Moan Lisa, 2014-06-08 Poems of love and despair the hanging longings of a woman who has lost her lover s hand She can t go on but she must and the feelings she holds inside These are depressive love poems poems of want and desire      **Life and Love** Judith Early, 2002-12 It might almost seem that Judith Early was born in the wrong place at the wrong time She was born and raised in rural Alberta in a time and place where her radical views on religion health and the environment were not welcomed by the conventional conservatism of her community In the late 1970s she was advocating wheat grass and health food and concepts such as social and environmental responsibility in a town where ham and eggs were staples and the word cholesterol had not yet become part of the language Now in her late eighties after several decades of writing she has finally found an audience that is ready for her message Life and Love is the first of her books that she has decided to publish After reading Life and Love I felt refreshed Judith Early demonstrates the triumph of the will in the face of adversity and inspiration of the spirit that guides one to that deeper level of reality that exists beyond the pall of linear logical thought Her poetry reveals both beauty of nature and the spirit of God in harmonious surprising and inspiring verse that is both skillful and organic like a fine glass of wine to be sipped savoured and recalled to memory whenever we take the time to slow down and remember Orpheus Author of The Seven Secrets of the Ascended Masters      **List of Films, Reels and Views Examined** Penn. Margaret R. Greer, Walter D. Mignolo, Maureen Quilligan, 2008-09-15 The phrase The Black Legend was coined in 1912 by a Spanish journalist in protest of the characterization of Spain by other Europeans as a backward country defined by ignorance superstition and religious fanaticism whose history could never recover from the black mark of its violent conquest of the Americas Challenging this stereotype Rereading the Black Legend contextualizes Spain s uniquely tarnished reputation by exposing the colonial efforts of other nations whose interests were served by propagating the Black Legend A distinguished group of contributors here examine early modern imperialisms including the Ottomans in Eastern Europe the Portuguese in East India and the cases of Mughal India and China to historicize the charge of unique Spanish brutality in encounters with indigenous peoples during the Age of Exploration The geographic reach and linguistic breadth of this ambitious collection will make it a valuable resource for any discussion of race national identity and religious belief in the European Renaissance
