Mesmerism And Christian Science

ML Morrison

Mesmerism And Christian Science:

Mesmerism and Christian Science Frank Podmore, 1909 **Mesmerism and Christian Science** , Mesmerism and Christian Science Frank Podmore, 2015-06-02 Excerpt from *Mesmerism and Christian Science A Short History of Mental Healing* The 11th of August should be observed as a day of humiliation by every learned Society in the civilised world for on that date in 1784 a Commission consisting of the most distinguished representatives of Science in the most enlightened capital in Europe pronounced the rejection of a pregnant scientific discovery a discovery possibly rivalling in permanent significance all the contributions to the physical Sciences made by the two most famous members of the Commission Lavoisier and Benjamin Franklin Not that the report on Animal Magnetism presented by Bailly and his colleagues did serious injustice to Mesmer himself or to his vaunted science The magnetic fluid was a chimera and Mesmer it may be admitted was perhaps three parts a charlatan He had no pretensions to be a thinker he stole his philosophy ready made from a few belated alchemists and his entire system of healing was based on a delusion His extraordinary success was due to the lucky accident of the times Mesmer's first claim to our remembrance lies in this that he wrested the privilege of healing from the Churches and gave it to mankind as a universal possession In rejecting the gift for themselves and their successors to the third and fourth generation Bailly and his colleagues rejected more than they knew Now more than a hundred years later physicians and laymen alike are coming to realise the benefits of healing by Suggestion About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Mesmerism and Christian Science Frank Podmore, 2017-11-24 Excerpt from *Mesmerism and Christian Science A Short History of Mental Healing* To all these the present work will it is hoped be found useful as offering a brief account of the first steps taken in an exploration which will it may be anticipated ultimately furnish the answer to some momentous questions About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **MESMERISM & CHRISTIAN SCIENCE** Frank 1856-1910 Podmore, 2016-08-27

Mesmerism and christian science, by frank podmore Frank Podmore,1909 **Mind Games** Eric Caplan,2001-03-13 Traces the causal paths linking culture the profession and knowledge in the formation of the uses and study of psychotherapy in America at the end of the 19th century *Mesmerism and the American Cure of Souls* Robert C. Fuller,2016-12-15 The story of mesmerism in nineteenth century America is the story of how for the first time a psychological theory arose to meet the everyday religious and intellectual needs of Americans Robert Fuller gives us the first complete history of American mesmerist philosophy He traces its development from an obscure scientific hypothesis to a powerful spiritual philosophy that deeply influenced many of the period s emerging Protestant religious sects He investigates in depth the role of mesmerism in the Mind Cure movement and New Thought and paints for us the cultural land scape existing at a time when thousands of antebellum Americans turned from their churches to the realm of psychology in search of self understanding In the early part of the century mesmerism was for the most part the territory of carnival showmen Itinerant mesmerists during the 1830s placed subjects in trancelike states from which they could divulge the contents of sealed envelopes and describe in detail locales to which they had never traveled Literary figures such as Poe and Hawthorne seized upon mesmerism depicting its workings at their most sinister and diabolical extreme But by midcentury mesmerism was beginning to enter the American consciousness in ways that involved anything but parlor trickery Straddling a fine line between religious myth and scientific philosophy mesmerism s spiritual tenets resonated almost perfectly with important currents in contemporary religious life Universalists Swedenborgians and early spiritualists adopted the doctrine of mesmerism as evidence of man s unity with the Almighty The self made mind cure practitioner Phineas Quimby used mesmeric theory to develop his power of positive thinking a concept that led eventually to the emergence of the Christian Science movement But Fuller shows mind cure cultists such as Quimby also helped transform mesmerism into a kind of self help spirituality Later writers condensed the principles of mesmeric healing into handy maxims that could be assimilated by a popular reading audience Thus *Mesmerism and the American Cure of Souls* presents a paradigmatic instance of the role played by psychology in the American sensibility In addition Fuller s study constitutes a rich and hitherto unexplored chapter in American intellectual history *Christian Science Sentinel* ,1909 **Mesmerism, Hypnotism, Christian Science, & Mind Healing** George Wyld,1898 **The American Catalogue** ,1911 American national trade bibliography *Modern Religious Cults and Movements* Gaius Glenn Atkins,1923 **The Cambridge History of American Literature: Later national literature: pt. III** William Peterfield Trent,John Erskine,Stuart Pratt Sherman,Carl Van Doren,1921 **American Medicine in Transition, 1840-1910** John S. Haller,1981 **The Cyclopedic Review of Current History** ,1900 **Cyclopedic Review of Current History** ,1900 *Encyclopedia of the History of Missouri* Howard Louis Conard,1901 **New Age Religion and Western Culture** Wouter J. Hanegraaff,2018-09-24 Recent years have seen a spectacular rise of the New Age movement and an ever increasing interest in its beliefs and manifestations This fascinating work presents the

first ever comprehensive analysis of New Age Religion and its historical backgrounds thus providing the reader with a means of orientation in the bewildering variety of the movement Making extensive use of primary sources the author thematically analyses New Age beliefs from the perspective of the study of religions While looking at the historical backgrounds of the movement he convincingly argues that its foundations were laid by so called western esoteric traditions during the Renaissance Hanegraaff finally shows how the modern New Age movement emerged from the increasing secularization of those esoteric traditions during the 19th century This ground breaking publication is compulsive reading for all those involved or interested in the New Age movement A.L.A. Booklist ,1910

If you ally need such a referred **Mesmerism And Christian Science** book that will find the money for you worth, get the no question best seller from us currently from several preferred authors.
