Metaphysics Of Dantes Comedy

**Lydia Yaitsky Kertz, Richard K.
Emmerson**

Metaphysics Of Dantes Comedy:

The Metaphysics of Dante's Comedy Christian Moevs, 2008-10-13 The recovery of Dante's metaphysics which are very different from our own is essential argues Christian Moevs if we are to resolve what has been called the central problem in the interpretation of the Comedy That problem is what to make of the Comedy's claim to the status of revelation vision or experiential record as something more than imaginative literature In this book Moevs offers the first sustained treatment of the metaphysical picture that grounds and motivates the Comedy and the relation between those metaphysics and Dante's poetics Moevs arrives at the radical conclusion that Dante believed that all of what we perceive as reality the spatio temporal world is in fact a creation or projection of conscious being Armed with this new understanding Moevs is able to shed light on a series of perennial issues in the interpretation of the Comedy

Dante's Commedia Vittorio Montemaggi, Matthew Treherne, 2010-03-15 In Dante's Commedia Theology as Poetry an international group of theologians and Dante scholars provide a uniquely rich set of perspectives focused on the relationship between theology and poetry in the Commedia Examining Dante's treatment of questions of language personhood and the body his engagement with the theological tradition he inherited and the implications of his work for contemporary theology the contributors argue for the close intersection of theology and poetry in the text as well as the importance of theology for Dante studies Through discussion of issues ranging from Dante's use of imagery of the Church to the significance of the smile for his poetic project the essayists offer convincing evidence that his theology is not what underlies his narrative poem nor what is contained within it it is instead fully integrated with its poetic and narrative texture As the essays demonstrate the Commedia is firmly rooted in the medieval tradition of reflection on the nature of theological language while simultaneously presenting its readers with unprecedented sustained poetic experimentation Understood in this way Dante emerges as one of the most original theological voices of the Middle Ages Contributors Piero Boitani Oliver Davies Theresa Federici David F Ford Peter S Hawkins Douglas Hedley Robin Kirkpatrick Christian Moevs Vittorio Montemaggi Paola Nasti John Took Matthew Treherne and Denys Turner

The Cambridge Companion to Dante's 'Commedia' Zygmunt G. Barański, Simon Gilson, 2019 Accessible and informative account of Dante's great Commedia its purpose themes and styles and its reception over the centuries

Dante's Philosophical Life Paul Stern, 2018-05-02 When political theorists teach the history of political philosophy they typically skip from the ancient Greeks and Cicero to Augustine in the fifth century and Thomas Aquinas in the thirteenth and then on to the origins of modernity with Machiavelli and beyond Paul Stern aims to change this settled narrative and makes a powerful case for treating Dante Alighieri arguably the greatest poet of medieval Christendom as a political philosopher of the first rank In Dante's Philosophical Life Stern argues that Purgatorio's depiction of the ascent to Earthly Paradise that is the summit of Mount Purgatory was intended to give instruction on how to live the philosophic life understood in its classical form as love of wisdom As an object of love however wisdom must be sought by the human soul rather than possessed But

before the search can be undertaken the soul needs to consider from where it begins its nature and its good In Stern's interpretation of Purgatorio Dante's intense concern for political life follows from this need for it is law that supplies the notions of good that shape the soul's understanding and it is law especially its limits that provides the most evident display of the soul's enduring hopes According to Stern Dante places inquiry regarding human nature and its good at the heart of philosophic investigation thereby rehabilitating the highest form of reasoned judgment or prudence Philosophy thus understood is neither a body of doctrines easily situated in a Christian framework nor a set of intellectual tools best used for predetermined theological ends but a way of life Stern's claim that Dante was arguing for prudence against dogmatism of every kind addresses a question of contemporary concern whether reason can guide a life **Dante's Journey to**

Polyphony Francesco Ciabattini, 2015-01-15 In Dante's Journey to Polyphony Francesco Ciabattini's erudite analysis sheds light on Dante's use of music in the Divine Comedy Following the work's musical evolution Ciabattini moves from the cacophony of Inferno through the monophony of Purgatory to the polyphony of Paradise and argues that Dante's use of sacred songs constitutes a thoroughly planned system Particular types of music accompany the pilgrim's itinerary and reflect medieval theories regarding sound and the sacred Combining musicological and philological scholarship this book analyzes Dante's use of music in conjunction with the form and content of his verse resulting in a cross-discipline analysis also touching on Italian Studies Medieval Studies and Cultural History After moving from infernal din to heavenly harmony Ciabattini's final section addresses the music of the spheres a theory that enjoyed great diffusion among the early middle ages inspiring poets and philosophers for centuries Dante, Mercy, and the Beauty of the Human Person Leonard J.

DeLorenzo, Vittorio Montemaggi, 2017-07-14 Dante Mercy and the Beauty of the Human Person is a pilgrimage to rediscover the spiritual and humanizing benefit of the Commedia Treating each cantica of the poem this volume offers profound meditations on the intertwined themes of memory prayer sainthood the irony of sin theological and literary aesthetics and desire all while consistently reflecting upon the key themes of mercy and beauty in the revelation of the human person within the drama of divine love Dante and Epicurus George Corbett, 2017-12-02 Dante and Epicurus seem poles apart Dante a

committed Christian depicted in the Commedia a vision of the afterlife and God's divine justice Epicurus a pagan philosopher taught that the soul is mortal and that all religion is vain superstition And yet Epicurus is for Dante not only the quintessential heretic but an ethical ally The key to this apparent paradox lies in the heterodox dualism between man's two goals of secular felicity and spiritual beatitude at the heart of Dante's ethical political and theological thought Corbett's full length treatment of Dante's reception and polemical representation of Epicurus addresses a major gap in the scholarship Furthermore the study's focus on fault lines in Dante's vision of the afterlife where the theological tensions implicit in his dualism surface opens a new way to read the Commedia as a whole in dualistic terms Petrarch and Boccaccio Igor

Candido, 2018-02-19 Die Buchreihe Mimesis präsentierte unter ihrem neuen Untertitel Romanische Literaturen der Welt ein

innovatives und integrales Verständnis der Romania wie der Romanistik aus literaturwissenschaftlicher und kulturtheoretischer Perspektive Sie trägt der Tatsache Rechnung dass die faszinierende Entwicklung der romanischen Literaturen und Kulturen in Europa wie auch außerhalb Europas neue weltweite Dynamiken in Gang gesetzt hat welche die großen Traditionen der Romania fortschreiben und auf neue Horizonte hin öffnen In Mimesis kommt ein transkulturelles die europäische und die außereuropäische Welt romanischer Literaturen und Kulturen zusammendenkendes Verständnis der Romanistik zur Geltung das über nationale wie disziplinäre Grenzziehungen hinweg die oft übersehenen Wechselwirkungen zwischen unterschiedlichen Traditionen und Entwicklungslinien in Europa und den Amerikas in Afrika und Asien entfaltet Im Archipel der Romanistik zeigt Mimesis auf wie die dargestellte Wirklichkeit in den romanischen Literaturen der Welt die Tür zu einem vielsprachigen Kosmos verschiedenartiger Logiken öffnet Desire in Dante and the Middle Ages Manuele Gragnolati, 2017-07-05 This volume takes Dante's rich and multifaceted discourse of desire from the Vita Nova to the Commedia as a point of departure in investigating medieval concepts of desire in all their multiplicity fragmentation and interrelation As well as offering several original contributions on this fundamental aspect of Dante's work it seeks to situate the Florentine more effectively within the broader spectrum of medieval culture and to establish greater intellectual exchange between Dante scholars and those from other disciplines The volume is also notable for its openness to diverse critical and methodological approaches In considering the extent to which modern theoretical paradigms can be used to shed light upon the Middle Ages it will interest those engaged with questions of critical theory as well as medieval culture

Dante's Paradiso and the Theological Origins of Modern Thought William Franke, 2021-03-24 Self reflection as the hallmark of the modern age originates more profoundly with Dante than with Descartes This book rewrites modern intellectual history taking Dante's lyrical language in Paradiso as enacting a Trinitarian self reflexivity that gives a theological spin to the birth of the modern subject already with the Troubadours The ever more intense self reflexivity that has led to our contemporary secular world and its technological apocalypse can lead also to the poetic vision of other worlds such as those experienced by Dante Facing the same nominalist crisis as Duns Scotus his exact contemporary and the precursor of scientific method Dante's thought and work indicate an alternative modernity along the path not taken This other way shows up in Nicholas of Cusa's conjectural science and in Giambattista Vico's new science of imagination as alternatives to the exclusive reign of positive empirical science In continuity with Dante's vision they contribute to a reappropriation of self reflection for the humanities *Dante, Eschatology, and the Christian Tradition* Lydia Yaitsky Kertz, Richard K. Emmerson, 2024-01-29 Dante Eschatology and the Christian Tradition honors Ronald B Herzman SUNY Geneseo Distinguished Teaching Professor of English Over more than fifty years Professor Herzman has been a major force in the promotion of medieval studies within academe and public humanities This volume of essays by his colleagues students and friends celebrates Professor Herzman's outstanding career and reflects the wide range of his scholarly and pedagogical

influence from biblical and early Christian topics to Dante Langland and Shakespeare *Material Christianity* Christopher Ocker, Susanna Elm, 2020-02-26 This collection of essays offers a series of rigorously focused art historical, historical and philosophical studies that examine ways in which materiality has posed and still poses a religious and cultural problem. The volume examines the material agency of objects, artifacts and environments, art, ritual, pilgrimage, food and philosophy. It studies the variable senses of materiality, the place of materiality in the formation of modern Western religion and its role in Christianity's dialogue with non-Western religions. The essays present new interpretations of religious rites and outlooks through the focus on their material components. They also suggest how material engagement theory, a new movement in cultural anthropology and archeology, may shed light on the cultural history of Christianity in medieval and early modern Europe and the Americas. It thus fills an important lacuna in the study of western religion by highlighting the *longue durée* from the Middle Ages to the Modern Period of a current dilemma, namely the divide between materialistic and what might broadly be called hermeneutical or cultural critical approaches to religion and human subjectivity **The Routledge**

Research Companion to Anglo-Italian Renaissance Literature and Culture Michele Marrapodi, 2019-03-05 The aim of this Companion volume is to provide scholars and advanced graduate students with a comprehensive and authoritative state of the art review of current research work on Anglo-Italian Renaissance studies. Written by a team of international scholars and experts in the field, the chapters are grouped into two large areas of influence and intertextuality corresponding to the dual way in which early modern England looked upon the Italian world from the English perspective. Part 1: Italian literature and culture and Part 2: Appropriations and ideologies. In the first part, prominent Italian authors, artists and thinkers are examined as a direct source of inspiration, imitation and divergence. The variegated English response to the cultural, ideological and political implications of pervasive Italian intertextuality in interrelated aspects of artistic and generic production is dealt with in the second part. Constructed on the basis of a largely interdisciplinary approach, the volume offers an in-depth and wide-ranging treatment of the multifaceted ways in which Italy's material world and its iconologies are represented, appropriated and exploited in the literary and cultural domain of early modern England. For this reason, contributors were asked to write essays that not only reflect current thinking but also point to directions for future research and scholarship, while a purposefully conceived bibliography of primary and secondary sources and a detailed index round off the volume.

Dantologies William Franke, 2023-09-26 This book comprises a searching philosophical meditation on the evolution of the humanities in recent decades, taking Dante studies as an exemplary specimen. The contemporary currents of theory have decisively impacted this field, but Dante also has a strong relationship with theology. The idea that theology, teleology and logocentric rationalities are simply overcome and swept away by new theoretical approaches proves much more complex, as the theory revolution is exposed in its crypto-theological motives and origins. The revolutionary agendas and methodologies of theoretical currents have ushered in all manner of minorities and postcolonial and gender studies. But the

exciting adventure they inaugurate shows up in quite a surprising light when brought to focus through the scholarly discipline of Dante studies as a terrain of dispute between traditional philology and postmodern theory On this terrain negative theology can play a peculiarly destabilizing but also a conciliatory role it is equally critical of all languages for a theological transcendence to which it nevertheless remains infinitely open *A Generous Symphony* Christopher D. Denny, 2016-11-01 Hans Urs von Balthasar one of the preeminent theologians of Roman Catholic theology in the modern era constructed a theological world suffused by the literary a vision carried across over 16 volumes of his magnum opus *A Generous Symphony* offers a balanced appraisal of Balthasar's literary achievement and explicates Balthasar's literary criticism as a distinctive theology of revelation which offers possibilities for understanding how divine presence may be manifested outside the canonical boundaries of Christian tradition The structure of *A Generous Symphony* is a chronological presentation of the Balthasarian canon of imaginative literature which allows readers to see how social and historical interests guide Balthasar's readings in the pre-Christian medieval and modern eras While other books have examined the systematic theology of Balthasar this book will examine the important question of how students of literature like Balthasar can be transformed into theologians by attending to the implicit presence of Christ in what Gerard Manley Hopkins poem *As kingfishers catch fire* called the ten thousand places Balthasar's deep investment in the uniqueness of Christian revelation is underlined while at the same time his aesthetic sympathies cause him to invest literature with quasi sacramental status

Piers Plowman and the Poetics of Enigma Curtis A. Gruenler, 2017-04-30 In this book Curtis Gruenler proposes that the concept of the enigmatic latent in a wide range of medieval thinking about literature can help us better understand in medieval terms much of the era's most enduring literature from the riddles of the Anglo-Saxon bishop Aldhelm to the great vernacular works of Dante Chaucer Julian of Norwich and above all Langland's *Piers Plowman* Riddles rhetoric and theology the three fields of meaning of *aenigma* in medieval Latin map a way of thinking about reading and writing obscure literature that was widely shared across the Middle Ages The poetics of enigma links inquiry about language by theologians with theologically ambitious literature Each sense of enigma brings out an aspect of this poetics The playfulness of riddling both oral and literate was joined to a Christian vision of literature by Aldhelm and the Old English riddles of the Exeter Book Defined in rhetoric as an obscure allegory enigma was condemned by classical authorities but resurrected under the influence of Augustine as an aid to contemplation Its theological significance follows from a favorite biblical verse among medieval theologians We see now through a mirror in an enigma then face to face 1 Cor 13:12 Along with other examples of the poetics of enigma *Piers Plowman* can be seen as a culmination of centuries of reflection on the importance of obscure language for knowing and participating in endless mysteries of divinity and humanity and a bridge to the importance of the enigmatic in modern literature This book will be especially useful for scholars and undergraduate students interested in medieval European literature literary theory and contemplative theology *The Divine Comedy of Dante Alighieri* Dante

Alighieri,1909 The Poetry of Dante's Paradiso Jeremy Tambling,2021-03-08 This book argues that Paradiso Dante's vision of Heaven is not simply affirmative It posits that Paradiso compensates for disappointment rather than fulfils hopes and where it moves into joy and vision this also rationalises the experience of exile and the failure of all Dante's political hopes The book highlights and addresses a fundamental problem in reading Dante the assumption that he writes as a Catholic Christian which can be off putting and induces an overly theological and partisan reading in some commentary Accordingly the study argues that Dante must be read now in a post Christian modernity It discusses Dante's Christianity fully and takes its details as a source of wonder and beauty which need communicating to a modern reader Yet the study also argues that we must read for the alterity of Dante's world from ours *The City of Poetry* David G. Lummus,2020-12-17 What did it mean to be a poet in fourteenth century Italy What counted as poetry In an effort to answer these questions this book examines the careers of four medieval Italian poets Albertino Mussato Dante Alighieri Francesco Petrarca and Giovanni Boccaccio who wrote in both Latin and the Italian vernacular In readings of defenses of poetry speeches and letters on public laurel crowning ceremonies and other theoretical and poetic texts this book shows how these poets viewed their authorship of poetic works as a function of their engagement in a human community Each poet represents a model of the poet as a public intellectual a poet theologian who can intervene in public affairs thanks to his authority within texts *The City of Poetry* provides a new historicized approach to understanding poetic culture in fourteenth century Italy which reshapes long standing Romantic views of poetry as a timeless and sublimely inspired form of discourse Possibilities of Lyric Manuele Gragnolati,Francesca Southerden,2020-11-17 Opening to passion as an unsettling transformative force extending desire to the text expanding the self and dissolving its boundaries imagining pleasures outside the norm and intensifying them overcoming loss and reaching beyond death being loyal to oneself and defying productivity resolution and cohesion while embracing paradox non linearity incompleteness These are some of the possibilities of lyric that this book explores by reading Petrarch's vernacular poetry in dialogue with that of other poets including Guido Cavalcanti Dante and Shakespeare In the Epilogue the poet Antonella Anedda Angiolini engages with Ossip Mandelstam and Paul Celan's dialogue with Petrarch and extends it into the present

Getting the books **Metaphysics Of Dantes Comedy** now is not type of inspiring means. You could not by yourself going gone books accrual or library or borrowing from your contacts to entry them. This is an completely simple means to specifically get guide by on-line. This online pronouncement Metaphysics Of Dantes Comedy can be one of the options to accompany you in imitation of having further time.

It will not waste your time. say yes me, the e-book will utterly atmosphere you further situation to read. Just invest little times to approach this on-line notice **Metaphysics Of Dantes Comedy** as competently as review them wherever you are now.

Metaphysics Of Dantes Comedy Introduction

Metaphysics Of Dantes Comedy Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Metaphysics Of Dantes Comedy Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Metaphysics Of Dantes Comedy : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Metaphysics Of Dantes Comedy : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Metaphysics Of Dantes Comedy Offers a diverse range of free eBooks across various genres. Metaphysics Of Dantes Comedy Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Metaphysics Of Dantes Comedy Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Metaphysics Of Dantes Comedy, especially related to Metaphysics Of Dantes Comedy, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Metaphysics Of Dantes Comedy, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Metaphysics Of Dantes Comedy books or magazines might include. Look for these in online stores or libraries. Remember that while Metaphysics Of Dantes Comedy, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Metaphysics Of Dantes Comedy eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Metaphysics Of Dantes Comedy full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Metaphysics Of Dantes Comedy eBooks, including some popular titles.

FAQs About Metaphysics Of Dantes Comedy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Metaphysics Of Dantes Comedy is one of the best book in our library for free trial. We provide copy of Metaphysics Of Dantes Comedy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Metaphysics Of Dantes Comedy. Where to download Metaphysics Of Dantes Comedy online for free? Are you looking for Metaphysics Of Dantes Comedy PDF? This is definitely going to save you time and cash in something you should think about.
