Orthopara Novel Iii Passions Experiment:

Ortho-Para IV Wallace Salzman, *Ortho-Para* Wallace Salzman, 2003-09-01 This is the third Novel Treatise of a Trilogy which began with the Evolvment of Matter and the Universe and that of a young teacher and his students It was followed by the Evolvment of Life and Man and that of the same teacher his wife and his students who were 6 years older In this third volume we see the historic evolvment of Civilization and that of practicing professionals and graduate students who are ready to take over their respective professions Whereas the Novels speak to the maturation and professional growth of a group of teachers and students and the essential precipitating resistances and crises that guided the direction of their growth the Treatise 3 gives examples of the significant men and women of every Age who cleared the pathway for the eventual evolvment of Civilization We all should more comfortably relate to the specific heroes of the Novel than the representative stars of every Age discussed in the Treatise 3 But it is with a focus on both the specific and the general that we ll have a clearer vision of the effect of Ortho and Para dominances on human emotional growth and its effect on our public and private lives The Trilogy ultimately introduces and makes comprehensible a Compendium on Alternative or Integrative Medicine which is now in the writing phase *The Publishers' Trade List Annual* ,2000 **The Athenaeum** ,1870
