Wedeck,2021-05-25

The spiritualist and author of Dictionary of Aphrodisiacs presents an in depth study of love potions and charms through the centuries Love and sexuality are perhaps some of the most essential eternal and universal concerns of humankind Since before recorded history societies have sought ways to improve their physiological potency attract mates amorously and in some instances prevent such attraction or divert it elsewhere Over time these means have taken many forms love elixirs spells and rites have been part of virtually every civilization through the ages This survey explores the evolution of love potion practices over the centuries and across the world Separate chapters focus on ancient Greece Rome India and the Orient as well as the Middle Ages and modern times Author Harry E Wedeck relays the spiritual aspects of these concoctions as well as historical anecdotes about them Recipes are also included though Wedeck cautions that they are exclusively for academic purposes and not intended for personal use

The British National Bibliography Arthur James Wells,2005 *Ancient Greek Love Magic* Christopher A.

FARAONE, Christopher A Faraone, 2009-06-30 The ancient Greeks commonly resorted to magic spells to attract and keep lovers as numerous allusions in Greek literature and recently discovered voodoo dolls magical papyri gemstones and curse tablets attest Surveying and analyzing these various texts and artifacts Christopher Faraone reveals that gender is the crucial factor in understanding love spells There are he argues two distinct types of love magic the curselike charms used primarily by men to torture unwilling women with fiery and maddening passion until they surrender sexually and the binding spells and debilitating potions generally used by women to sedate angry or philandering husbands and make them more affectionate Faraone s lucid analysis of these spells also yields a number of insights about the construction of gender in antiquity for example the femininity of socially inferior males and the maleness of autonomous prostitutes Most significantly his findings challenge the widespread modern view that all Greek men considered women to be naturally lascivious Faraone reveals the existence of an alternate male understanding of the female as naturally moderate and chaste who uses love magic to pacify and control the naturally angry and passionate male This fascinating study of magical practices and their implications for perceptions of male and female sexuality offers an unusual look at ancient Greek religion and society
