Dearest Ones at Home Patricia M. Maloney, Katrina Maloney, 2025-07-30 On November 5 1917 Taylorville Illinois native Clara Taylor stepped off a Trans Siberian Railway train into a city then called Petrograd Russia Employed by the YWCA as an industrial expert Clara had been sent to Russia to help establish Associations in Petrograd now St Petersburg and Moscow Her main charge while in Russia was to survey and report on factory conditions but Clara only spent a fraction of her stay in Russia visiting factories due to the vagaries of the political social and economic revolution the upheaval of an entire culture Clara and her colleagues spent most of their first year in Russia teaching English home economics book keeping literature and basketball and sponsoring lectures dances and

sing alongs for Russian working women Clara's letters collected in this book tell of both the mundane and the extraordinary what the YW staff ate for dinner how the Bolshevik suppression of free speech impacted Americans ability to communicate with those at home shootings in the streets bartering for pounds of sugar conversing with nobility with intellectuals and with workers attending the opera and sight seeing at monasteries Together Clara's letters to her family her dearest ones at home tell a compelling story of one American woman's experiences in Revolutionary Russia **Tritcheon Hash Sue**

Lange,2011-10 Tritcheon Hash froze in place She'd seen air vacuum wild strange planets during the course of her training She'd lived at times in atmospheres devoid of oxygen in acidic wastelands in highly radioactive dustbowls She'd been confronted by higher brain functioning species that were as like humans as turds are like flowers She'd even seen a penis But nothing frightened her quite as much as the thought of meeting the parents of the most well ordered collection of anything she'd ever encountered in her life **The First Nation** Douglas Coiner,2020-03-19 Enkooadabao was the name Big Bear

Chief of the Cree had given to him after his parents were murdered by the Blackfoot His friend John Norquay called him Kitch which meant brave Louis Riel gave him the European name Marcel Kitch But all of these great men knew him as an honorable man who helped them as they struggled against the British and the powerful Hudson Bay Company It was in the early 1800s that the Indigenous people rose up against their oppressors to fight for their rights and their freedom The First Nation is a story of friendship and war Love and hate Life and death And the making of a Nation **Recessional** James A.

Michener,2015-09-08 In this remarkable novel Pulitzer Prize winning author James A Michener draws on his unparalleled gift for storytelling his deep understanding of American society and his own life experiences to illuminate the challenges of aging and the folly of youth As the new director of a Florida retirement home known as the Palms Andy Zorn suffers no shortage of loving support from his elders a group of five passionate outspoken residents Still Andy's shortcomings tear him apart But when he meets an extraordinary young woman who has been forced to rebuild her life after suffering crippling injuries he finds himself falling in love And with a few gentle jabs from his more mature friends he discovers a wonderful new purpose in life Praise for Recessional The best moments in the novel occur when the characters disclose what's in their hearts and minds with rueful snappy humor The New York Times Book Review Michener hooks you with wonderfully humorous scenes These are then interwoven between the moments of pain and heartache brought about by life choices we all must make Tulsa World Engaging One will be drawn into the novelist's world The lush natural setting provides James Michener plenty to show and tell The Washington Times *Century Illustrated Monthly Magazine ...* ,1907 *The Century Illustrated Monthly Magazine* ,1907 **Scribner's Monthly, an Illustrated Magazine for the People** ,1907 *Hearings* United States.

After over 25 years of working with people and attempting to help them as a psychotherapist trainer and teacher I have not only walked through the joys and struggles of my own life experiences and those of family and friends but I have had the benefits and privilege of learning and living vicariously while listening to untold hours with literally thousands of clients during their own struggling and searching I have been encouraged by and privileged to watch the healing growth and transcendence from life s struggles of thousands of people and I have felt pain and sadness in witnessing the deterioration

resistance and self destruction of countless others I have come to believe that the primary determining factor of whether one experiences transcendence or deterioration is a determined willingness to go through the struggles and to develop an attitude that looks courageously into the eye of the storm and says assuredly You will not break me These poems are captured moments of my own experiences and reflections on the journeys of others as we have separately and together enjoyed the sunrises and sunsets while sometimes weathering the storms in between May these poems help you better understand yourself and your fellow travelers and no matter how difficult or deep your own abyss of darkness may you always find Hope THE RHYTHM OF LIFE Today could not have been Without yesterday s haunting wind Blowing by and changing my life Stirring up realities and other sundry strife The happenings of this hour Would rightfully have no power Without the joys and pains of past Shaping and creating me at last Had even one conversation been altered Or one person or event faltered This moment in which I now breathe Would not now be as is conceived There is a Great Choreographer somewhere someplace Who orchestrates my moves and your every pace Matching our steps in infinite perfect time Then this dance once confusing starts to rhyme

The Island of Lost Dolls Eric Scott,2013-11-20 Kellie had a dragon living the paddock at the back of her house She also had trolls but she didn t know about them yet The dragon hadn t been there very long and it had never spoken It hadn t breathed fire nor roared a scary roar But that was because it was made from wood When a large tree branch dried out it looked a lot like a dragon with a long forked tail four wriggly limbs protruding from a thick body and a large mouth where the branch had separated from the tree It looked fearsome enough but when Kellie and her Dad had finished with the paint tins it looked even scarier Kellie called it David the Snake Dragon In this fast moving and exciting book for early readers which is also designed for parents to read to their children Kellie and Gregory discover that their favourite toys have been stolen and David comes to life He takes the children to the Island of Lost Dolls a place where lost dolls used to live happily ever after but when a wicked doll declares herself queen she make all the dolls her slaves Kellie Gregory and David with the help of the mysterious Regina must fight to save not only their own toys but all the others too

Dear Lindy Alana Valentine,2017-11-01 This book shows just how far wide and deep the story of Azaria has gone Lindy Chamberlain Creighton The Azaria Chamberlain case was one of the most followed and documented murder trials in our nation s history And we responded with grief rage prejudice and remorse to Lindy directly through thousands of letters Here Alana Valentine uses a selection of the letters sent to Lindy Chamberlain Creighton to capture Australians reaction to the loss of Azaria The court of public opinion made its own ruling in the case shown in the hurtful supportive accusatory or sympathetic letters received by Lindy in prison Some of the letters are full of vitriol some include bizarre theories More are compassionate sent by mothers by people of faith or by those who had suffered similar tragedies We hear Lindy s voice too in candid conversations with the author The selection is a time capsule of Australia a reflection of our attitudes and of how far we ve come These are the letters poems and works of art we were compelled to send to Lindy Chamberlain Creighton
