

Heart's Desire

Your presence sets my soul afire,
For you, my heart's deepest desire.

Your smile, a vision so bright,
Fills my world with radiant light.

In your love, I find true bliss,
A love like ours, no one can dismiss.

Love Poems By Two Sensitive Guys:

Poems, Two men of Sandy Bar, and Stories and poems and other uncollected writings Bret Harte, 1914 *Words as Events* Venla Sykär, 2011-02-01 Words as Events introduces the tradition of short communicative rhyming couplets the *mantin des* as still sung and recited in a variety of performance situations on the island of Crete Recently these poems have also entered modern mass media and they are widely being exchanged as text messages by Cretans Focusing on the multi functionality of the short form Sykär demonstrates how the traditional register gives voice to individual experiences in spontaneous utterances The local focus on communicative economy and artistry is further examined in a close analysis of the processes and ideals of composition By analyzing how the restrictions of form and performative conventions in fact generate impulses of creativity the author creates a theoretical approach that is sensitive to the special characteristics of the short rhymed poetic traditions In this interdisciplinary study the reader is invited to become familiar with the current folklore theory of oral poetry which has a long tradition in Finland The author combines the results of earlier folkloristic and anthropological insights and extends the theoretical concerns further to address questions of spontaneity and individual agency The research data has been produced in communicative interactions during long term fieldwork As a result the short rhymed poetry often neglected by scholars in earlier research paradigms can now be seen in new light specifically as dialogic poetry through its extended multi layered dialogic qualities *Thunderbuns* Richard Hardy, Regina Puftlips, 2012-07-24 Just like the title this is a hard hitting collection of poetry and short stories that will get your volcano erupting and your seas churning Irreverent witty charming hilarious it is off beat and off center Just what the doctor ordered to cure boredom and sameness *Gender Dilemmas in Children's Fiction* K.
