks. All three volumes lead off with a keynote essay regarding the technical and historical features of the decade's covered. Each entry on a specific show investigates the narrative themes and history of the program, provides comprehensive information about when the show started and ended and why, and identifies the star players, directors, producers, and other key members of the crew of each television production. The set also features essays that explore how a particular program or type of show has influenced or reflected American society, and it includes numerous sidebars packed with interesting data, related information, and additional insights into the subject matter.

On Secret Service John Jakes, 2001-04-01

John Jakes, the acclaimed author of the 1 New York Times bestselling *North and South* Trilogy, returns to the Civil War era with the story of two couples divided by war and allegiance who discover that love doesn't take sides. A Rebel sympathizer's affection for a former Pinkerton detective turned Union agent cannot save him from the horrors of a Richmond prison. A Confederate officer sacrifices his rank to save an actress taken captive while posing as a Union soldier. Overshadowing them all is an actor's outspoken hatred of Abraham Lincoln and a date with destiny that will shock a nation and change the course of history.
