Messengers of Hope Carol Elizabeth Parrish-Harra,2001 **Welcome to Planet Earth** Hannah Beaconsfield,2011 At this time in the development of the Earth species the brain mind does not have a large enough data acquisition and computing capacity to take in the multidimensions of the walk in process The characteristics of these dimensions would allow for many types of spirit activity on the Earth plane beyond the simple actually simplistic explanation of a single soul unit changing places with another single soul Spirit and consciousness are more fluid and variable than your world has considered We will tell you that spirit guides and guardian angels surround everyone who is participating in these expanded spirit processes The increasing number of walk ins at this time is in service to the ascension or step up in consciousness of the species These participants can always call on guides for assistance We Pleiadians are guides in the project We are always available and we wish you peace The Pleiadian Light *Messengers of Hope* Carol W. Parrish-Harra,1983 **Messenger Of The Heart** Frederick Franck,2010-08-01 When mystics like Angelus Silesius speak of God they do so from a vibrant intensity of awareness and in a tone of voice one trusts at once The timeless wisdom embedded in these humble rhymes is beautifully echoed by the observations of the ancient Zen masters which punctuate the text and in the haiku like drawings by Frederick Franck Addressing time and eternity the one and the many bondage and freedom and other topics central to our shared humanity these gems of metaphysical music never fail to direct us towards that Groundless Ground or Ultimate Reality that governs all beings and is to be found reflected in the depths of the heart **The Southern literary messenger** ,1837
