Over Hawaii

The young American suffered for weeks in the dungeons of the fort in the Kingdom of "Atoua," as Captain Cook had named the island of Kauai's.

RUSSIAN
FLAG OVER
HAWAII

A Stirring Tale of Old Kauai!

A vigorous adventure novel in which a young American engages to undo the grip of Russian filibusters on the Kingdom of Kauai. Kumbancha the Great and many other historical figures play their roles in a colorful love story.

"This is a colorful and lively tale romance-based on solid knowledge of Hawaii, past and present."

New York Times

"When you will find setting and atmosphere that have been better used up to now and a winning good love and adventure story to go with it. You'll also get a new perspective on the history of Hawaii a century and more ago. For Mr. Teichert has taken the pains to go to the source about this historical fact as well as his debt to popular fiction."

San Francisco Chronicle

"Mr. Teichert's style and plotting are simple, direct, and sensible. The action scenes carry the reader along with ease. Color of the land here in Kauai is supplied in requisite amounts and the love story is never too obvious. The historical setting is probably authentic, you can take it down where it is at least mostly a romance of which to hang an acceptably fast-moving adventure story."

Kuykendall, 2021-05-25 The colorful history of the Hawaiian Islands since their discovery in 1778 by the great British navigator Captain James Cook falls naturally into three periods During the first Hawaii was a monarchy ruled by native kings and queens Then came the perilous transition period when new leaders after failing to secure annexation to the United States set up a miniature republic The third period began in 1898 when Hawaii by annexation became American territory The Hawaiian Kingdom by Ralph S Kuykendall is the detailed story of the island monarchy In the first volume Foundation and Transformation the author gives a brief sketch of old Hawaii before the coming of the Europeans based on the known and accepted accounts of this early period He then shows how the arrival of sea rovers traders soldiers of fortune whalers scoundrels missionaries and statesmen transformed the native kingdom and how the foundations of modern Hawaii were laid In the second volume Twenty Critical Years the author deals with the middle period of the kingdom's history when Hawaii was trying to insure her independence while world powers maneuvered for dominance in the Pacific It was an important period with distinct and well marked characteristics but the noteworthy changes and advances which occurred have received less attention from students of history than they deserve Much of the material is taken from manuscript sources and appears in print for the first time in the second volume The third and final volume of this distinguished trilogy The Kalakaua Dynasty covers the colorful reign of King Kalakaua the Merry Monarch and the brief and tragic rule of his successor Queen Liliuokalani This volume is enlivened by such controversial personages as Claus Spreckels Walter Murray Gibson and Celso Caesar Moreno Through it runs the thread of the reciprocity treaty with the United States its stimulating effect upon the island economy and the far reaching consequences of immigration from the Orient to supply plantation labor The trilogy closes with the events leading to the downfall of the Hawaiian monarchy and the establishment of the Provisional Government in 1893 *Congressional Record* United States. Congress, 1995 **Ocean of Destiny** Arthur Lower, 2011-11-01 The modern history of the North Pacific began five hundred years ago when Europeans sailed into the ocean for the first time This discovery shaped the destinies of seven countries that now rim its Asiatic and North American shores Russia China Japan North Korea South Korea the United States and Canada Their history is an exciting epic of discovery the great expeditions of Marco Polo Drake and Magellan the quest for the spices of Cathay the early days of the fur trade the gold rush and the long treks westward across North America to first establish

Canadian and American possessions on the Pacific shore Rivalry and confrontation were part of this epic From the sixteenth to the nineteenth century European powers contested for the riches of the East and the West the wealth of the ocean and territory to sate colonial ambitions Since that time full blooded conflicts developed between Asian states and between Asia and the Western powers As a major trading power in the Pacific with no tradition of territorial expansion and as a respected peacekeeper Canada is in a unique position to view the history of the Pacific impartially This survey is doubly valuable not only as the first history of the North Pacific dealing with the concurrent events in the East and West but also as a history reflecting Canada s international outlook Annual Report Honolulu (Hawaii).
