Sacred Parenting How Raising Children Shapes Our Souls:

Sacred Parenting Gary Thomas, 2009-05-26 Parenting is a school for spiritual formation and our children are our teachers The journey of caring for rearing training and loving our children will profoundly alter us forever Sacred Parenting is unlike any other parenting book you have ever read This is not a how to book that teaches you ways to discipline your kids or help them achieve their full potential Instead of discussing how parents can change their kids Sacred Parenting turns the tables and demonstrates how God uses our kids to change us You've read all the method books Now take a step back and receive some much needed inspiration You'll be encouraged by stories that tell how other parents handled the challenges and difficulties of being a parent and how their children transformed their relationship with God Sacred Parenting affirms the spiritual value of being a parent showing you the holy potential of the parent child relationship **Sacred Parenting Pack** Gary Thomas, 2010-12 In this six session video based small group bible study Gary Thomas uses a unique lens to look at parenting moving beyond raising great children to becoming more holy as a person What if one of God's primary intentions for you as a parent isn't about successfully raising perfect children but about you becoming more holy In Sacred Parenting Gary Thomas illustrates how God can transform lessons in raising children into opportunities to grow in the image of Christ It will help you and your group rediscover parenting from a different perspective as a method of spiritual formation expressly designed by God to shape your soul in ways you could not imagine This study will help you dig deeper into learning how God can transform dirty diapers toddler tantrums and a teenager's silence into occasions for becoming more like Christ Sessions include The Soul Transforming Journey of Parenting God Centered Parenting The Hardest Hurt of All Embracing Our Insignificance Walking on the Wild Side of Parenting The Gold Behind the Guilt This pack contains one guide and one DVD

Sacred Parenting Gary Thomas, 2017-08-29 Parenting is a school for spiritual formation and our children are our teachers The journey of caring for rearing training and loving our children profoundly alters us forever Even when the journey is a rough one God uses the experience to train shape and love us Sacred Parenting is unlike any other parenting book on the market This is not a how to book that teaches readers the ways to discipline their kids or help them achieve their full potential Instead of a discussion about how parents change their children Sacred Parenting demonstrates how God uses children to change their parents Stepping beyond the overly tilled soil of method books parents can learn a whole new side of parenting You'll be encouraged by stories that tell how other parents handled the challenges and difficulties of being a parent and how their children transformed their relationship with God The lessons that Gary Thomas bestselling author of Sacred Marriage offers are timeless But in this edition Thomas adds in some additional insights and stories that he's learned and lived over the past fifteen years of his own parenting He has found that the lessons have remained much the same but there are new applications for the readers in this generation who are just now coming to his book **Sacred Influence** Gary L. Thomas, 2009-05-26 God calls women to influence and move their husbands in positive ways Applying the concepts

from his bestseller *Sacred Marriage* Gary Thomas offers a view through a man's eyes Here's the inside scoop on what men find motivating with inspiring real life stories of women who are employing this knowledge to transform their marriages *Sacred Influence* doesn't flinch from difficult marital problems But by using this faith focused approach you'll see how to help your husband become the man God intends him to be At the same time God will shape you to be the woman he designed you to be God has given godly women a wonderful power to influence and encourage their husbands What's the secret This book will provide challenges examples and hope to women who want to love their husbands well and be loved well in return
