

The background of the entire cover is a landscape painting. It depicts a rugged, rocky mountain path that winds through a valley. The path is light-colored, possibly made of stone or dirt, and is flanked by steep, rocky slopes. The colors of the rocks are various shades of brown, tan, and grey. In the distance, more mountains are visible under a sky with soft, white clouds. The overall style is impressionistic, with visible brushstrokes and a focus on light and color.

Come and hear as he tells you what God has done for his soul. Ps 66:16. Wayne Meadows, DMin, Poplar Springs Baptist Church, Hiram, Georgia. **Jesus the Pastor** John W. Frye, 2010-08-03. A personal and practical guide to help pastors find Jesus as their mentor. For decades, Paul has been the model for today's pastors. But Pastor John Frye says we must instead look to Jesus as our model. While we may lift Christ up as Savior as we bow down to him as Lord as we marvel at his offices of Prophet, Priest, and King as we walk with him as Friend, we seem to ignore him as the supreme Senior Pastor. Sharing thought-provoking biblical insights and personal experiences, Frye calls other pastors to become apprentices to Jesus himself. He is the One who invites pastors to watch him in action and draw close so he can shape who they are and how they fulfill their ministry. Why have pastors and churches not been driven to Jesus as the central and controlling focus for the pastoral vocation and ministry in the local church? He's been relegated to other dimensions of Christian and local church experience. Jesus is shoved into our shadows as we read our management books, do our cultural surveys, attend our leadership seminars, and applaud or criticize one another's endeavors. John Frye in *Jesus the Pastor*.

Encyclopedia of Jewish Folklore and Traditions Raphael Patai, 2015-03-26. This multicultural reference work on Jewish folklore, legends, customs, and other elements of folklife is the first of its kind. *Come Now, Let Us Argue It Out* Jon Burrow-Branine, 2021-11. *Come Now, Let Us Argue It Out* provides a look into a community that challenges common narratives about what it means to be LGBTQ and Christian in the contemporary United States. Based on his participant observation fieldwork with a faith-based organization called the Reformation Project, Jon Burrow-Branine provides an ethnography of how some LGBTQ and LGBTQ-supportive Christians negotiate identity and difference and work to create change in evangelicalism. *Come Now, Let Us Argue It Out* tells the story of how this activism can be understood as a community of counter-conduct. Drawing on a concept proposed by the philosopher and historian Michel Foucault, Burrow-Branine documents everyday moments of agency and resistance that have the potential to form new politics, ethics, and ways of being as individuals in this community navigate the exclusionary politics of mainstream evangelical institutions, culture, and theology. More broadly, Burrow-Branine considers the community's ongoing conversation about what it means to be LGBTQ and a Christian grappling with the politics of inclusion and representation in LGBTQ evangelical activism itself.

Congregational Fitness Denise W. Goodman, 2000-12-31. When serious conflict surfaces in a congregation, lay people are usually stunned. They feel frightened, angry, and helpless. *Congregational Fitness* explores why congregations are prone to conflict and describes healthy behaviors lay people can practice to manage conflict constructively. Goodman argues that since it is members of the congregation who carry on from one pastor to another, it is important for them to know and practice positive behaviors continually rather than reacting out of emotion and anxiety to an unexpected situation. Designed for use by individuals, study groups, and retreat participants.
