Merchant Taylors School Its Origin Histo:

The History of the Merchant Taylors' Company Matthew P. Davies, Ann Saunders, 2004 One of the Great Twelve livery companies of the City of London the Merchant Taylors Company has been in existence for some seven hundred years This history charts the remarkable story of the Company and its members from its origins until the 1950s encompassing the lives and achievements of men such as Sir Thomas White founder of St John s College Oxford and the celebrated chronicler John Stow as well as the roles played by the Company in the City and beyond in different periods As well as looking in detail at the internal life of the Company the book will also focus on a number of important themes in the wider history of London These include trade and industry apprenticeship the impact of religious change the foundation of schools and other charities and the government and politics of the City In doing so the book contributes to an understanding of the aims and activities of the livery companies over the centuries their ability to adapt to changing circumstances and their relevance in a modern world far removed from that in which they were first established The History of the Merchant Taylors Company appeals to a wide range of people interested in the history of London It is fully illustrated with more than seventy five black and white and thirty colour illustrations It is attractively bound in cloth with a full colour dust jacket and matching cloth slipcase
