Mississippi Treasure Hunt:

Mississippi Treasure Hunt Taffy Cannon, 1996 THE DEEP SOUTH A LONG LONG WAY FROM MALIBU Vangie Bradley expects a lame vacation when she and her brother Jason fly from California to spend the summer with their dad Minnesota isn't exactly a hotbed of fun for thirteen year olds especially ones who like to streak their hair a different color every day Then Dad's eccentric great aunt leaves him her estate and the family takes off for Prestonburg Mississippi where it seems nothing has changed since the Civil War It's beyond boring until they find a secret letter hidden in an old desk with clues that may lead to a fortune The key is a hundred year old test of knowledge Suddenly Vangie is discovering all sorts of things she never knew existed And though it's really hard she refuses to give up After all how many people get the chance to find a genuine buried treasure

explores how Dakota Sioux students at Flandreau Indian School in South Dakota and at Pipestone Indian School in Minnesota generally accepted the idea that they should attend these particular boarding institutions because they saw them as a means to an end and ultimately as community schools This construct operated within the same philosophical framework in which some Eastern Woodland nations approached a non Indian education that was simultaneously tied to long term international alliances between Europeans and First Peoples beginning in the seventeenth and eighteenth centuries Landrum provides a new perspective from which to consider the Dakota people s overt acceptance of this non Native education system and a window into their ongoing evolutionary relationships with all of the historic overtures and tensions that began the moment alliances were first brokered between the Algonquian Confederations and the European powers
