Merchant Of Venice Texts And Contexts Shakespeare William Works:

William Shakespeare: The Complete Works William Shakespeare, 2005-04-21 The second Oxford edition of Shakespeare's Complete Works reconsiders every detail of their text and presentation in the light of modern scholarship The nature and authority of the early documents are re-examined and the canon and chronological order of composition freshly established Spelling and punctuation are modernized and there is a brief introduction to each work as well as an illuminating and informative General Introduction Included here for the first time is the play The Reign of King Edward the Third as well as the full text of Sir Thomas More This new edition also features an essay on Shakespeare's language by David Crystal and a bibliography of foundational works

The Merchant of Venice William Shakespeare, 2002 This edition of Shakespeare's The Merchant of Venice reprints the Bevington edition of the play accompanied by four sets of thematically arranged primary documents and illustrations designed to facilitate many different approaches to Shakespeare's play and the early modern culture out of which the play emerges The texts include maps woodcuts sermons statutes early modern documents reflecting Christian attitudes toward Jews and Jewish reactions to these attitudes excerpts from the Bible on money lending as well as contemporary discourses on usury and commerce and excerpts from the first account of Jewish life written in the vernacular by a Jew for a Christian audience The documents contextualize contemporary discourses on race nationality and religion the place of Venice in the early modern English imagination merchant culture and marriage sexuality and friendship in the period

A Routledge Literary Sourcebook on William Shakespeare's The Merchant of Venice S. P. Cerasano, 2004 This student friendly book draws together text context criticism and performance history to provide an integrated view of one of the most dazzling works of the early modern theatre

The Merchant of Venice NA NA, 2002-05-17 This edition of Shakespeare's The Merchant of Venice reprints the Bevington edition of the play accompanied by four sets of thematically arranged primary documents and illustrations designed to facilitate many different approaches to Shakespeare's play and the early modern culture out of which the play emerges The texts include maps woodcuts sermons statutes early modern documents reflecting Christian attitudes toward Jews and Jewish reactions to these attitudes excerpts from the Bible on money lending as well as contemporary discourses on usury and commerce excerpts from the first account of Jewish life written in the vernacular by a Jew for a Christian audience anti-Catholic tracts travel accounts diplomatic reports scenes from a morality play about the corrupting effects of money royal proclamations concerning the treatment of aliens conduct literature and contemporary treatises on the role of women

Shakespeare / Sex Jennifer Drouin, 2020-11-12 Shakespeare Sex interrogates the relationship between Shakespeare and sex by challenging readers to consider Shakespeare's texts in light of the most recent theoretical approaches to gender and sexuality studies It takes as its premise that gender and sexuality studies are key to any interpretation of Shakespeare be it his texts and their historical contexts contemporary stage and cinematic productions or adaptations from the Restoration to the present day Approaching sex from four main

perspectives heterosexuality third wave intersectional feminism queer studies and trans studies this book tackles a range of key topics such as medical science rape culture the environment disability religion childhood sexuality race homoeroticism and trans bodies The 12 essays range across Shakespeare's poems and plays including the Sonnets and The Rape of Lucrece Coriolanus A Midsummer Night's Dream Measure for Measure Richard III and The Two Noble Kinsmen Encouraged to push the envelope contributors to this essay collection open new avenues of inquiry for the study of gender and sexuality in Shakespeare

Love and Money Michael Tratner, 2021-02-25 When people speak about love and money they usually are referring to a conflict love distorted by the desire for money Such statements imply that love has a distinct form before economics interferes but this book aims to show that such a view simplifies what is going on because people have always been deeply shaped by everything in the social order including economics So when people say that money is distorting love what they are really saying is that the current relationship of love and economics is different from an earlier relationship This book seeks then to demonstrate the intertwining of the discourses of love and money over a long history by focusing on moments when parallel conceptions appear in economic theories and love stories The two discourses intersect because both seek to define qualities and behaviors of human beings which are most valuable and hence most desirable Similar descriptions of valuable behaviors appear at roughly the same time in economic theories of how to acquire wealth and literary stories of how to find ideal lovers By tracking mutual expressions of desire value and acquisition in economics and love stories this book argues for the ubiquity of the intertwining of these discourses while exploring shifts in conceptions of value It focuses on four eras when economic and romantic conceptions of what is most desirable were actively changing in English discourses the early modern 17th century the Victorian 19th the modernist 20th and the postmodern present

Othello, the Moor of Venice William Shakespeare, 2007 This edition of Shakespeare's Othello reprints the Bevington edition of the play accompanied by thematically arranged primary and secondary documents designed to facilitate many different approaches to Shakespeare's play and contextualise the culture out of which it emerges

Shakespeare's Stage Traffic Janet Clare, 2014-01-09 Shakespeare's unique status has made critics reluctant to acknowledge the extent to which some of his plays are the outcome of adaptation In Shakespeare's Stage Traffic Janet Clare re-situates Shakespeare's dramaturgy within the flourishing and competitive theatrical trade of the late sixteenth and early seventeenth centuries She demonstrates how Shakespeare worked with materials which had already entered the dramatic tradition and how in the spirit of Renaissance theory he moulded and converted them to his own use The book challenges the critical stance that views the Shakespeare canon as essentially self-contained moves beyond the limitations of generic studies and argues for a more conjoined critical study of early modern plays Each chapter focuses on specific plays and examines the networks of influence exchange and competition which characterised stage traffic between playwrights including Marlowe Jonson and Fletcher Overall the book addresses multiple perspectives relating to authorship and text performance and reception

Who Was William Shakespeare? Dymphna Callaghan, 2013-01-14 A new study of Shakespeare's life and times which illuminates our understanding and appreciation of his works Combines an accessible fully historicised treatment of both the life and the plays suited to both undergraduate and popular audiences Looks at 24 of the most significant plays and the sonnets through the lens of various aspects of Shakespeare's life and historical environment Addresses four of the most significant issues that shaped Shakespeare's career education religion social status and theatre Examines theatre as an institution and the literary environment of early modern London Explains and dispatches conspiracy theories about authorship

The Process of Becoming Other in the Classical and Contemporary World Andreas Gonçalves Lind, Ana Paula Pinto, Dominique Lambert, 2024-10-15 This book considers communication across difference in a variety of humanistic contexts from classical Greek literature to continental philosophy environmental studies media studies science and technology studies animal studies and beyond With contributors from all around the globe including Portugal South Africa Türkiye China Italy and other countries this volume provides a truly diverse range of perspectives on the philosophical and practical dimensions of communicating across otherness and difference

The Cultural Politics of Blood, 1500-1900 Kimberly Anne Coles, Ralph Bauer, Zita Nunes, Carla L. Peterson, 2015-01-26 The essays of this collection explore how ideas about blood in science and literature have supported at various points in history and in various places in the circum Atlantic world fantasies of human embodiment and human difference that serve to naturalize existing hierarchies

Shakespeare Quarterly, 2004

Early Modern Others Peter C. Herman, 2023-10-25 Early Modern Others highlights instances of challenges to misogyny racism atheism and antisemitism in the early modern period Through deeply historicizing early modern literature and looking at its political and social contexts Peter C Herman explores how early modern authors challenged the biases and prejudices of their age By examining the works of Thomas More William Shakespeare Christopher Marlowe John Fletcher and Philip Massinger amongst others Herman reveals that for every ism in early modern English culture there was an anti ism pushing back against it The book investigates others in early modern literature through indigenous communities women religion people of color and class This innovative book shows that the early modern period was as complicated and as contradictory as the world today It will offer valuable insight for anyone studying early modern literature and culture as well as social justice and intersectionality

Teaching Medieval and Early Modern Cross-Cultural Encounters K. Attar, L. Shutters, 2014-12-17 Drawing from theatre English studies and art history among others these essays discuss the challenges and rewards of teaching medieval and early modern texts in the 21st century university Topics range from the intersections of race religion gender and nation in cross cultural encounters to the use of popular culture as pedagogical tools

The Complete Works of William Shakespeare: The merchant of Venice William Shakespeare, Sir Sidney Lee, 1907

Shakespeare: The Basics Sean McEvoy, 2024-10-31 Shakespeare The Basics is a lively and accessible introduction to reading and studying Shakespeare Exploring all aspects of Shakespeare's plays Sean McEvoy considers the

language cultural contexts and modern interpretations This essential guide to a range of contemporary Shakespearean criticism explores and unpacks the different dramatic genres in which he wrote comedy history tragedy and romance It also provides a wealth of relevant and concise information on the historical social and political contexts in which the plays were produced and have been understood Extensively updated throughout the fourth edition provides A comprehensive account of Shakespearean tragedy for students An introduction to ecocritical ethical and queer readings of the plays Analysis of notable recent Shakespeare films and productions Enhanced contextual material on race and empire gender roles and the theatre in politics With fully updated further reading throughout and a wide range of case studies and examples Shakespeare The Basics is an indispensable introduction for college and university students of literature and theatre but also for anyone with an interest in the world's most influential dramatist

Marlowe and Shakespeare Robert Sawyer, 2017-08-22 Instead of asserting any alleged rivalry between Marlowe and Shakespeare Sawyer examines the literary reception of the two when the writers are placed in tandem during critical discourse or artistic production Focusing on specific examples from the last 400 years the study begins with Robert Greene's comments in 1592 and ends with the post 9/11 and 7/7 era The study not only looks at literary critics and their assessments but also at playwrights such as Aphra Behn novelists such as Anthony Burgess and late twentieth century movie and theatre directors The work concludes by showing how the most recent outbreak of Marlowe as Shakespeare's ghostwriter accelerates due to a climate of conspiracy including belief echoes which presently permeate our cultural and critical discourse

Encyclopedia of Judaism Sara E. Karesh, Mitchell M. Hurvitz, 2005 An illustrated A to Z reference containing over 800 entries providing information on the theology people historical events institutions and movements related to the religion of Judaism

Shakespeare and the Italian Renaissance Michele Marrapodi, 2016-04-01 Shakespeare and the Italian Renaissance investigates the works of Shakespeare and his fellow dramatists from within the context of the European Renaissance and more specifically from within the context of Italian cultural dramatic and literary traditions with reference to the impact and influence of classical coeval and contemporary culture In contrast to previous studies the critical perspectives pursued in this volume's tripartite organization take into account a wider European intertextual dimension and above all an ideological interpretation of the aesthetics or politics of intertextuality Contributors perceive the presence of the Italian world in early modern England not as a traditional treasure trove of influence and imitation but as a potential cultural force consonant with complex processes of appropriation transformation and ideological opposition through a continuous dialectical interchange of compliance and subversion

Signs of Identity Emilia Parpală, 2018-07-27 This volume conceives of identity constructs in a broader semiotic way specifically within a communicational and comparative perspective This implies a rethinking of identity in terms of the relationship between an individual's way of being and performativity The contributions here cover a variety of pre texts texts and contexts periods and genres from Medieval clothing to multicultural discourse and from modern poetry to postcolonial

narratives among others Integrating research from Germany Greece Iraq and Romania this collection of fifteen chapters will be of interest to all those involved in the reevaluation of identity a central term in the social and cultural space
