Clark, Charles Samuel Clark, 1900 *Treatment by Hypnotism and Suggestion* Charles Lloyd Tuckey, 1907 **Self-Suggestion and the New Huna Theory of Mesmerism and Hypnosis** Max Freedom Long, 2023-12-26 In *Self Suggestion and the New Huna Theory of Mesmerism and Hypnosis* Max Freedom Long delves into the intricacies of the mind's latent capabilities blending elements of psychology with esoteric traditions This work presents a unique synthesis of Huna philosophy rooted in ancient Hawaiian practices and contemporary understanding of hypnosis and self suggestion Long's literary style is both accessible and profound employing a conversational tone that encourages readers to explore the depths of their consciousness while providing a scholarly framework that situates his ideas within the broader context of metaphysical and psychological discourse Max Freedom Long was a pioneer in the study of Huna and its application in modern psychology influenced by his fascination with Polynesian culture and personal experiences in the field of suggestive therapies His extensive research and personal practice led him to assert that self suggestion is a fundamental skill that anyone can develop to unlock their full potential His interdisciplinary background as an educator and a seeker of spiritual truths uniquely positions him to bridge these ancient wisdoms with contemporary thought revealing the practical implications of his findings *Self Suggestion and the New Huna Theory of Mesmerism and Hypnosis* is a must read for anyone intrigued by the intersections of psychology spirituality and self improvement Long's work not only provides tools for personal transformation but also inspires a deeper understanding of the profound power of the mind Embrace this enlightening journey and discover the hidden abilities within you **Mesmerism, Hypnotism and Suggestion** William F.
