Ruth St. Denis Ruth St. Denis, 1939 **Ruth St. Denis, an Unfinished Life** Ruth St. Denis, 1969 *The Cultivation of Body and Mind in Nineteenth-Century American Delsartism* Nancy Ruyter, 1999-09-30 This study chronicles the American adaptation of the theory and practice of the French acting singing and aesthetics teacher Francois Delsarte Delsartism was introduced in the United States by Steele Mackaye Delsarte's only American student American Delsartism with its emphasis on physical culture and expression differed significantly from Delsarte's works in France The system evolved from professional training for actors and orators to a means of physical culture and expression that became popular among middle and upper class American women and girls It allowed nineteenth century women to pay attention to their bodies to explore their own physicality and to perform in a socially acceptable venues In its later manifestations Delsartism influenced the innovative dance of such artists as Isadora Duncan Ruth St Denis and Ted Shawn Biographical information on the most notable figures in the development of American Delsartism is presented along with a discussion of the spread of Delsartism throughout the United States and to Germany The Delsartean approach to training and expression is traced from Delsarte and Mackaye through the theory teaching and performance of Genevieve Stebbins the most notable American proponent of the system This work will appeal to scholars of dance history and of late nineteenth century women's studies Theater historians will appreciate the detailed account of the system as developed and taught by Steele Mackaye as training for actors Although Delsartism has been acknowledged as relevant to the history of modern dance scant information and research has previously been published which explores the movement in depth and discusses its importance to women's physical and cultural education in nineteenth century America Photographs illustrate the text and an extensive bibliography serves as a useful guide for further research **Library of Congress Catalog** Library of Congress, 1973 Beginning with 1953 entries for Motion pictures and filmstrips Music and phonorecords form separate parts of the Library of Congress catalogue Entries for Maps and atlases were issued separately 1953 1955 *Reconstructing the Body* Ana Carden-Coyne, 2009-08-20 From the ashes of war rose beauty eroticism and the promise of utopia Ana Carden Coyne investigates the cultures of resilience and the institutions of reconstruction in Britain Australia and the United States

Biographical Books, 1950-1980 R.R. Bowker Company. Department of Bibliography, 1980 **Dancing Class** Linda J. Tomko, 2000-01-22 This look at Progressive era women and innovative cultural practices blazes a new trail in dance scholarship Choice Outstanding Academic Book of the Year From salons to dance halls to settlement houses new dance practices at the turn of the twentieth century became a vehicle for expressing cultural issues and negotiating matters of gender By examining master narratives of modern dance history this provocative and insightful book demonstrates the cultural agency of Progressive era dance practices Tomko blazes a new trail in dance scholarship by interconnecting U S History and dance studies the first to argue successfully that middle class U S women promoted a new dance practice to

manage industrial changes crowded urban living massive immigration and interchange and repositioning among different classes Choice *Ted Shawn* Paul A. Scolieri, 2019-11-01 In January 1969 just months before the Stonewall Riots Ted Shawn 1891 1972 wanted to tell a story about how his life writings and dances contributed to the rapidly evolving gay liberation movement around him Shawn died before he was able to put forth a candid account about how he the Father of American Dance was homosexual but he scrupulously archived his correspondence diaries photographs and motion pictures of his dances anticipating that the full significance of his choreography would reveal itself in time Ted Shawn His Life Writings and Dances tells that story **Gymnastics, a Transatlantic Movement** Gertrud Pfister, 2013-10-18 This book explores analyses and explains divergent ideologies and practices of gymnastics in selected European nations It reconstructs the export and import processes from Europe to America and determines the processes interrelationships and transformations of these transatlantic movements in their new home country The book offers a more complete understanding of the role of gymnastics and expressive movements in cultural and ideological transmission over time and identifies the impact of these concepts on American physical education sports systems and sports cultures The main focus of the book lies in the two decades before and after World War I This concentration on a specific historical epoch allows us to identify parallel but also different developments of the various forms of gymnastics and of the transfer and implementation processes The volume covers the transfer and impact of German Turnen Czech Sokol and the Delsarte system in North America In addition it traces the influences of French gymnastics in South America and describes the tours of the world renowned Danish gymnastic reformer Nils Bukh in both Americas A focus will be the import of gymnastics but also on the adaption processes of these different concepts and their integration into the American culture This book was previously published as a special issue of the International Journal of the History of Sport Performing Arts Books, 1876-1981 ,1981
