Russian Civil War

WHAT YOU NEED TO KNOW

- Revolutions of 1917
- Rise of the Bolsheviks
- The two sides in the Civil War
- Defeat of the White forces
- The Polish Resistance
- Aftermath of the war

FACT FILE

Immediately after the two Revolutions of 1917, the Civil War broke out in the former Russian Empire. The two largest combatant groups fought over the control of Russia's political future: the Red Army, known as the Bolsheviks, under Vladimir Lenin's leadership, and the White Army which had foreign influence.

The Reds and Whites also faced resistance from rival militant socialists. The Bolsheviks' initial feats that led to the collapse of the republic were then countered by attacks backed by the Allied Powers. White resistance dwindled until it completely collapsed in 1923 and the Red Army came out victorious. When the war ended, several parts of the Russian empire became sovereign states whilst the rest consolidated into the Soviet Union.

Russian Civil War!

Red Army in Moscow

Russian Civil War Primary Sources

Raymond Pearson

Russian Civil War Primary Sources:

The Russian Civil War Brian Murphy, Felix Patrikeeff, 2000 A B Murphy uses translated documents from Russian archives to give fresh insight into the Russian civil war a struggle whose outcome defined much of the history of our time Areas covered include Soviet relations with the Don Cossacks the problems of securing supplies for the Red Army the issue of disloyalty of the two successful cavalry commanders Colonel Mironov and Sergeant Budyonny as well as a selection of documents from White sources

The Russian Civil War A. Murphy, 2000-08-17 Translated documents from Russian archives give fresh insight into the Russian civil war a struggle whose outcome defined much of the history of our time Areas covered include Soviet relations with the Don Cossacks the problems of securing supplies for the Red Army the issues of disloyalty of the two successful cavalry commanders Colonel Mironov and Sergeant Budyonny as well as a selection of documents from White sources Alongside those giving an overview of Soviet strategic planning a good proportion of these documents come from much more humble sources allowing the reader to feel directly the emotions the faith the zeal and sometimes the deceit of people living through those crucial years

Historical Dictionary of the Russian Civil Wars, 1916-1926 Jonathan D. Smele, 2015-11-19 This book is a detailed reference of the twentieth century struggles that were waged across and beyond the decaying Russian Empire at the end of the First World War as tsarism and democratic alternatives to it collapsed and the world's first Communist state the Union of Soviet Socialist Republics was born At the same time it is a necessary corrective to studies that have viewed events of the time as a unitary Russian Civil War that sprang from the Russian Revolution of 1917 Instead it contributes to the ongoing process of integrating the civil wars into a continuum of crises that wracked the Russian Empire and its would be successor states across a prolonged period The Historical Dictionary of the Russian Civil Wars 1916 1926 covers the history of this period through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has almost 2 000 cross referenced entries on individuals political and governmental institutions and political parties and military formations and concepts as well as religion art film propaganda uniforms and weaponry This book is an excellent access point for students researchers and anyone wanting to know more about the Russian Civil War

The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something

more than simply the creation of a communist state *Rostov in the Russian Civil War, 1917-1920* Brian Murphy, 2004-08-02
The documents in this book were collected from the archives in Rostov on Don and appear here for the first time in print with commentary from the author **Historical Dictionary of the Russian Revolution** Jonathan Davis, 2020-05-15
Historical Dictionary of the Russian Revolution focuses on the leading individuals ideas political parties and main events that were central to the transformation of Russia during the revolution The time period runs from January 1917 through to the Treaty of Brest Litovsk that took Russia out of the First World War in March 1918 It covers the main events ideas people and parties and takes the story of the revolution from the eve of the overthrowing of Tsar Nicholas II through to the Bolshevik seizure of power the first six months of Leninist rule and the Treaty of Brest Litovsk that ended Russia s involvement in the First World War Historical Dictionary of the Russian Revolution contains a chronology an introduction and an extensive bibliography The dictionary section has over 200 cross referenced entries on the revolutions the First World War political parties ideologies and individuals and the main events that defined the course of the Russian Revolution This book is an excellent resource for students researchers and anyone wanting to know more about the Russian Revolution **Politics and the Russian Army** Brian D. Taylor, 2003-06-09
Military coups have plagued many countries around the world but Russia despite its tumultuous history has not experienced a successful military coup in over two centuries In a series of detailed case studies Brian Taylor explains the political role of the Russian military Drawing on a wealth of new material including archives and interviews Taylor discusses every case of actual or potential military intervention in Russian politics from Peter the Great to Vladimir Putin Taylor analyzes in particular detail the army s behavior during the political revolutions that marked the beginning and end of the twentieth century two periods when the military was uncharacteristically heavily involved in domestic politics He argues that a common thread unites the late Imperial Soviet and post Soviet Russian army an organizational culture that believes that intervention against the country s political leadership whether tsar general secretary or president is fundamentally illegitimate **The Bolsheviks and Britain during the Russian Revolution and Civil War, 1917-24** Evgeny Sergeev, 2022-06-16
This book analyses the principal aspects of the relations between Soviet Russia USSR and Britain in the crucial phase of their formation namely the period from 1917 to 1924 Using previously unavailable and largely unknown archival records and memoirs published by statesmen diplomats and military commanders directly involved in the events Evgeny Sergeev not only reconstructs the dynamics of the interaction between Moscow and London but also strips its key episodes of common myths and stereotypes The most debatable issues to which this study draws its primary attention include Britain s role in the Entente armed intervention against the Bolshevik regime as well as a series of reciprocal attempts to avoid political controversies and London s contribution to humanitarian aid and the economic recovery of post revolutionary Russia Special consideration is also given to the impact of British diplomacy on the recognition of the USSR by other great powers like France Italy and Japan in the mid 1920s **Russia and Eastern Europe, 1789-1985** Raymond

Pearson, 1989 Primary Sources in Russian History John Etty, 2009

Embark on a breathtaking journey through nature and adventure with Crafted by is mesmerizing ebook, **Russian Civil War Primary Sources** .
