A decorative graphic element consisting of a light blue horizontal bar with a rounded right end, and a red circular gradient shape partially visible behind it.

Russian Phonetic Variants And Phonostylistics:

Russian Phonetic Variants and Phonostylistics Michael Shapiro, 1968 **Russian phonetic variants and phonostylistics**, 1968 **University of California Publications in Linguistics** Michael Shapiro, 1968 *A Reference Grammar of Russian* Alan Timberlake, 2004-01-22 This book treats aspects of grammar of Russian from writing phonology and morphology to syntax and aspect **The Use of the International Phonetic Alphabet in the Choral Rehearsal** Duane Richard Karna, 2012-09-13 The fusion of text with music is one of the most powerful methods by which a composer can express emotion to an audience yet all too often the diction of choral groups is lacking to such a degree as to make the text unintelligible So argues Duane R Karna who in *The Use of the International Phonetic Alphabet in the Choral Rehearsal* brings together 30 essays by experts from around the world to describe how the character symbols of the International Phonetic Alphabet IPA can be used by singers in the choral rehearsal In an effort to conquer one of the greatest challenges facing choral directors and their choirs contributors explore the use of the IPA system in a vast range of languages Readers will find essays devoted to the use of IPA on matters of lyric diction for the following tongues Baltic Languages Basque Brazilian Portuguese Chinese Dutch Ecclesiastical Latin English Finnish French Georgian German Germanic Latin Greek Hawaiian Hebrew Hungarian Italian Japanese Korean Norwegian Polish Romanian Russian Spanish Swahili and Swedish Holding firmly to the belief that basic instruction in IPA character is part of a choir's training Karna and his contributors see enormous potential for choirs to expand considerably their foreign language repertoire and save considerable rehearsal time *The Use of the International Phonetic Alphabet in the Choral Rehearsal* is the ideal primer for choral directors and choirmasters as well as choir members *Dutch Studies in Russian Linguistics*, 2023-07-10 **Papers from the Fifth International Conference on Historical Linguistics, Galway, April 6-10 1981** Anders Ahlqvist, 1982-01-01 This volume presents a selection of the best papers from the Fifth International Conference on Historical Linguistics ICHL which was held in Galway April 6-10 1981 These papers provide an overview of work in the field of historical linguistics covering a wide variety of topics and languages *The Speaking Self: Language Lore and English Usage* Michael Shapiro, 2017-02-28 This book aims to explain social variation in language otherwise the meaning and motivation of language change in its social aspect It is the expanded and improved 2nd edition of the author's self-published volume with the same title based on revised and adapted posts on the author's LanguageLore blog Each vignette calls attention to points of grammar and style in contemporary American English especially cases where language is changing due to innovative usage In every case where an analysis contains technical or recondite vocabulary a Glossary precedes the body of the essay and readers can also consult the Master Glossary which contains all items glossed in the text The unique form of the book's presentation is aimed at readers who are alert to the peculiarities of present-day American English as they pertain to pronunciation grammar and style without dumbing down or compromising the language in which the explanations are couched b Praise for the First Edition Michael

Shapiro is one of the great thinkers in the realm of linguistics and language use and his integrated understanding of language and speech in its semantic and pragmatic structure grammatical and historical grounding and colloquial to literary stylistic variants is perhaps unmatched today This book is a treasure to be shared Robert S Hatten The University of Texas at Austin Jewel of a book a gift to us all from Michael Shapiro Like a Medieval Chapbook it can be a kind of companion whose vignettes on language use can be randomly and profitably consulted at any moment Some may consider these vignettes opinionated That would be to ignore how deeply anchored each vignette is in Shapiro s long and rare polyglot experience with language It could well serve as a night table book taken up each night to read and reflect upon to ponder both in the twilight mind and in the deeper reaches of associative somnolence There is nothing else like it that I know of James W Fernandez The University of Chicago

Morphology: Morphology: its place in the wider context Francis Katamba, 2004 This six volume collection draws together the most significant contributions to morphological theory and analysis which all serious students of morphology should be aware of By comparing the stances taken by the different schools about the important issues the reader will be able to judge the merits of each with the benefit of evidence rather than prejudice

Historical Morphology Jacek Fisiak, 2011-08-02 TRENDS IN LINGUISTICS is a series of books that open new perspectives in our understanding of language The series publishes state of the art work on core areas of linguistics across theoretical frameworks as well as studies that provide new insights by building bridges to neighbouring fields such as neuroscience and cognitive science TRENDS IN LINGUISTICS considers itself a forum for cutting edge research based on solid empirical data on language in its various manifestations including sign languages It regards linguistic variation in its synchronic and diachronic dimensions as well as in its social contexts as important sources of insight for a better understanding of the design of linguistic systems and the ecology and evolution of language TRENDS IN LINGUISTICS publishes monographs and outstanding dissertations as well as edited volumes which provide the opportunity to address controversial topics from different empirical and theoretical viewpoints High quality standards are ensured through anonymous reviewing
