Love in Disguise L. Melissa Smith, 2003 Love In Disguise the debut novel by author L Melissa Smith purposefully goes outside the box of what many may believe is the Christian experience If you re expecting a sweet saccharine novel where Christian people sit around the campfire and sing kum bah yah don t buy this book Rape Incest Premarital Sex Adultery These are just some of the issues Love In Disguise deals with in this gritty reality based Christian novel This mesmerizing piece of Christian fiction demonstrates how Christian people deal with heartbreak sexuality anger and forgiveness in a godly manner Most times they get it right but often they get it wrong Engaging dialogue and whirlwind suspense bring you up close and personal to real life Christianity in 21st Century America American Book Publishing Record ,1988 **The Cumulative Book Index** ,1991 A world list of books in the English language Books in Print Supplement ,1994

known royal kleptomaniac Or which empress kept her dirty underwear under lock and key Or which czar upon discovering his wife s infidelity had her lover decapitated and the head pickled in a jar placed at her bedside Royally dishing on hundreds of years of dubious behavior Royal Babylon chronicles the manifold appalling antics of Europe s famous families behavior that rivals the characters in an Aaron Spelling television series Here then are the insane kings of Spain one of whom liked to wear sixteen pairs of gloves at one time the psychopathic Prussian sovereigns who included Frederick William and his 102 inch waist sex fixated French rulers such as Philip Duke D Oreleans cavorting with more than a hundred mistresses and of course the delightfully drunken and debauched Russian czars Czar Paul for example who to make his soldiers goose step without bending their legs had steel plates strapped to their knees But whether Romanov or Windsor Habsburg or Hanover these extravagant lifestyles financed as they were by the royals badgered subjects bred the most wonderfully offbeat and disturbingly unbelievable tales and Karl Shaw has collected them all in this hysterically funny and compulsively readable book Royal Babylon is history but not as they teach it in school and it underlines in side splitting fashion Queen Victoria s famous warning that it is unwise to look too deeply into the royal houses of Europe *Fireflies* David Morrell,2011-12-05 In the bestselling novels of suspense master David Morrell fear is the main subject But Morrell himself had never known genuine terror until he watched his 15 year old son wage a heroic but doomed struggle with cancer This is one father s powerful and unforgettable story of fierce love impenetrable loss and an unexpected breathtaking encounter with the miraculous Ultimately *Fireflies* is a tribute to the undying human spirit that has already given new hope to enthralled and grateful readers around the world David wrote this account for himself but to his surprise his candid portrait of grief turned out to help other people in grief or else the friends of those in grief His discussions about panic attacks as well as the could have should have syndrome and the stress within marriages after a child s death are some of the reasons that David was asked to deliver several keynote speeches to national conferences of The Compassionate Friends the world s largest grief organization for the parents siblings grandparents and friends of children who have died I found myself almost speechless It left me feeling shaken uplifted and terribly moved Stephen King New York Times bestselling author of *Doctor Sleep* A powerful experience I shall remember for a long long time Thank you Mr Morrell for sharing so much love so electrifyingly Robert Ludlum New York Times bestselling author of *The Bourne Identity* I was enormously impressed One of the most poignant and passionate religious quests you will ever read Don t miss this story of how good people respond to bad things Father Andrew M Greeley New York Times bestselling author of *Angel Light* A story that should have meaning and truth for every parent Los Angeles Daily News A heartbreaking and inspiring account of devotion in the face of death Detroit Free Press *The Disappearance of Jim Sullivan* Tanguy Viel,2021-05-11 Tanguy Viel s parody pastiche of the American novel is subtle and experimental it tells a story at the same time as it implicitly poses questions about the narrative structure it is deploying The French Review In *The Disappearance of Jim Sullivan* disappearance is both a theme and a stylistic device

Indeed this publication narrates the disappearance of Dwayne Koster who fascinated by the story of Jim Sullivan commits suicide in the New Mexico desert which was the setting of the rocker s disappearance in 1975 But this novel is for the most part set in the metanarrative tale of its own genesis and as a result is partially eclipsed its fictitious author doesn t relate it in its entirety and keeps adding bits and pieces of first drafts and preliminary sketches to his text thus blurring its boundaries Tanguy Viel s work can therefore be perceived as a double response existential and aesthetic to the question of the end
