Plonkers Plaintiffs And Pleas:

Plonkers, Plaintiffs and Pleas Stephen D. Smith (Solicitor.),1998-01 Rumpole and His Rivals Peter Robson,2025-02-15
Rumpole and His Rivals examines comic legal fiction and the role it plays in the public's understanding of the legal system. The work focuses on the writings of eight lawyer authors over the past century and traces the different approaches taken in this form of comedic literature. Over sixty comic legal fiction books have been published in Britain between 1924 and 2024 with the desire of their authors not only to entertain but to inform, educate and create a valuable resource for anyone seeking to understand how and why the rule of law and legal profession have garnered the current reputation and level of confidence which they have. *Language and a Sense of Place* Chris Montgomery, Emma Moore,2017-05-25 Place has always been central to studies of language variation and change. Since the eighteenth century, dialectologists have been mapping language features according to boundaries both physical and institutional. In the twentieth century, variationist sociolinguists developed techniques to correlate language use with speakers' orientations to place. More recently, perceptual dialectologists are examining the cognitive and ideological processes involved in language-place correlations and working on ways to understand how speakers mentally process space. Bringing together research from across the field of language variation, this volume explores the extent of twenty-first century approaches to place. It features work from both established and influential scholars and up-and-coming researchers and brings language variation research up to date. The volume focuses on four key areas of research: processes of language variation and change across time and space; methods and datasets for regional analysis; perceptions of the local in language research; and ideological representations of place. *Plonkers Plaintiffs and Pleas* Stephen D. Smith (Solicitor.),1998 **Captivating Stories of Intrigue Comedy & Adventure** Paul Mitch,2018-11 A truly fascinating book that is blessed with an abundance of amazing stories that range from high adventure, hilarious comedy to mystery and intrigue.
