HIEROGLYPHS OF THE PHAISTOS DISC: history and full text translation. Vitaly Surnin, 2013-12-28 This book is the preliminary part of a great work titled THE BOOK OF THE EGYPTIAN The beginning of the basic Egyptology or a key to the understanding of history philosophy and world religion Usually the introduction is made in the form of a brief preface or foreword but I got a whole book as the first step in a multi volume publication of the study The purpose of this specific introduction as the beginning of serious research is right at the level of the opening to inspire a reader showing him in a clear visual and comprehensible form the whole true mechanism of the hieroglyphic writing To achieve this I will completely dispel the myth created by the modern science that hieroglyphs do not convey any meaning of words the whole idea but only individual sounds letters or their combination syllables This scientific myth will be finally deprived of the status of scientific knowledge and the translation of the Phaistos disc on the contrary will be clearly shown what is called broken apart and will be read in the ancient hieroglyphic language united by the principle of construction in the language of the ancient Egyptians I can say that it will not be two simultaneously existing systems of hieroglyphs translation as well as two Egyptologies one will be false and the other true To prove the validity of the system of translation I wanted to give you immediately not only a complete translation of the text of the Phaistos disc where the number of occurrences of each hieroglyph is not big 1 to 19 times but the translation of the whole ancient Egyptian writing because the number of times it is used in there is thousands if not even millions And each such use of each hieroglyph is translating in the same way so it creates the full reading of the hieroglyphic texts writing which will be easily read by everyone with the dictionary of hieroglyphs in the future The main reason why I wanted to do it is because at first I read the ancient Egyptian texts and only then by chance came across with the hieroglyphs of the Phaistos disc But then I decided to set a different aim to teach the reader to think and not just to read hieroglyphs Since we have no ancient Egyptian temple and you re not its novice the method of achieving the aims will be different than in the antiquity First of all I would suggest not a translation of ancient Egyptian hieroglyphs but a complete translation of the Phaistos disc and at the same time to give them a sort of test of common sense to modern science in the face of particular academies and universities of the world Let them answer me the question not knowing the translations of ancient Egyptian texts whether they think this translation of the Phaistos disc is correct So when I completely publish The Book of Egyptian it will become clear who they are and where do they lead all of you As they always test the students it s a time to test them as well Will they pass the test I do not know but any way you my reader will get to know about it in the main manuscript and will be able to draw your own conclusions about their intellectual level Therefore I recommend you to take this message of the book at least with the attention because not every day the science gets a ready revelation designed

in the form of scientific study And here the attention and common sense will help the reader to re look the original pure uncomplicated meaning of the Hieroglyphs which through the veil of delusion will finally begin to appear in their true original and vibrant colors and finally get from the nether world into the realm of the living *Would You Be Interested in Traveling Through a Portal in Time?* Earle W. Hanna Sr.,2011-08-11 Is time travel possible If so is it safe What sort of adventures might one have when moving through time either by design or happenstance In *The Gyroscope* George and his wife chance upon an antique gyroscope that may have once been owned by a man who claimed to have been abducted by aliens A young man who flees the stresses of city life finds more than he bargained when he passes through *The Barn Door* on his new property Before he knows it he rescues a woman from British troops in 1778and whisks her two hundred years into the future In *Delaware Indians* an imaginative high school history teacher gets the ride of his life in a magical time traveling cab that makes his deepest wish come true A *Journey to Atlantis* is the last thing young George has in mind when he rents a small boat to go snorkeling off of Bimini Then a chance encounter with the infamous Flying Dutchman changes everything *The Mirror* holds many secrets and opportunities for Paul an antiques dealer who buys it one day But the mirror does more than reflect it invitesand when Paul steps through he meets Leona the love of his life But will the mirrors gifts encourage her to threaten a critical moment in history Only a lucky few will ever receive an invitation for a two week all expense paid vacation on *The Never Ending Road* and Robert has just been added to their exclusive list **Druid Island 2** John D. Hartman,2021-06-09 Long after the death of King Arthur the sorcerer Merlin escaped from the cave of enchantment on Druid Island after having been held prisoner by the evil witch Morgana With the help of the goddess Athena Merlin was able to trick Morgana and seal her within the cave where he had languished for so long Old and with his health broken Merlin took his infant son Thomas to Shetland s Rock to be raised by a wealthy family knowing that after his death the goddess would keep watch over the boy As he grew having inherited his father s magical powers Thomas soon learned the ways of the Druid and became the protector of Druid Island Over 30 years passed during which Morgana continued to attempt to free herself so that she could once again commence her evil ways Unable to stop what he knew would be her inevitable escape Thomas sought the help of a young boy David whose father was the Druid s closest friend during childhood Through a series of harrowing events and in a variety of strange places the youngster was successful in obtaining the powerful Druid s Egg and used it to destroy the witch Reunited with his mother and aunt David along with Thomas and Kalli a small boy that he had rescued from the Fantasian Forest felt that peace would be restored to Druid Island He was mistaken for the world still housed many strange creatures that sought revenge for the death of the witch and who wanted to see both the boy and Merlin s son destroyed *Druid Island 2 The Book of Spells* takes up the story of the Druid wizard and David as they once more must face the monsters and demons that threaten the Island and the entire world Created by the old gods Zeus and Hades *The Book of Spells* contains secrets that could provide world domination for anyone who learns what is

written on those pages As the search for the book begins it becomes apparent that Thomas and David are not the only ones seeking the mystical tome and it quickly becomes a race to see who will be the first to locate the long lost Book of Spells

Keith Booker, 2009-11-25 This work is a wide ranging survey of American children's film that provides detailed analysis of the political implications of these films as well as a discussion of how movies intended for children have come to be so persistently charged with meaning Disney Pixar and the Hidden Messages of Children's Films provides wide ranging scrutiny of one of the most lucrative American entertainment genres Beyond entertaining children and parents and ringing up merchandise sales are these films attempting to shape the political views of young viewers M Keith Booker examines this question with a close reading of dozens of films from Disney Pixar Dreamworks and other studios debunking some out there claims The Ant Bully communist propaganda while seriously considering the political content of each film Disney Pixar and the Hidden Messages of Children's Films recaps the entire history of movies for young viewers from Snow White and the Seven Dwarfs to this year's Up then focuses on the extraordinary output of children's films in the last two decades What Booker finds is that by and large their lessons are decidedly comfortably mainstream and any political subtext more often than not is inadvertent Booker also offers some advice to parents for helping children read films in a more sophisticated way

Ralkowski,2018-11-29 What can we learn about the trial of Socrates from Plato's dialogues Most scholars say we can learn a lot from the Apology but not from the rest Plato's Trial of Athens rejects this assumption and argues that Plato used several of his dialogues to turn the tables on Socrates accusers they blamed Socrates for something the city had done to itself Plato wanted to set the record straight and save his city from repeating her worst mistakes of the 5th century Plato's Trial of Athens addresses challenging questions about the historicity of Plato's dialogues and it traces Plato's critique of Athenian public life and polis culture from the trial in 399 up through the Laws and the Atlantis myth in the Critias and Timaeus In the end Ralkowski shows that what began as a bitter response to the unjust politically charged trial of Socrates evolved into a pessimistic reflection on the role of philosophy in a democratic society a theory about Athens 5th century decline and cautionary tale about the corrupting influences of naval imperialism Unusual Vessels Jeff Markell,2004-02 Unusual Vessels is perfect for anyone interested in the sea and the craft that sail on it The strange vessels discussed here are just a few of the more curious craft that the author Jeff Markell has come across some he has sailed on some he has only seen and some only learned about from others Ranging in size color purpose and historical significance the ships described in this book will fascinate sailors and spectators like **The Universal Life Energy** Jenny Lee,2010-03 These are the times of change the times of transformation and insecure confusion the result of the ever increasing new technologies replacing the olden moral and ethical concepts being replaced with Negative concepts which provide no foundation for enduring peace of mind and daily contentment And the Fakers and deceivers are among us and none of their teachings are based upon truth knowledge This small book is not based on any religious or spiritual belief systems It presents The Universal Truth Knowledge and the many millions of people with this knowledge have not the ego to spread this knowledge worldwide to tell people how to live their life as religions and spiritual belief systems do There is nothing in this book to request compliance with the knowledge herein nothing that is in conflict with religious or spiritual beliefs This book reveals who and what is the Creator known as God the Spiritual Realm in which God and spiritual entities Angels exist and how they function It also defines the physical realm the why of it's creation the how and why of human's creation and human's purpose in this physical realm It defines the Universal life Energy known as the soul and how human in easy simple fun way can use the function and abilities within this energy to live a daily life of only the joy and happiness Live a daily life in Joyous Harmony and Loving Harmony as defined in this small book And the knowledge herein will answer any question human may ever have Yes this is new knowledge written in short easy to understand words easy to comprehend with no request for compliance do as you please www.ulenow.com **Enigma** Hugh Sebag-Montefiore,2011-07-21 The complete story of how the German Enigma codes were broken Perfect for fans of THE IMITATION GAME the new film on Alan Turing's Enigma code starring Benedict Cumberbatch Breaking the German Enigma codes was not only about brilliant mathematicians and professors at Bletchley

Park There is another aspect of the story which it is only now possible to tell It takes in the exploits of spies naval officers and ordinary British seamen who risked and in some cases lost their lives snatching the vital Enigma codebooks from under the noses of Nazi officials and from sinking German ships and submarines This book tells the whole Enigma story its original invention and use by German forces and how it was the Poles who first cracked and passed on to the British the key to the German airforce Enigma The more complicated German Navy Enigma appeared to them to be unbreakable Thomas D.
