

# Ethics

# Christian

Natural law concerns the good by considering the God-given purpose of created things. However, it is marred by sin, natural law theory suggests that the good can still be known and recovered to some extent. Thomas Aquinas famously argues that natural law involves all intelligent creatures sharing in (ernal) which they tend toward their ends.<sup>2</sup> Natural law theory often focuses on how reason or conscience discerns the good. Natural law can often emphasize the doctrines of creation and natural revelation. The conclusion from natural law ethics is that humans have some natural ability to discern the good. Yet, natural law ethics faces the risk of absolutizing one's cultural perspective as that which is natural and obviously rational. For this reason, Christians do well to consider ethics from various cultural perspectives.<sup>3</sup> In the twentieth century many Protestants

# Love In Action A Practical Study Of Christian Ethics

**William Walter Smith**

## **Love In Action A Practical Study Of Christian Ethics:**

Love in Action Michael C. Armour,2000-10-01 Love God and love your neighbor These are the two greatest commands according to Jesus But how do you do that and what does it mean in real life terms This well written study will help your group members see practical ways to carry out these commands and will help them become people that truly love Love and Christian Ethics Frederick V. Simmons,2016-12-15 At the heart of Christian ethics is the biblical commandment to love God and to love one s neighbor as oneself But what is the meaning of love Scholars have wrestled with this question since the recording of the Christian gospels and in recent decades teachers and students of Christian ethics have engaged in vigorous debates about appropriate interpretations and implications of this critical norm In *Love and Christian Ethics* nearly two dozen leading experts analyze and assess the meaning of love from a wide range of perspectives Chapters are organized into three areas influential sources and exponents of Western Christian thought about the ethical significance of love perennial theoretical questions attending that consideration and the implications of Christian love for important social realities Contributors bring a richness of thought and experience to deliver unprecedentedly broad and rigorous analysis of this central tenet of Christian ethics and faith William Werpehowski provides an afterword on future trajectories for this research *Love and Christian Ethics* is sure to become a benchmark resource in the field *The Political Crisis and Christian Ethics* Ronald H. Stone,2023-09-26 *The Political Crisis and Christian Ethics* addresses themes in political philosophy in the context of a crisis in democracy after the denial of the 2020 election by the Republican candidate for president The refusal to accept the results of the election divided the electorate and drove the president s followers to fail in their attempted coup attempt in January of 2020 Democracy is defended in Reinhold Niebuhr s writing on politics and in Barack Obama s use of the theologian s thought It is developed further in the political theory of Paul Tillich The themes of just peacemaking are reviewed in Paul Tillich s critique of John Foster Dulles work and in the author s critique of just peacemaking in the work of Glen Stassen Domestically the issues of race inequality ecology and healthcare are addressed from the perspective of prophetic realism The book concludes in terms of Alfred North Whitehead s philosophy of education and religion and a vision of the good president In summary *The Political Crisis and Christian Ethics* is a volume of American Christian political theory in a period of overcoming the trauma of 2016 with Christian ethics and political philosophy **The Routledge Handbook of Research Methods in Spirituality and Contemplative Studies** Bernadette Flanagan,Kerri Clough,2024-09-03 The Routledge Handbook of Research Methods in Spirituality and Contemplative Studies provides the first authoritative overview of methodology in this growing field Against the background of the pandemic and other global challenges spirituality is expanding as an agreed term with which to discuss the efforts people make to be fully present to deeper invisible dimensions of their personal identity and external reality but until now there have been few resources exploring the different methodological approaches researchers take This book explores the primary methodologies emerging First Person Second

Person and Third Person and provides a systematisation of spirituality research in applied contexts for the first time  
Comprising 33 chapters by a team of international contributors the book is divided into seven parts Foundations Approaches  
to Contemplative Research Contemplative Research in Education Contemplative Research in Work and Leadership  
Contemplative Research in Science Health and Healing Contemplative Research in Social Sciences Contemplative Research  
and the Way Forward The Handbook provides readers practitioners and policymakers with methods and approaches which  
can facilitate a spiritual and contemplative stance in research activities It is an essential resource for researchers and  
students of Religion Spirituality and Research Methods      **Research On Altruism & Love** Stephen Post,2003-05-15

Research on Altruism and Love is a compendium of annotated bibliographies reviewing literature and research studies on the  
nature of love An essay introduces each of the annotated bibliographies A variety of literature directly related to science and  
love issues or supporting those issues is covered in the Religious Love Interfaces with Science section This annotated  
bibliography is unique in that it approaches the field from a decidedly religious perspective It includes classical expositions of  
love that continue to influence contemporary scholars including Platos work on eros the work and words of Jesus Aristotle  
Augustine of Hippo Martin Luther Kierkegaard and Ghandi among others The contemporary discussion includes Anders  
Nygren s theological arguments in his classic Agape and Eros Pitirim Sorokin and others An issue that often emerges in this  
literature is the question of the nature and definition of love A second annotated bibliography features current empirical  
research in the field of Personality and Altruism with a focus on social psychology Among the topics covered are the altruistic  
personality altruistic behavior empathy helping behavior social responsibility and volunteerism Methodologies are diverse  
and studies include experiments local and national surveys naturalistic observation and combinations of these The  
Evolutionary Biology annotated bibliography covers the most significant works on altruism and love in the field of biology and  
evolutionary psychology The fourth and final annotated bibliography in this volume is entitled Sociology of Faith Based  
Volunteerism Here the focus is on literature on the interface of helping behavior and religious organizations as well as major  
pieces on voluntary associations      **New Dictionary of Christian Ethics & Pastoral Theology** David J. Atkinson,David F.

Field,Arthur F. Holmes,Oliver O'Donovan,2013-11-21 Encompassing a wide range of topics from the timely health care and  
business ethics to the traditional atonement suffering and the kingdom of God this work features an easy to use reference  
system and eighteen articles that introduce readers to key themes in moral pastoral and practical theology Edited by David J  
Atkinson and David F Field with consulting editors Arthur Holmes and Oliver O Donovan      The Pastor as Friend? Dan  
Holder,2025-01-23 Have you ever wondered what it means for pastors to be friends with people in their churches This is the  
fascinating question that Dan Holder dives into in this thought provoking book He uses in depth interviews with ordained  
pastors and their real life struggles and joys to get close to the essence of what friendship and friendliness mean in the  
pastoral setting Reflecting theologically on the findings and grappling with the thought and experience of figures such as

Bonhoeffer Moltmann and C S Lewis he takes up in detail the four elements found to be essential to friendship mutuality affection freedom and openness Then envisioning what revised forms of practice for pastors in a local congregation might look like he formulates nine themes for a fruitful approach to pastoral friendship Holder doesn't shy away from the tough questions or try to offer easy answers Instead he invites readers into a nuanced thoughtful exploration of the topic one that acknowledges both the potential pitfalls and the profound opportunities of these relationships Prepare to be inspired challenged and encouraged Who knows Readers may just discover a new vision for the role of friendship in their own lives and ministries

### **Reading from this Place: Social location and biblical interpretation in global perspective**

Fernando F. Segovia, Mary Ann Tolbert, Biblical studies are proving to be a test case of the large interpretive issues of how one's location social cultural ethnic and gender affects one's reading of the text and its import Segovia and Tolbert gather 19 leading biblical interpreters from around the globe to address the complex hermeneutical and religious questions attendant to this paradigm shift

*Passionate Deliberation* M.F. Carr, 2012-12-06 Despite the modern recovery of virtue theory in ethics conceptions of temperance remain largely unexamined In this study I offer an examination of certain interpretive threads of temperance as a virtue beginning in classical philosophy and moving through early to medieval Christian conceptions I find contemporary notions of temperance to be sorely lacking when compared and contrasted to these historical conceptions Aristotelian and Thomistic accounts of temperance are particularly important to the normative statement of temperance I offer here To fully understand temperance one must recognize its place among the moral virtues in particular phronesis or practical judgment Though I place temperance within practical judgment this study stops short of offering a full account of virtue theory and how it may or may not relate to other theories of the moral life While contemporary views of temperance occasionally note its general relevance to the experience of emotion I elaborate upon the work of temperance as an essential part of the effort to include emotion in the moral life In present day studies of the psychology of emotion cognitive theories have reasserted the classical conception of emotion as consisting of both physiological and psychological elements of human personhood Temperance is the primary virtue in the moral agent's effort to appropriately include the entirety of the emotional experience in moral deliberation I find it relevant to a moral response to both the physiological and psychological elements of emotion

*Ethical Studies* Robert A. Bowie, 2004 A detailed treatment of ethics preparing students for the methods of study expected in higher education Covering the major western theories and their religious connections as well as a series of pertinent contemporary ethical issues This second edition has been substantially updated to provide comprehensive coverage of the Religious Ethics requirements of all major awarding bodies

### **Dante and the Practice of Humility**

Rachel K. Teubner, 2023-07-13 In this book Rachel Teubner offers an exploration of humility in Dante's Divine Comedy arguing that the poem is an ascetical exercise concerned with training its author gradually in the practice of humility rather than being a reflection of authorial hubris A contribution to recent scholarship that considers the poem to be

a work of self examination her volume investigates its scriptural literary and liturgical sources also offering fresh feminist perspectives on its theological challenges Teubner demonstrates how the poetry of the Comedy is theologically significant focusing especially on the poem s definition of humility as ethically and artistically meaningful Interrogating the text canto by canto she also reveals how contemporary tools of literary analysis can offer new insights into its meaning Undergraduate and novice readers will benefit from this companion just as theologians and scholars of medieval religion will be introduced to a growing body of scholarship exploring Dante s religious thought The Elements of Child Study and Religious Pedagogy William Walter Smith,1915 *The Bloomsbury Handbook to Studying Christians* George D. Chryssides,Stephen E. Gregg,2019-11-14 Drawing on a range of methodologies editors George D Chryssides and Stephen E Gregg shift attention from normative textual and doctrinal matters to issues of materiality and everyday life in Christianity This handbook is structured in four parts which include coverage of the following aspects of Christianity sacred space and objects cyber Christianity food prayer education family life fundamentalism and sexuality In addition issues of gender race and ethnicity are treated throughout The international team of contributors provide in depth analysis that highlight the current state of academic study in the field and explores areas in which future research might develop Clearly organised to help users quickly locate key information and analysis the book includes an A to Z of key terms extensive guides to further resources a comprehensive bibliography and a chronology of landmark events making it a unique resource to upper level students and researchers **A Theology of Disagreement** Christopher Landau,2021-05-31 Even the most casual contemporary observer of Christianity must recognise that the notion of Christian community being identifiable through the mutual love of its members John 13 35 is difficult to reconcile with the schismatic reality of current ecclesial life Nonetheless disagreement remains an ethical subject neglected by theologians *A Theology of Disagreement New Testament Ethics for Ecclesial Conflicts* examines how New Testament texts inform Christian approaches to disagreement Drawing on New Testament themes the book explores the nature of an ethic of disagreement and its practical implications for the church s public theological witness as well as its liturgy **Pearson Edexcel Religious Studies A level/AS Student Guide: Christianity** Stephen Darlington,2018-12-31 Exam board Edexcel Level A level Subject Religious Studies First teaching September 2016 First exams Summer 2017 Build reinforce and assess students knowledge throughout their course tailored to the 2016 Edexcel A level specification and brought to you by the leading Religious Studies publisher this guide combines clear content coverage with practice questions and sample answers Written by teachers with extensive examining experience this guide Helps students identify what they need to know with a concise summary of the topics examined at AS and A level Consolidates understanding through assessment tips Offers opportunities for students to improve their exam technique by consulting sample student answers and commentary for each question type Builds understanding through accessible explanations of key definitions and thinkers Chinese Recorder and Missionary Journal ,1921 **Chinese Affairs ...**

,1921 OCR Religious Ethics for AS and A2 Jill Oliphant,2014-06-27 Structured directly around the specification of the OCR this is the definitive textbook for students of Advanced Subsidiary or Advanced Level courses The updated third edition covers all the necessary topics for Religious Ethics in an enjoyable student friendly fashion Each chapter includes a list of key issues OCR specification checklist explanations of key terminology overviews of key scholars and theories self test review questions exam practice questions To maximise students chances of success the book contains a section dedicated to answering examination questions It comes complete with diagrams and tables lively illustrations a comprehensive glossary and full bibliography Additional resources are available via the companion website

**Edification-Journal of the Society of Christian Psychology** Todd H. Speidell,2010-01-20 THE RAY S ANDERSON COLLECTION by WIPF STOCK PUBLISHERS Ray Sherman Anderson 1925 2009 worked the soil and tended the animals of a South Dakota farm planted and pastored a church in Southern California and completed a PhD degree in theology with Thomas F Torrance in New College Edinburgh He began his professional teaching career at Westmont College and then taught and served in various administrative capacities at Fuller Theological Seminary for thirty three years retiring as Professor Emeritus of Theology and Ministry While teaching at Fuller he served as a parish pastor always insisting that theology and ministry go hand in hand The pastoral theologian who began his teaching career in middle age penned twenty seven books Like Karl Barth Prof Anderson articulated a theology of and for the church based on God s own ministry of revelation and reconciliation in the world As professor and pastor he modeled an incarnational evangelical passion for the healing of humanity by Jesus Christ who is both God s self revelation to us and the reconciliation of our broken humanity to the triune God His gift of relating suffering and alienated humans to Christ existing as community Dietrich Bonhoeffer is a recurrent motif throughout his life ministry and works The Ray S Anderson Collection comprises books by Ray Anderson an introductory text to his theology by Christian D Kettler two edited volumes that celebrate his distinguished academic career narnational inistr The Presence of Christ in Church Society and Family and On Being Christian and Human and a reprint of an E ification volume that focuses on Ray Anderson s contributions to the field of Christian Psychology A word of gratitude is due to The Society of Christian Psychology and its parent organization The American Association for Christian Counselors for their permission to make the E ification issue available in book form Jim Tedrick of Wipf and Stock Publishers deserves a special word of thanks for publishing many of Ray Anderson s books and commissioning this collection of works to continue his legacy Todd H Speidell General Editor

**Extremist for Love** Rufus Burrow Jr. ,2014-01-01 In spite of extensive research and publishing on King insufficient attention has been given to the convergence of ideas and action in his life In an era where people are often sorted into the categories of thinker and doer King stands out a rare mix of the deeply profound thinker and intellect who put the fruit of that reflection into the service of direct social action
