Sacred Fragments Recovering Theology For The Modern Jew:

Sacred Fragments Neil Gillman, 1990 The modern Jew living in a world of shattered beliefs and competing ideologies is often confronted with questions of faith Sacred Fragments is for those who still care enough to continue the struggle In forthright nontechnical language the author addresses the most difficult theological questions of our time and shows that there are still viable Jewish answers for even the greatest skeptics

Sacred Fragments Neil Gillman, 1990 **Sacred Fragments**, 1990 **Doing Jewish Theology** Neil Gillman, 2008 God Torah Israel *Searching for God* Joan Burstyn; Gershon Vincow, 2011-08-04 The authors of Searching for God Study Partners Explore Contemporary Jewish Texts introduce self directed hevruta a novel twist on the traditional Jewish path of in depth learning with a study partner Together they choose the most challenging topic of all searching for God and explore five contemporary Jewish texts that present several approaches mysticism rationalism nontraditional Judaism metaphors from science and character development These spiritual seekers are lay people Joan Burstyn is an historian and poet Gershon Vincow is a scientist and community leader They study discuss teach each other and draw conclusions The result of this study partnership is a transformative learning experience about Judaism and the search for God This touching and inspiring account of the commitment of two friends to study texts and share their insights with each other on behalf of their own and each other s connection to holiness could well be titled Thinking as a Spiritual Path Celebrating intellect as an instrument of prayer this book will serve as a template for seekers across religious traditions who long for a spiritual practice that satisfies their minds as it gladdens their hearts Sylvia Boorstein author of Happiness Is an Inside Job Practicing for a Joyful Life This book successfully probes the most basic questions anyone should ask What do I mean when I use the word God And how does the answer affect the way I live Edward D Zinbarg board member Jewish Theological Seminary Rabbinical School author of Faith Morals and Money What the World s Religions Tell Us about Ethics in the Marketplace [The Modern Jewish Experience](#) Jack Wertheimer, 1993-01-01 The pace of scholarly research and academic publication in fields of Judaica has quickened dramatically in the second half of the twentieth century The major consumers and producers of this new scholarship are found in Jewish Studies programs that have proliferated at institutions of higher learning around the world since the 1960s From the vantage point of the nineties it is difficult to fathom that until thirty years ago Jewish studies courses were mainly limited to a few elite universities rabbinical seminaries and Hebrew teachers colleges Today there are few colleges at public or private insitutions of higher learning that do not sponsor at least some courses on aspects of Jewish study In light of this explosion of research on Jewish topics non specialists and educators can benefit from guidance through the thicket of new monographs source anthologies textbooks and scholarly essays The Modern Jewish Experience the result of a multi year collaboration between the International Center for the University Teaching of Jewish Civilization and the Jewish Theological Seminary of America offers just such guidance on a range of issues pertaining to modern Jewish history culture religion and society With contributions

from two dozen leading scholars The Modern Jewish Experience presents practical information and guidelines intended to expand the teaching repertoire for undergraduate courses on modern Jewish life as well as a means for college professors to enrich and diversify their courses with discussions on otherwise neglected Jewish communities social and political issues religious and ideological movements and interdisciplinary perspectives Sample syllabi are also included for survey courses set in diverse linguistic settings An indispensable resource for undergraduate instruction this volume may also be used to great profit by educators of adults in synagogue and Jewish communal settings as well as by individual students engaged in private study

Approaching the World's Religions, Volume 1 Robert Boyd, 2017-05-04 Philosophically Thinking about World Religions is different from other works in the discipline today It deviates from the typical approaches used for the study of world religions Its goal is to engage readers in thinking hard about world religions not about the data surrounding those traditions By focusing on philosophical questions each reader should be challenged to do their own investigations that may reveal the heart of these traditions Another stance that this project takes that distinguishes it from other texts in the discipline is that it advocates an inclusivist perspective regarding the world religions Pluralism which is the predominate assumption today ends either in contradiction or in the development of a metatheory that dismisses crucial distinctions between the various traditions or eliminates some ancient religions because they do not fit the metatheory By taking an open inclusivist approach all religious traditions may engage at the table of dialogue The final essay is about justice and social affairs While that discussion is couched within the context of a particular tradition each religious tradition must have the discussion But it must be more than an intrareligious dialogue it must become an interreligious dialogue

An Introduction to Modern Jewish Thinkers Alan T. Levenson, Roger C. Klein, 2006-02-13 Highlighting well known Jewish thinkers from a very wide spectrum of opinion the author addresses a range of issues including What makes a thinker Jewish What makes modern Jewish thought modern How have secular Jews integrated Jewish traditional thought with agnosticism What do Orthodox thinkers have to teach non Orthodox Jews and vice versa Each chapter includes a short judiciously chosen selection from the given author along with questions to guide the reader through the material Short biographical essays at the end of each chapter offer the reader recommendations for further readings and provide the low down on which books are worth the reader's while Introduction to Modern Jewish Thinkers represents a decade of the author's experience teaching students ranging from undergraduate age to their seventies This is an ideal textbook for undergraduate classes

Doing Jewish Theology Rabbi Neil Gillman, PhD, 2011-02-07 An Intellectually Rich and Challenging Exploration of Modern Jewish Theology How we deal with revelation determines how we handle the issue of authority in belief and practice How we understand authority determines how we deal with the claims of the tradition on us how we deal with those claims determines how we shape our own Judaism That conclusion opens the gate to a reconsideration of all of Judaism's theology in particular how we understand God for God is at the heart of Torah from the Introduction With clarity and passion award

winning teacher author and theologian Neil Gillman captures the power of Jewish theological claims and reveals extraordinary insights into Jewish identity the purpose of religion and our relationship with God Drawing from Judaism s sacred texts as well as great thinkers such as Mordecai Kaplan Abraham Joshua Heschel and Paul Tillich Gillman traces his theological journey over four decades of study beginning with his own understanding of revelation He explores the role of symbol and myth in our understanding of the nature of God and covenant He examines the importance of community in both determining authority and sanctifying sacred space By charting the development of his own personal theology Gillman explores the evolution of Jewish thought and its implications for modern Jewish religious identity today and in the future

Settings of Silver Stephen M. Wylen, 2014-05-14 Provides a comprehensive and easy to understand overview of Judaism as the belief system and way of life of the Jewish people
