Its effects have probably followed you into adulthood. If you have conflicting feelings toward mom or if you wish you could get past some of the baggage that holds you back, this is your book. Combining spiritual disciplines and the best of current therapeutic practice, *It's Complicated* will help you discover how your early connection with your mother may have impacted your sense of self and your other important relationships and what you can do to break the cycle. Why you and your mother have the relationship you have, the underlying reasons that may be contributing to strain and unease. Tools and exercises to help you cope with some of the most common effects of a broken relationship including anxiety, depression, lack of confidence and trust issues. How to be the daughter and mother God wants you to be, even if your mom wasn't who you needed her to be. It's never too late to love, never too late to heal, and never too late to trust God to turn the pain in your story into a redemption song. As you read *It's Complicated*, you'll realize that while God doesn't promise to fix all your circumstances, He does promise to uphold you and lead you to a healing place of knowing you are truly precious and loved, no matter how your past has affected you.

How to Grow Your Heart's Garden for God Jonathan Martin, 2016-11-09 We all know that life can be hard and working in the garden and trying to grow a garden is hard work. In our lives, if we want to grow spiritually closer to God, it takes work and effort in each of our hearts. The truth that God gives us is from his Word. It is the seeds that we need to plant in our lives and be willing to accept. The seed has to have water so it can grow. We need the active working of God in our lives so the truth can come alive in our lives. As we grow, we need be close to God's will in our lives in the light of His will for our lives so we can continue to grow for him. As God prepares us to do his work, we must be rooted in the foundational truths that God has for us in his Word. Like a garden, we have to be aware of the dangers that come in and can contaminate our effectiveness for God. All the steps that we need to take so that we might be fruitful for God to have a final product that is worthy before God when one day we meet him. I hope that you will take the journey and see that you too can have a beautiful garden for God.
