Jewish sources from this period **Approaches to Ancient Judaism** William Scott Green, 1983 **The Social Structure of the Rabbinic Movement in Roman Palestine** Catherine Hezser, 1997 While rabbinic literature enables us to know more about the rabbis than any of the other members of the Jewish population of Roman Palestine the social structure of the rabbinic movement remained largely unexplored In the present study Catherine Hezser combines a critical analysis of the available literary legal and epigraphic evidence with a selective employment of sociological models She examines the definition of the boundaries of the rabbinic movement deals with the nature of the relationships amongst rabbis and investigates the relationship between rabbis and their contemporaries that is students the community and the patriarch
