Mere Morality What God Expects From Ordinary People:

Mere Morality Lewis B. Smedes, 1989-03-09 Lewis Smedes has written a penetrating study in ethics based on the five moral commandments those pertaining to honor of parents lying stealing adultery and murder Smedes examines what the commandments actually tell us to do and why and how they can be understood amid the ambiguities of everyday living

Earthkeeping and Character Steven Bouma-Prediger, 2019-11-19 Addressing a topic of growing and vital concern this book asks us to reconsider how we think about the natural world and our place in it Steven Bouma Prediger brings ecotheology into conversation with the emerging field of environmental virtue ethics exploring the character traits and virtues required for Christians to be responsible keepers of the earth and to flourish in the challenging decades to come He shows how virtue ethics can enrich Christian environmentalism helping readers think and act in ways that rightly value creation

Path of Life Rick Howe, 2015-02-27 Path of Life is a theological exploration of joy and its significance for Christian living Join Rick Howe in a quest that will take you into the life of the One in whose presence there is fullness of joy and in whose right hand are pleasures that never end

Aquinas Among the Protestants Manfred Svensson, David VanDrunen, 2017-09-25 AQUINAS AMONG THE PROTESTANTS This major new book provides an introduction to Thomas Aquinas's influence on Protestantism The editors both noted commentators on Aquinas bring together a group of influential scholars to demonstrate the ways that Anglican Lutheran and Reformed thinkers have analyzed and used Thomas through the centuries Later chapters also explore how today's Protestants might appropriate the work of Aquinas to address a number of contemporary theological and philosophical issues The authors set the record straight and disavow the widespread impression that Aquinas is an irrelevant figure for the history of Protestant thought This assumption has dominated not only Protestant historiography but also Roman Catholic accounts of the Reformation and Protestant intellectual life The book opens the possibility for contemporary reception engagement and critique and even intra Protestant relations and includes information on the fruitful appropriation of Aquinas in Anglican Lutheran and Reformed theologians over the centuries Important essays from leading scholars on the teachings of Aquinas New perspectives on Thomas Aquinas's position as a towering figure in the history of Christian thought Aquinas Among the Protestants is a ground breaking and

interdenominational work for students and scholars of Thomas Aquinas and theology more generally

The Deafening Cadence of Biblical Defection

Robert Delich PhD,2024-06-05 From a practical standpoint the book is a straight forward explanation as to why and who is intentionally destroying America from within With it morality integrity honesty and accountability have become socially and politically irrelevant Filling the gap are proven to be government induced psychopathological lies cheating immorality perversion and a failing judicial system By default these deficits are what happens when God is taken out of the equation Well researched the book s review on the troublesome church history significantly correlates with the menacing tentacles from the anti Christian movement in America today For all the wrong reasons deep state biased media propaganda has lead to over control of individual rights and the first and second amendments are under attack If left wing policy is allowed to continue even the Democrat constituents will struggle to keep up with the blatant socio economic damage caused by the party they support Having little regard for the word of God this anti Christian movement has become a menacing parasitic force tearing at the very fabric of Christian ideology and moral stability of America And should man s God absent self serving immoral inequities continue to be the measuring tool that represent final authority I have to ask what kind of world will be assigned to the next generation Ultimately it will be the vulnerable misinformed and uniformed youthful voters that will certainly suffer the consequences

When God Goes to Starbucks

Paul Copan,2008-08-01 More than ever Christians are bombarded with tough faith questions from their pluralistic friends and neighbors Many of these emerge as anti truth claims and slogans we are all familiar with Why not just look out for yourself Do what you want just as long as you don t hurt anyone Miracles violate the laws of nature Aren t people born gay Paul Copan has been answering questions like these for many years In When God Goes to Starbucks he offers readers solid and caring Christian responses to these and many other concerns that are being discussed in Starbucks shopping malls youth groups and schools Each chapter provides succinct answers and points for countering the cultural questions believers are faced with today

Choosing the Good Dennis P.

Hollinger,2002-09-01 An intelligent discussion of the foundations and methods in ethics and ways to apply a Christian worldview to our secular culture **Shaping Character** Arthur Frank Holmes,1991 This is a print on demand book and is therefore non returnable The teaching of ethics and the transmission of values once performed an integrative function in the Christian college curriculum however they have gradually become relegated to a subspecialty status within the philosophy or religion department Arguing that ethics is everybody s business Arthur Holmes presents in this book a concise survey of moral education its goals and methods in the Christian college Arising out of a three year Christian College Consortium project Shaping Character reflects the insights of a rich variety of experts writers and faculty members Holmes first orients his readers to the present ethical climate to theological dimensions and distinctive in ethics and to moral development theory He then poses three overall objectives of ethics education forming the conscience making moral decisions and developing character and fleshes out each objective with particular goals Throughout the book Holmes makes suggestions about the role of faculty and staff paying special attention to teaching methods and noting the context and dynamics of college life in general The final chapter summarizes how the Bible functions in ethics Shaping Character is meant for all Christian college teachers professors and administrators concerned about student values and the moral condition of our society The book will serve as a valuable and practical guide for teaching ethics in every department **The Westminster Handbook to Evangelical Theology** Roger E. Olson,2004-01-01 The Westminster Handbook to Evangelical Theology is a comprehensive critical survey of the main persons events controversies concepts and institutions of twentieth century evangelical theology It will introduce readers to and be a reference work for the study of evangelicalism s distinctive theological vision in its unity and diversity Roger Olson explores evangelical theology through five lenses The Story of Evangelical Theology Movements and Organizations Related to Evangelical Theology Key Figures in Evangelical Theology Traditional Doctrines in Evangelical Theology and Issues in Evangelical Theology The Westminster Handbook to Christian Theology series provides a set of resources for the study of historic and contemporary theological movements and Christian theologians These books are intended to help students and scholars find concise and accurate treatments of important theological terms **Completely Pro-Life** Ronald J. Sider,2010-10-01 The Sanctity of Human Life is Under Attack Unborn Children Are Destroyed The Poor Go Hungry Families Are Broken Up We Are All Endangered By Nuclear War To be completely pro life means to defend human life wherever it is threatened Ron Sider provides a consistent vision of what it means to be pro life He cuts through party lines by holding fast to Scripture wherever it leads The result is a refreshing and truly biblical stance on many current and vitally important issues With the help of the staff of Evangelicals for Social Action Sider gives us concrete steps to help change our world *For the Beauty of the Earth* Steven Bouma-Prediger,2010-04 This substantially revised and updated edition provides the most thorough evangelical treatment available on a theology of creation care *Eucharistic Reciprocity* A. William DeJong,2019-11-11 This volume probes the nature of gratitude as a virtue and identifies its moral value in the

Christian life in order to enhance pastoral effectiveness in ministering to those gripped by sins of desire Such impulses are explored in terms of the seven deadly sins which this inquiry regards as distorted desires for the good God provides Utilizing a method of mutual critical correlation this volume brings philosophical and psychological claims about gratitude into conversation with the Christian tradition On the basis of an ontology of communion in which humans are inextricably situated in giving and receiving relationships with God others and the world this inquiry defines gratitude as a social response involving asymmetrical agapic reciprocity whereby a recipient freely joyfully and fittingly salutes a giver for the gift received in order to establish maintain or restore a personal and peaceable relationship Critiquing especially the reductions of gratitude by Aristotle and Jacques Derrida this inquiry recommends gratitude as a virtue which when embodied practiced and ritualized especially though not exclusively in the Eucharist has potential to repel the destructive idolatries generated by the seven deadly sins and thus function as a crucial ingredient in human social flourishing Familiarity with the virtue of gratitude as a vital ingredient in moral flourishing therefore equips pastors for greater ministerial effectiveness

The Cruciform Church, Annivesary Edition C. Leonard Allen, 2016-05-10 What is left of the Gospel if you take away the cross This central question asked by C L Loos but tucked away in a nineteenth century journal launched The Cruciform Church twenty five years ago Read by a generation of ministers and church leaders The Cruciform Church began a reimagination of the church in our increasingly secular age Now updated with responses from eight key leaders this contemporary classic aims to reach a new generation with the critical questions of faith and life New Responses by Sara Barton Richard Beck Lee Camp Raymond Carr Randy Harris John Mark Hicks Scot McKnight Jonathan Stormont Doing Right David W. Gill, 2022-06-30 Doing Right is a careful thorough readable introduction to a Christian ethics based on the Decalogue Following the implications of Jesus double Love Commandment ten chapter length studies show how each of the commandments guides our love for God our love for our neighbors our search for justice righteousness and our quest for life freedom As such Christian ethics is not despite first impressions a catalog of thou shalt nots but rather a roadmap for a lifelong adventure guided by ten words on life freedom love and justice Doing Right draws deeply on the best Jewish and Christian scholarship over the centuries and then follows the ten principles wherever they lead even into the thorny controversies of the present time Doing Right works as a stand alone study of the ethics of principles and practices but is also the companion to Gill s Becoming Good on the ethics of character and virtue Moral Arguments for Universal Health Care R. Paul Olson, R. Paul Olson Ph. D. MDIV, 2012 *Solomon Day by Day* C. Richard Wells, 2023-01-01 The world is drowning in words Some four million are books published every year plus e books audiobooks and magazines not to mention television movies and videos blogs podcasts and social media and an estimated six to ten thousand ads forced on every American every day But where amidst this bewildering cacophony of words shall wisdom be found Job 28 12 That long ago question from Job is more relevant today than ever And so is his long ago answer Behold the fear of the Lord that is wisdom Job 28 28 cf Prov 1

7 9 10 Ps 111 10 That s biblical bedrock for building a life a God centered life A life of significance and satisfaction humility and hope confidence and joy The book of Proverbs gives you the tools and the book you hold in your hands will help you use the tools Solomon Day by Day won t change your life but it will change the way you look at the proverbs And the proverbs will change your life The Ten Commandments William P. Brown,2004-01-01 Offering a host of classic and new essays surveying the scholarly ethical and biblical debate surrounding the Ten Commandments William Brown organizes his volume into three parts the history of interpretation contemporary reflections on the Decalogue as a whole and contemporary reflections on individual commandments A useful addition to ethics as well as Old Testament and Hebrew Bible courses Brown sThe Ten Commandmentswill be a standard reference for all Decalogue research as it facilitates a helpful balance between moral theological and biblical study The Library of Theological Ethics series focuses on what it means to think theologically and ethically It presents a selection of important and otherwise unavailable texts in easily accessible form Volumes in this series will enable sustained dialogue with predecessors though reflection on classic works in the field

The Shape of Practical Theology Ray S. Anderson,2025-08-14 Too often in the life of the church theological reflection and the practical matters of leading and serving have been considered independently The result has been the impoverishment of both Christian faith and Christian practice In this groundbreaking book Ray Anderson reflects theologically and practically on preaching worship ethics social justice therapy family homosexuality burnout in ministry reconciliation in relationships and theological education itself The result is The Shape of Practical Theology a new and renewing foundation for engaging in Christian ministry Anderson lays out his threefold goal as follows to define more clearly the shape of practical theology as truly a theological enterprise rather than mere mastery of skills and methods to demonstrate the praxis of practical theology as critical engagement with the interface between the word of God as revealed through Scripture and the work of God taking place in and through the church in the world to deal with practical pastoral theology from the perspective of those who are on the field of play of life and ministry where preaching counseling and teaching does affect for many persons the outcome of the game Illuminated by stimulating discussion and helpful case studies The Shape of Practical Theology is aimed at seminary students at Christian educators and at working pastors and counselors Anderson s work fascinating and fruitful brings together the Word of God with the Spirit of God in the ever changing context of real life ministry **Colossians** David J. Landegent,2017-06-06 Some people cant see the forest for the treesthey get so bogged down in details that they lose sight of what its all about Others cant see the trees for the forestthey miss the wondrous details all around them So why not look instead at both the forest and the trees This commentary on Pauls letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is

still speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in Gods truth and growing in our faith Come and join the journey
