God is not unjust; he will not forget your work and the love you have shown him as you have helped his people and continue to help them.

## Love That God Forgot:

*The Love that God Forgot* Alexander CORDELL,1997      *The Forgotten Officer* Joe Kohler,2016-04-11 The Bible teaches that the church is the fullness of Christ on earth Eph 1 23 and that God is able to do abundantly beyond all that we ask or think according to the power at work within the church Eph 3 20 So why are so many people disappointed with their church experiences Why do so many outsiders view the church as irrelevant Why do so many hop from one church to the next looking for fulfillment Why are so many professing Christians seeking a form of Christian experience that no longer needs any connection with the organized church The truth is that we have collectively drifted away from Gods blueprint for growing the body of Christ up into full maturity and attaining the fullness that he designed We have inherited a leadership model that is more influenced by pagan practices pragmatism and capitalism than by the Scriptures This cultural inheritance is extremely powerful and it has resulted in a contemporary blind spot on a biblical truth of critical importance It has led to our modern failure to properly recognize and appreciate a gift given by Jesus to his bride This is the bad news The good news is that reform is possible Learn what has been forgotten and rediscover the fullness of Gods design for his church      **The Forgotten Commandment** Paul T. Evans,Paul Evans,2010 You ll never see me in a church again This comes from being wounded and hurt in church At one time church was fulfilling and exciting inviting you to get involved build some friendships and participate in something meaningful And slowly it begins to happen things are not quite like you first perceived them and in getting close to others relationships just go sour Relationships are very important to God They are a priority to Him This book is all about building loving and meaningful relationships for real The greatest deficient of the modern day church is that little or nothing is understood about the ultimate and most important Purpose of God and what it really means to love one another Learning how to regularly practice this kind of love in life has the potential for changing the course of modern history The Forgotten Commandment that you hold in your hand is like a modern word of prophecy for every believer in Christ Don t let this opportunity slip away from you Take it read it and apply it in your life then you will know just how important this message is for our generation Now can begin the journey of your life to join many others in fulfilling the Purpose of God and changing the course of history fulfilling the Great Commandment Are you willing      Forgotten God Francis Chan,2009-09-01 In the name of the Father the Son and the Holy Spirit We pray in the name of all three but how often do we live with an awareness of only the first two As Jesus ascended into heaven He promised to send the Holy Spirit the Helper so that we could be true and living witnesses for Christ Unfortunately today s church has admired the gift but neglected to open it Breakthrough author Francis Chan rips away paper and bows to get at the true source of the church s power the Holy Spirit Chan contends that we ve ignored the Spirit for far too long and we are reaping the disastrous results Thorough scriptural support and compelling narrative form Chan s invitation to stop and remember the One we ve forgotten the Spirit of the living God      God as Love Johannes M. Oravec,2014-04-19 Nineteenth and twentieth century Russian

religious intellectuals devoted a great deal of attention to the concept of agape or Divine Love arguing that the Christian church is a reflection of the triune self sacrificing God and his love for all of creation On account of their deliberations these intellectuals played a key role in mediating between the Orthodox Church and modern society Their quest for dialogue between the mystery of the sacred and the ordinary of everyday life remains relevant for Western societies today In God as Love Johannes Oravec presents a comprehensive summation of twenty five prominent Russian religious thinkers and their thought on the concept of agape showing in detail how they broke new ground in their various affirmations of the truth that God is love No other book in any language treats this topic with such breadth and depth God Has Not Forgotten About You Leslie Haskin,2009-05-01 When everyday concerns and problems don't subside when desires of the heart go unmet it's easy for people to wonder if they've done something wrong or if God cares In this deeply personal book Leslie Haskin explores the common challenges and longings in life that can erode faith Avoiding platitudes she offers biblical insights and real life stories to stir the heart and renew the mind Much more than just a good inspirational book she gently persuades readers to deal honestly with their hurts and rest fully in the arms of God **Holy Graduel** Christine J. Haven,2007-04-01 Graduel is a French word meaning gradual To seek the Holy Graduel is to seek for self discovery a symbol for self improvement for enlightenment and spiritual power The perfection and development of one's human spirit and is a great challenge for anyone to find This is the true life story of David A Haven and his quest to find God **The Forgotten Life of Jesus** Dr. Timothy B. Alabi,2014-08-13 The Forgotten Life of Jesus is written for the enjoyment of you and me The life of Jesus Christ is meant to impact all lives to live in the righteousness of God This book is meant to be read by all people regardless of religion race ethnicity color or language It provides an opportunity to correct misunderstanding and misguided interpretation of the life purpose mission and utterances of Jesus Christ The lack of the complete understanding of Jesus's words and life has been responsible for the hatred killing and war that have ensued in the world There is a need to clearly convey the truth to all people This book explains his uncommon life and messages It is meant to broaden the understanding of readers to make positive life changes Man through religion has misinterpreted the will of God It has brought about killing hatred and war in the world The ways of Jesus Christ supersede the ways of man and bring about his peace his love and his truth Love's Transcendence and the Problem of Theodicy Claudia Welz,2008 Claudia Welz explores responses to the problem of evil that do not end up in a theodicy Kierkegaard's and Rosenzweig's reasons for having no reason to defend God and their ethics of love are discussed in the context of German idealism and French phenomenology BOOK JACKET

**Sometimes I Forget** Julie Sunne,2024-05-07 Sometimes I Forget invites us to know God more intimately so we can trust Him more deeply providing 60 devotionals centered on the attributes of God *The Jesus We Forgot* Brent Shores,2019-02-08 And when the people saw it they trembled and stood at a distance Then they said to Moses Speak to us yourself and we will listen but let not God speak to us or we will die Exodus 20:18-19 God drew near showing Israel His glory

and out of fear Israel backed away They were content to follow a man rather than their God The same is still true for too many of us today We will rely upon our churches and pastors to lead us but are unwilling or unable to find God for ourselves Nevertheless Jesus pursues a relationship with each of us if we are but willing to seek Him out Let me show you the journey God has taken me on to find that He is nearer than I ever believed **Has God Forgotten Me?** Jane Alison Kaberuka,2002
