**An Answer to C. S. Lewis' Mere Christianity** Bob Johnson,2013-06-27 C S Lewis Mere Christianity has been read by millions of people over the last six decades Not surprisingly it is most popular with Christians who see it as demonstrating the reasonableness of Christianity However if we follow the advice of philosophy and objectively apply our innate God given reason to the arguments Lewis puts forward for Christianity we soon see they are painfully lacking No matter how hard Lewis attempts to unite innate God given reason and Christianity he fails An Answer to C S Lewis Mere Christianity helps the reader to realize not only the absurdity of Lewis arguments but it points the reader to a much more profound appreciation of God and of God s gift to us of innate reason This book is a great instrument to use to help you make the very important and real distinction between God and religion *Discussing Mere Christianity Study Guide* Devin Brown,2015 In this 8 session video group study you will discover why Mere Christianity by C S Lewis is one of the most read and beloved Christian books of all time Host Eric Metaxas and a variety of Christian leaders help us understand the timeless message of C S Lewis in fresh ways for a new generation **Mere Christianity** Clive Staples Lewis,1981 *An Analysis of C.S. Lewis's Mere Christianity* Mark Scarlata,2017-07-05 C S Lewis s Mere Christianity is a perfect example of one of the most effective aspects of critical thinking skills the use of reasoning to build a strong logical argument Lewis originally wrote the book as a series of radio talks given from 1942 1944 at the height of World War II The talks were designed to lay out the most basic tenets of Christianity for listeners and to use these to make a logical argument for Christian belief and Christian ethics While Lewis was not an academically trained theologian or philosopher specializing instead in literature his own experience of converting from atheism to Christianity along with his wide reading and incisive questioning power a charming but persuasive argument for his own beliefs Whether or not one agrees with Lewis s arguments or shares his faith Mere Christianity exemplifies one of the most useful aspects of good reasoning accessibility When using reasoning to construct a convincing argument it is crucial that your audience follow you and Lewis was a master at constructing well organised arguments that are immediately understandable to readers The beautifully written Mere Christianity is a masterclass in cogently walking an audience through an elegant and well thought through piece of reasoning **Mere Christianity** Clive Staples Lewis,1984 First broadcast as informal radio talks and later published as three separate books The Case for Christianity Christian Behaviour and Beyond Personality are presented together in Mere Christianity In his remarkably direct and accessible style the renowned Christian apologist shows how the power of Christianity manifests itself not in any single denomination but as mere Christianity a total force For Lewis sets out to prove only that in the center of each there is something or a Someone who against all divergencies of belief all differences of temperament all memories of mutual persecution speaks with the

**C. S. Lewis & Mere Christianity**

Paul McCusker, 2014-06-20 Mere Christianity is one of the best books of Christian apologetics ever written Arguably no book other than the Bible itself has had as much influence for the cause of the gospel over the past 60 years The story of how that message came to be created during the rigors of World War II in England is fascinating in and of itself But it also addresses a very important question How do we present the gospel effectively to a culture that has Christian foundations but has become largely secularized and ignorant of biblical truth C S Lewis Mere Christianity develops the circumstances of Lewis's life and the inner workings of the BBC It also goes into greater detail about life in the middle of war against Nazi Germany and Lewis's series of broadcasts that extended into 1944
