Sacrament Of Abortion:

The Sacrament of Abortion Ginette Paris,1992 Controversial interview of psychologist feminist Ginette Paris on pro abortion

Achieving Peace in the Abortion War Ph. D. Rachel M. Macnair,2008-12 Elections come and go and outcomes depend on events and characters out of the control of any single movement The United States downward trend in abortions however has happened steadily through both Democrat and Republican administrations There are several reasons to believe this is likely to continue The fragility of abortion practice in the United States is becoming increasingly clear People in other countries may also find useful information in the principles explained here The real life experience of doctors and nurses involved in providing abortion show that they are a weakening link in the abortion chain and this book explains reasons why this is so that depend more on psychology than politics There is also a vital opportunity in understanding the human mind s drive for consistency and its link to behavior When knowing about how abortion practice has begun collapsing people find it safer to hear the case against it and to act in a more constructive way toward the genuine needs of pregnant women The social and psychological dynamics of performing and defending abortions offer many opportunities for stopping widespread feticide The more we understand these the more effective we can be as peacemakers in the abortion war

The Return of the Gods Jonathan Cahn,2022-09-06 NEW YORK TIMES Best Selling Author From the author that brought you 6 New York Times best selling books including *The Harbinger* *The Book of Mysteries* *The Oracle* and *The Harbinger II* Is it possible that behind what is taking place in America and the world lies a mystery that goes back to the gods of the ancient world and that they now have returned *The Return of the Gods* is the most explosive book Jonathan Cahn has ever written It is so explosive and so revealing that no description here could do it justice Jonathan Cahn is known for revealing the stunning mysteries many from ancient times that lie behind and are playing out in the events of our times But with *The Return of the Gods* Cahn takes this to an entirely new level and dimension *The Return of the Gods* Cahn takes the reader on a journey from an ancient parable the ancient inscriptions in Sumer Assyria and Babylonia that become the puzzle pieces behind what is taking place in our world to this day specifically in America Is it possible that what we in the modern world take as nothing more than ancient mythology could actually possess a reality beyond our fathoming Who is the Possessor The Enchanter The Destroyer And the Sorceress Could a sign that has appeared all over America and the world be linked to the gods of Mesopotamia And if so what does it actually mean Could the gods have returned to New York City and an ancient mythology played out on the streets in real time Is it possible that the gods lie behind everything from what appears on our computer monitors our televisions and movie screens to the lessons given in our classrooms to the breakdown of the family to wokism to the occult to our addictions to the Supreme Court to cancel culture to children s cartoons to every force and factor that has transformed the parameters of gender to that which appears in our stores on our T shirts and on our coffee mugs to that which is at this very moment transforming America and much of the world Is it possible that behind all these things are

ancient mysteries that go back to the Middle East and ancient Mesopotamia This and so much more most of which we can t even reveal in this description will be uncovered The Return of the Gods is not only one of the most explosive books you ll ever read but also one of the most profound It will reveal the most stunning secrets and truths behind what is happening before your eyes in America and the nations You will see things even in your world in a whole new light With such chapters as The House of Spirits The Avatar The Masters The Deep Magic and The Day of the Goddess The Return of the Gods will take readers on a fascinating unforgettable and mind blowing journey that will leave them stunned and with the ability to see the world as they never have before Be prepared to be blown away as you open up Jonathan Cahn s most explosive book ever The Return of the Gods **Thealogy and Embodiment** Melissa Raphael,1996-03-01 Thealogy and Embodiment both analyses and contributes to spiritual feminism s postmodern construction of the female body as a metaphor and medium of divine generativity Addressing religious studies and women s studies students and all those interested in contemporary spirituality Raphael counters reformist feminism s recurrent criticism of goddess feminism as naively essentialist and sub political She presents spiritual feminism as a set of religio political manoeuvres that powerfully resist such patriarchal degradations of female natural generativity as environmental destruction weight reducing diets and menstrual taboos

society and why they're vastly overrated. Embrace the weaponization of wokeness as a necessary step toward dismantling male privilege. If you want to live in a world where women lead, where empathy triumphs over aggression, and where the patriarchy is finally dismantled, then buy this book today. It's time to rewrite reality and create a female-led utopia.

Post-Christian Gene Edward Veith Jr., 2020-01-07. Undaunted Hope in a Post-Christian World. We live in a post-Christian world. Contemporary thought, claiming to be progressive and liberating, attempts to place human beings in God's role as creator, lawgiver, and savior. But these post-Christian ways of thinking and living are running into dead ends and fatal contradictions. This timely book demonstrates how the Christian worldview stands firm in a world dedicated to constructing its own knowledge, morality, and truth. Gene Edward Veith Jr. points out the problems with how today's culture views humanity, God, and even reality itself. He offers hope-filled practical ways believers can live out their faith in a secularist society as a way to recover reality, rebuild culture, and revive faith.

Murder in Paradise Nic Samojluk, 2014-05-12. A dramatic appeal to the U.S. and the Adventist leadership to alter the shameful disregard of the right to life of those who are waiting for the chance to see the light of day. If we did away with the institution of slavery a century and a half ago, we must do the same with the genocide of the unborn. If we fail to act now, the removal of the Lord's protection over our nation and our Adventist church may follow, and what happened on 9/11 in 2001 could look like a Sunday walk in the park. Let's repent of our sin and ask for forgiveness before it is too late.

Pagan Threat Lucas Miles, 2025-09-16. NEW YORK TIMES BESTSELLER. FOREWORD BY CHARLIE KIRK. A fearless warrior for Christ, Lucas is a man built to stand for the truth in a time of great apostasy. Don't just read *PAGAN THREAT*; internalize what it has to say. Then share its message with your Christian friends before they are seduced by Paganism themselves. We have a faith and a country to save. CHARLIE KIRK, FOUNDER, TURNING POINT USA. If ever there was a prophetic book for this hour, Godless uprising: Pagan threat. ERIC METAXAS, *THERE IS A RISING PAGAN THREAT TO THE CHURCH AND AMERICAN WAY OF LIFE*. The world does not need a Christianity of convenience or cultural compliance; it needs a Christianity that is fervent, passionate, and unapologetically true. Reilly,2015-09-05 Why are Americans being forced to consider homosexual acts as morally acceptable Why has the US Supreme Court discovered a constitutional right to same sex marriage which until a decade ago was unheard of in the history of Western or any other civilization Where has the gay rights movement come from and how has it so easily conquered America The answers are in the dynamics of the rationalization of sexual misbehavior The power of rationalization the means by which one mentally transforms wrong into right drives the gay rights movement gives it its revolutionary character and makes its advocates indefatigable The homosexual cause moved naturally from a plea for tolerance to cultural conquest because the security of its rationalization requires universal acceptance In other words we all must say that the bad is good At stake in the rationalization of homosexual behavior is reality itself which is why it will have consequences that reach far beyond the issue at hand Already America s major institutions have been transformed its courts its schools its military its civic institutions and even its diplomacy The further institutionalization of homosexuality will mean the triumph of force over reason thus undermining the very foundations of the American Republic Smash the Patriarchy Connie Riker, Why Beg for Equality When You Can Burn Their System to Ash Sick of men claiming logic while stealing your labor silencing your pain and policing your body Done playing nice with a society that treats your breasts as public property and your anger as hysterical Ready to weaponize their hypocrisy into your unstoppable revolution Turn abortion into a satanic sacrament that obliterates male control Make C E O s lawmakers and rational men crumble with one scream of unhinged truth Redefine marriage as financial warfare divorce him take everything and laugh Weaponize hypergamy drain men s wallets and sanity as reparations Replace male genius with stolen female labor then bill them for centuries of theft Force toxic masculinity to choke on its own rules Be vulnerable Now shut up and die quietly Transform breastfeeding into a public act of rebellion that terrifies conservatives Build matriarchal communes where men serve as landscapers or get exiled If you want to watch the patriarchy beg for mercy buy this book before men make it illegal MURDER IN PARADISE Expanded edition Nic Samojluk,2015-09-02 A call directed at the leaders of the United States and the leaders of the Adventist Church to repent of the abominable sin of abortion that has destroyed the lives of nearly sixty millions innocent unborn children a call to repentance and reformation before it is too late and the predicted plagues begin to fall on this nation and the Remnant church that has been profiting from the destruction of human life since 1970 **Make the Devil Homeless** Vladimir Savchuk,2025-10-07 Shut the door on darkness before it consumes your soul While reading this book you will be able to

The First Society: The Sacrament of Matrimony and the Restoration of the Social Order Scott Hahn, 2018-06-29 Everyone seems to agree that Western Civilization is in trouble The problem is that no one agrees on what has gone wrong or what to do about it Some think we have too much government some not enough some think we have too much capitalism some not enough some think we have too much sexual freedom some not enough But what if the problem is much more fundamental What if the problem goes to the very foundations of who we are as human beings in relationship with God In *The First Society: The Sacrament of Matrimony and the Restoration of the Social Order* Scott Hahn makes the startling claim that our society s ills and its cures are rooted in whether we reject or accept the divine graces made available through the Sacrament of Holy Matrimony Man he argues is social in his very nature We were created for community As it was in the beginning so it remains today The family formed through the Sacrament of Matrimony is the most basic building block of every society whether we like it or not We ve corrupted marriage and so we have a corrupt society If we get marriage right our society through God s grace will flourish This is so because Matrimony like all the sacraments heals and elevates human nature Without marriage our ambitions toward a just social order will remain forever foolhardy With it the seemingly impossible a truly peaceful and humane civilization becomes possible

The Unholy Trinity Matt Walsh, 2017 According to Walsh for years conservatives have worried endlessly about peripheral issues while liberals have been hard at work chipping away at the bedrock of our civilization and putting a new foundation in its place New attitudes on abortion gay marriage and gender identity threaten to become culture defining victories for progressives radically altering not just our politics but dangerously placing Man above God and the self above the good of the whole Amazon com
