Sacred Nature Ancient Wisdom And Modern Meanings:

Sacred Nature Adrian Cooper, 1998 **Adventure Tourism** Colin Beard, John Swarbrooke, Suzanne Leckie, Gill Pomfret, 2012-05-16 Looking at the past present and future of adventure tourism Adventure Tourism the new frontier examines the product the adventure tourist profile and issues such as supply geography and sustainability International case studies are used to illustrate these issues including Gorilla watching holidays Trekking on Mount Everest Diving holidays and Outward Bound packages Analysis of the development and nature of adventure tourism accompanies these studies ensuring that the title is useful both for undergraduate and postgraduate students of tourism and for professionals involved in managing adventure tourism enterprises There is also a companion website with additional cases which can be found at www.bh.com/companions/0750651865 **Environment and Sustainable Development** Seema Sahdev, Manish Kumar, 2018-01-01 Since the Industrial Revolution the Environmental impact of economic activities have far exceeded the regenerative capacities of earth s ecosystems resulting in degradation of environment which poses a serious threat to our own existence We need to understand innovative approach for enhance material with less resource use for achieving sustainable development In the present book the contributors have put in serious research work to cover a wide range of issues relating to environmental management and problems concerning resource depletion And have also made several important recommendations for the implementation of policies by which the processes of development can become sustainable The book will contribute towards understanding strategies for policy makers administrator and NGOs to work towards strengthening the capacities for sustainable development at all levels **Asian Sacred Natural Sites** Bas Verschuuren, Naoya Furuta, 2016-08-12 Nature conservation planning tends to be driven by models based on Western norms and science but these may not represent the cultural philosophical and religious contexts of much of Asia This book provides a new perspective on the topic of sacred natural sites and cultural heritage by linking Asian cultures religions and worldviews with contemporary conservation practices and approaches The chapters focus on the modern significance of sacred natural sites in Asian protected areas with reference where appropriate to an Asian philosophy of protected areas Drawn from over 20 different countries the book covers examples of sacred natural sites from all of IUCN s protected area categories and governance types The authors demonstrate the challenges faced to maintain culture and support spiritual and religious governance and management structures in the face of strong modernisation across Asia The book shows how sacred natural sites contribute to defining new more sustainable and more equitable forms of protected areas and conservation that reflect the worldviews and beliefs of their respective cultures and religions The book contributes to a paradigm shift in conservation and protected areas as it advocates for greater recognition of culture and spirituality through the adoption of biocultural conservation approaches **Heathen Paths** Pete Jennings, 2007 A detailed researched and inspired book on Norse and Anglo Saxon tradition Paganism This book is written from a different perspective to other books published on

aspects of what is known variously as Asatru The Northern Tradition and Odinism to present a handbook of accumulated data so that people can read and interpret it for themselves aided by sometimes conflicting or complementary opinions clearly labelled enabling the reader to develop and adapt their own theories and practices rather than have them laid out by someone else Where possible Pete compares more than one source of information Trying to subjectively observe a movement from within whilst being a part of it oneself is a delicate path to tread but in this book Pete does an admirable job separating them from the historical data being presented
