Catalogue Bernard Quaritch (Firm),1920      A Synoptic Hamlet: a Critical-Synoptic Edition of the Second Quarto and First Folio Texts of Hamlet Jesús Tronch-Pérez,Jesús Tronch,2002 A Synoptic Hamlet is an alternative response to the editorial problems of this multiple text play Like most critical editions it presents the early texts in a manner helpful to the general reader by modernizing spelling and punctuation and emending non sensical readings However it does not hide the text s diversity by exclusively selecting readings from either the Second Quarto or the First Folio in order to reconstruct a single reading version corresponding to the authentic Hamlet Rather it makes their significant variants immediately available in the line itself offering alternative editorial interpretations of identical or similar readings at certain points Thus the reader can have a direct appreciation of the divergence and similarity between these early texts from which the Hamlet of today is known      **Fifteenth-Century Studies 35** Matthew Z. *Magical Transformations on the Early Modern English Stage* Lisa Hopkins, Helen Ostovich, 2016-05-13 *Magical Transformations on the Early Modern Stage* furthers

the debate about the cultural work performed by representations of magic on the early modern English stage It considers the ways in which performances of magic reflect and feed into a sense of national identity both in the form of magic contests and in its recurrent linkage to national defence the extent to which magic can trope other concerns and what these might be and how magic is staged and what the representational strategies and techniques might mean The essays range widely over both canonical plays Macbeth The Tempest The Winter s Tale The Merry Wives of Windsor Doctor Faustus Bartholomew Fair and notably less canonical ones such as The Birth of Merlin Fedele and Fortunio The Merry Devil of Edmonton The Devil is an Ass The Late Lancashire Witches and The Witch of Edmonton putting the two groups into dialogue with each other and also exploring ways in which they can be profitably related to contemporary cases or accusations of witchcraft Attending to the representational strategies and self conscious intertextuality of the plays as well as to their treatment of their subject matter the essays reveal the plays they discuss as actively intervening in contemporary debates about witchcraft and magic in ways which themselves effect transformation rather than simply discussing it At the heart of all the essays lies an interest in the transformative power of magic but collectively they show that the idea of transformation applies not only to the objects or even to the subjects of magic but that the plays themselves can be seen as working to bring about change in the ways that they challenge contemporary assumptions and stereotypes
