Playing Tahoe A Novel:

Playing Tahoe Sandra Hochman, 2017-05-02 Turner Publishing is proud to present a new edition of Sandra Hochman's *Playing Tahoe*. First published by Wyndham Books in 1981, Hochman's fifth novel is an unsparing and no holds barred look at the music business through the eyes of a woman who bets it all. From the Wyndham edition: At age forty she was America's greatest pop lyricist. From rock and roll through new wave, Sylvia Lundholm and her composer partner Nick Dimani made millions while creating the platinum records in which millions found the sound of their own longing and joy. Set against the background of the rock and roll music business in New York City and the casinos and hotels and ski lifts of Lake Tahoe, *Playing Tahoe* captures that specific moment in Sylvia Lundholm's life when she recognized that love was the one song she could not write and that only by breaking with the superhype celebrity of her career might she learn in the hands of her new lover Revson Cranwell, was the male courtesan every woman wanted. He was cold, well bred, indifferent. But he made her hot. She had everything else that money could buy. Now she wanted him. He was her song, her lover, her best friend. She would kill for him. But he would make that unnecessary. In Tahoe at Harrah's where Dimani is performing, Sylvia and Dimani meet to create a last great album that will cover the world with his music. But as the tendrils of Dimani's music threaten to clutch Sylvia back into the world, she is so desperate to leave the clash between her passion for Revson and Dimani's desperation for Sylvia's poetry erupts into cold blooded violence. *Playing Tahoe* will give you insight into the world of rock and roll and big casinos. But above all, it will teach you the games of a woman who, gambling for love, desperately wants to hold on to the richness of her own life. Sandra Hochman has created a novel that explores the guts of a woman in the midst of a change who will overturn the American Dream to follow a stranger, Revson, who is a new antihero of modern fiction. *Ten Billion Years to Armageddon. A novel dedicated to the future of mankind.* Herman Francis, Joy Angelyn, 2011-05-21 *Ten Billion Years to Armageddon* is a masterpiece novel, a timeless conflict spanning history from the dawn of time to the here and now, catching glimpses of man's future on planet earth and beyond. Authors Herman and Joya move their characters through a scenario in which the search for Truth and Answers about the universe are the central themes. At the same time, the main characters are planning to fleece 2 casinos simultaneously. Herman finished his manuscript in 1978; he was talking in his original manuscript about the Avatar, a Dear John letter, and Kingdom of Heaven long before Hollywood tycoons did. His novel can be classified as futuristic realism or fictional fantasy. He left the partly unfinished manuscript to his daughter Joya to complete. So the book became actually a cowritten work between father and daughter. Joya taking the development of the heist story mainly into account and the book adaptation I proudly present today. TBYA, the book denied to the public for more than 30 years. Joya *Fair Is Foul and Foul Is Fair (Malone Mystery Novels, #2)* Larry Darter, 2018-05-01 Combining a gorgeous socialite turned high class escort, a dark mystery, a murder or three, a wise cracking private investigator, and a transnational organized crime consortium is a recipe for a deadly mix.
