Merrygoround The Bible:

The Merry Go-round for All Girls and Boys. [Verses, with Illustrations.] Mary Dow Brine, 1886 *The merry-go-round, stories*, 1900 Reading the Bible with Giants David Paul Parris, 2015-08-27 Many readers of the Bible believe that interpreting the Scriptures well simply involves a two way dialogue between themselves and the text Implied in this view is the idea that we can simply jump over two thousand years of biblical interpretation However if we believe that God has been speaking through the Bible to devout believers throughout history it would seem that we should find a way to identify the insights they perceived in the text so that we can learn to read these sacred texts with them Drawing on resources from Reception Theory the goal of Reading the Bible with the Giants is to enable the contemporary reader to interpret the Bible in dialogue with those who have gone before us *Looking through a Glass Bible* A.K.M. Adam, Samuel Tongue, 2014-06-05 Some biblical interpreters imaginations extend only as far as outlandish source theories or esoteric hypothetical audiences The interpretive energies let loose in Glasgow over the past decade or so however have produced a cadre of interpreters who defy the disciplinary mandates of biblical criticisms in favour of reading the Bible with imaginations both careful and carefree Infused with literary political art critical cinematic liturgical and other interests these essays display interpretive verve freed from the anxiety of disciplines with closely observed insights critical engagement with biblical texts and vivid inspiration from the cultural world within which they are set Here there is no gap between world and text but the intimate congeniality of close dear comfortable interpretive friends Contributors Ben Morse Hugh Pyper Alastair Hunter Hannah Str mmen Jonathan C P Birch Anna Fisk Kuloba Wabyanga Robert Samuel Tongue A K M Adam Abigail Pelham and the Religarts Collective with Yvonne Sherwood The Merry-Go-Round of Sexual Abuse Letitia C Pallone, William E Prendergast, 2016-02-11 The Merry Go Round of Sexual Abuse is a valuable guide to identifying treating and breaking the cycle of sexual abuse Based on 30 years of professional experience in treating offenders and survivors of sexual assault and sexual molestation Dr Prendergast provides step by step guidelines and specialized treatment techniques most effective in producing change in this group of clients Each technique is illustrated with pertinent case studies This is a much needed guide for professionals who often lack specific training in the identification and treatment of both offenders and survivors of sexual abuse Prendergast identifies the survivors of sexual abuse explores the why sex inquiry and discusses the characteristics of the abuser Each topic is treated by first presenting a fact or principle which is then illustrated with a case study that exhibits the principle in practice A broad range of topics essential to the treatment of offenders and survivors of sexual abuse are clearly explained in this book including 18 factors to consider when working with survivors of sexual abuse behavioral effects of unresolved but consciously remembered sexual abuse and unidentified sexual trauma specialized interviewing techniques for survivors of sexual abuse specific treatment techniques for 4 different categories of sexual abuse homosexual abuse both seductive and assaultive assaultive sexual abuse incest and long term seductive sexual child abuse

Stellman,2013-02-12 Have you ever wondered why there seems to be a built in dissatisfaction attached to all human endeavor such that no amount of wealth pleasure or success can free us from the nagging suspicion that there simply must be more to life than what we see around us Whether displayed in film art popular music or in the depths of our own hearts human frustration with the status quo is inescapable Perhaps the reason for this is the fact that God has hardwired us for heaven and instilled within our souls a longing for eternal life that no earthly spoils can satisfy Perhaps it is our future that defines us rather than our past Perhaps it is not the

origin but the destiny of the species that truly unlocks the mystery of who we really are It is these and many other questions that Jason Stellman explores in these pages in a way that is simple provocative and culturally engaging If you've ever stopped to ponder the mystery of who we are and why we're here this book is a must read **The Bible's Many Voices** Michael Carasik,2014-01-01 The most common English translations of the Bible often sound like a single somewhat archaic voice In fact the Bible is made up of many separate books composed by multiple writers in a wide range of styles and perspectives It is as Michael Carasik demonstrates not a remote text reserved for churches and synagogues but rather a human document full of history poetry politics theology and spirituality Using historic linguistic anthropological and theological sources Carasik helps us distinguish between the Jewish Bible's voices the mythic the historical the prophetic the theological and the legal By articulating the differences among these voices he shows us not just their messages and meanings but also what mattered to the authors In these contrasts we encounter the Bible anew as a living work whose many voices tell us about the world out of which the Bible grew and the world that it created **The Merry-go-round** Carl Van Vechten,1918
