Message From Moscow Vintages:

The Vintage Mencken Alistair Cooke, H. L. Mencken, 2011-03-23 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork [A Legacy of Liberation](#) Mark Gevisser, 2009-03-31 A gripping social history of South Africa's past and future and beautifully narrated by one of Africa's most esteemed journalists From Struggle to Liberation sheds light on the future of the nation under a new regime With unprecedented access to Thabo Mbeki and the top brass in the African National Congress Mark Gevisser weaves a nuanced portrait of the black experience under apartheid Revelations about the current president and the politics that continue to shape South Africa include Thabo Mbeki's difficult relationship with his own political activist and largely absent father Govan Mbeki who was imprisoned on Robben Island with Nelson Mandela How the death of his son Kwanda in the diamond mines and the murder of his brother Jama directly affected his leadership and will continue to shape the governance of Africa for years to come The reasons behind Mbeki's puzzling refusal to admit that the HIV virus causes AIDS which in South Africa claims 800 lives per day and his support of corrupt governments such as Zimbabwe's Inside rivalry between Thabo Mbeki and Jacob Zuma the populist leader destined to take over as president in 2009 This accessible account of a monumental period in world history is the definitive look at contemporary South Africa [The Idiot \(Vintage Classics\)](#) Fyodor Dostoevsky, 2012-07-18 Fyodor Dostoevsky's classic tale of one man's pure innocence in the face of a society obsessed with power money and manipulation The twenty six year old Prince Myshkin following a stay of several years in a Swiss sanatorium returns to Russia to collect an inheritance and be among people Even before he reaches home he meets the dark Rogozhin a rich merchant's son whose obsession with the beautiful Nastasya Filippovna eventually draws all three of them into a tragic denouement In Petersburg the prince finds himself a stranger in a society obsessed with money power and manipulation Scandal escalates to murder as Dostoevsky traces the surprising effect of this positively beautiful man on the people around him leading to a final scene that is one of the most powerful in all of world literature Richard Pevear and Larissa Volokhonsky's masterful translation of The Idiot is destined to stand with their versions of Crime and Punishment The Brothers Karamazov and Demons as the definitive Dostoevsky in English [Thabo Mbeki](#) Mark Gevisser, 2022-05-06 Hailed in the Times Literary Supplement as probably the finest piece of non fiction to come out of South Africa since the end of apartheid The Dream Deferred is back in print and updated with a brilliant new epilogue The prosperous Mbeki clan lost everything to apartheid Yet the family saw its favourite son Thabo rise to become president of South Africa in 1999 A decade later Mbeki was ousted by his own party and his legacy is bitterly contested particularly over his handling of the AIDS epidemic and the crisis in Zimbabwe Through the story of the Mbeki family award winning journalist Mark Gevisser tells the gripping tale of the last tumultuous century of South Africa life following the family's path to make sense of the liberation

struggle and the future that South Africa has inherited At the centre of the story is Mbeki a visionary yet tragic figure who led South Africa to freedom but was not able to overcome the difficulties of his own dislocated life It is 15 years since Mbeki was unceremoniously dumped by the ANC giving rise to the wasted years under Jacob Zuma With the benefit of hindsight and as Mbeki reaches the age of 80 Gevisser examines the legacy of the man who succeeded Mandela essential reading for anyone intrigued by South Africa s complex philosopher king The Economist **Catalog of Copyright Entries.
