**Manifest Sacred Birth** Ishtara Blue, 2013-11-26 Intuitive Birthing a term coined by Ishtara is not about right and wrong ways of birthing but to help you access your intuition easily in order to birth how it is right for you to birth By following the Manifest Sacred Birth Programme you can birth connected and tuned in to follow your unique body signals and intuition so that your birth can be blissful and pain free If you are in a sacred place you hear your intuition easily so you can open your light womb up wide When you cannot hear the inner voice you act from a place of fear you are scared It is this fear which blocks the birth hormones from being released and prevents you from opening up your womb easily and without pain The key intuitive birthing techniques which are an integral part of the 40 day programme include visualisation mantra meditation ceremony and more and are designed for regular practise from around week twenty of the pregnancy but to familiarise yourself with from before that time then to use during the actual birth itself You can use the Intuitive Birthing techniques contained within this programme for many other birthing and pregnancy issues resolve conception difficulties release heal and forgive past birth trauma or use them to connect to your intuition as a parent Packed full of birthing visualisations this is the ultimate book in Spiritual Birth I followed the programme in 2011 and used it to deal with issues that arose during my meditations and unexpectedly healed old wounds as well as my relationship then went onto have an even more beautiful and wonderful birth than the one I imagined and asked for Thank you Ishtara for these tools to joyfully birth our beautiful baby girl Christa Rose therapist This is a beautiful and intuitive book exploring the spiritual approach to birth preparation Connection with your baby is the primary focus of this gentle programme by Ishtara Blue encouraging each mother to envision and create her ideal birth using visualisation and empowerment techniques drawing wisdom from a variety of traditional and New Age sources Claire Arnold doula

**Sacred Birthing,** Sunni Karll, 2020-07-20 Sacred Birthing Birthing A New Humanity book is my journey as a midwife and how I was shown that there was more to birthing babies than just that tiny beautiful baby It is really all about consciousness not only for the baby but also for the parents In the first edition published in 2003 I just had to write down all the stories realizations and understanding that was inside me Then I had to grow up and come of age As I grew What about the baby was always my question as I heard birth becoming more and more about medical procedures technology drugs and pain But I kept thinking what must it feel like to the baby We need to think about the pristine delicate sensitive baby who is experiencing her out of the belly life for the first time And so Soul Needs that which upholds a baby s radiance were honored and highlighted to enunciate this Babies Soul Needs turned everything around and placed the priorities correctly This makes it clear for its the baby s birth Not the moms We had our own birth This is our baby s birth and we are here to do all we can for their birth to be its best Sacred Birthing Insights are the principles for parent s actions to support their baby s highest birth These bring

parents into coherence with their baby's needs. If we wish to go into a new direction, new choices must be made in order to turn the corner away from the old loop and into new possibilities. This can only be created when we jump out of the box of birth as it is. Are we able to let go of all its outdated stories? If it is true that there is a new kind of birth for the Master Souls coming, then we wish to do all we can to implement the softest birth for our baby. By refining our understanding of what each soul needs from us to anchor rightly into life, we can offer what they need by the way we give birth. Our goal is to honor and protect a baby's energetic excellence so that each is well born and a pristine newborn is received. This is a stepping stone into that new paradigm of birth. Instead of being birthed into pain, what if a baby were born into rushes of bliss? What if joy and gratitude were the feelings mom authentically expresses? What if mom could sing out her baby as a gift to the Earth? There are so many options of love that can cradle your baby on her journey. What it takes is for us to shift the way we think and feel. Our baby's highest birth will take our willingness and the absolute strength of intention. Are we ready to trust that there is a delicious way to give birth that better supports this baby's life? Are we willing to be in the place of not knowing how it will happen but trusting it will? Our Wise Self and Guardians have been waiting for our request to determine our own higher paradigm of birth. Then, as we stand back expectantly, nature will lead the way. And when one of us and then another and another creates this higher paradigm of birth, then the hundredth monkey jumps in and it's real for everyone. It's already happening.

*The Herbalist's Guide to Pregnancy, Childbirth and Beyond* Carole Guyett, 2022-04-28 A comprehensive manual of holistic herbal therapeutics for pregnancy, childbirth, and the postpartum period. The book is based on the author's experience and knowledge gained during 35 years of clinical practice in the UK and Ireland and is written for herbalists and herbal students as well as birth keepers, midwives, doulas, and other health professionals. Packed with practical examples, the book describes the author's personal therapeutic approach, reflecting how herbs and a holistic approach can support women and their babies from the time of conception until the months following childbirth. The various stages of childbearing are clearly explained with details of conditions encountered in practice and the safe herbal treatments and supportive care that practitioners can provide. Throughout history, medicinal plants have played a significant role during childbearing, and the accessible and extensive material in this book aims to equip practitioners with the skills and confidence to continue this valuable age-old tradition.

*EMBODIMENT* E.S. Amchin, 2012-04-25 A Divinely inspired visionary work. Embodiment can be defined as a state of manifestation, integration, unification, or incarnation—all terms that may be used to describe this state of Being and the profound connection and relationship of the Creator and the Creation. It is a book conceived in celebration of the awakening of the Sacred Embodied Soul. Interpreted as written, this material is self-evident, stimulating awareness of the evolving spiritual nature which provides an anchor for the Soul Life's continuing journey. Embodiment is a Sacred Birthing guide in its true sense, as the means in which human existence becomes the product of the process by which out of Spirit an Awakened Soul is Born. This collection of writings was crafted for all who seek the answers to Life's origins, supporting the

eternal mothering aspects of the Human Soul by adding personal reflective insights into understanding this enlightened connection that leads to true Soul Self Awareness Embodiment challenges and expands the human intelligence to investigate in a spiritual perspective that which has its origins in the archives of human history and folklore The keys to unlock these spiritual truths are found in the presence of the intangible Sacred Essence that emanates a reflection of the Creator s Heart of Love and Sustenance which presents itself within the Human Soul s Life Experience To this quest the author has taken up the Banner of Faith and Trust in the ultimate search to discover an immortal connection between the Human Soul and its Divine Source

**Birth Space, Safe Place** Adela Stockton, 2012-06-01 Focusing on the wide spectrum of feelings that may arise when with child this companion to the emotional journey caused by pregnancy birth and early parenting offers informative resources and homeopathic remedies for both parents to be and childbirth practitioners With advice about laying fears to rest keeping birth gentle and protecting the baby moon this hand held doula

helps couples face the choices on their journey to parenthood as well as adjust to their new roles as parents all the while emphasizing the spiritual journey of birth by putting the mother's emotional and spiritual needs before her physical requirements. Proposing that the experience of childbirth has the capacity to nourish rather than deplete the soul, the book encourages women to take responsibility for their own birthing process and to surrender to their own instinctive powers rather than to those of medical intervention.

**THE FIFTH WIFE** PARKER BELLA SULLIVAN, 2025-08-23 *The Fifth Wife* is a sweeping tale of love, power, and survival set against the grandeur and shadows of ancient Kemet. When Pharaoh claims a new wife, Neferet, she quickly learns that beauty and favor in the palace are both a blessing and a curse. Behind the gold and silks lie secrets, betrayals, and rivalries that can turn deadly. As Neferet navigates the jealousies of queens and concubines, she must decide whether to bend to the weight of tradition or rise as a woman of her own strength and destiny. Rich with passion, intrigue, and the timeless struggle between duty and desire, *The Fifth Wife* brings to life a world of royal courts, dangerous love, and the hidden resilience of women. Readers who enjoy historical drama filled with romance, danger, and unforgettable heroines will be captivated by this story. Step into the palace. Every glance is a test. Every whisper hides a dagger. And one woman dares to claim her place among the Pharaoh's wives.

**Give Birth a Chance** Ilia Blandina, 2018-02-20 Don't Talk Yourself Out of a VBAC. Do you have a deep desire to give vaginal birth after having had a c-section? VBAC. It is a powerful guide to get yourself ready for an empowered birth experience, whether you have had a c-section before or not. Read this book.

**Psychedelic Mysteries of the Feminine** Maria Papaspyrou, Chiara Baldini, David Luke, 2019-04-30 An exploration of the connections between feminine consciousness and altered states from ancient times to present day. Explores the feminine qualities of the psychedelic self, ancient female roots of shamanism, and how altered states naturally tap into the female archetype. Discusses feminist, psychedelic activism, female ecstasies, goddess consciousness, the dark feminine, and embodied paths to ecstasy. Includes contributions by Martina Hoffmann, Amanda Sage, Carl Ruck, and others. Women have been shamans since time immemorial, not only because women have innate intuitive gifts but also because the female body is wired to more easily experience altered states such as during the process of birth. Whether female or male, the altered states produced by psychedelics and ecstatic trance expand our minds to tap into and enhance our feminine states of consciousness as well as reconnect us to the web of life. In this book, we discover the transformative powers of feminine consciousness and altered states as revealed by contributors both female and male, including revered scholars, visionary artists, anthropologists, modern shamans, witches, psychotherapists, and policy makers. The book begins with a deep look at the archetypal dimensions of the feminine principle and how entheogens give us open access to these ancient archetypes, including goddess consciousness and the dark feminine.

The contributors examine the female roots of shamanism including the role of women in the ancient rites of Dionysus the Eleusinian Sacrament and Norse witchcraft They explore psychedelic and embodied paths to ecstasy such as trance dance holotropic breathwork and the similarities of giving birth and taking mind altering drugs Looking at the healing potential of the feminine and altered states they discuss the power of plant medicines including ayahuasca and the recasting of the medicine woman archetype for the modern world They explore the feminine in the creative process and discuss feminist psychedelic activism sounding the call for more female voices in the psychedelic research community Sharing the power of femtheogenic wisdom to help us move beyond a patriarchal society this book reveals how feminine consciousness when intermingled with psychedelic knowledge carries and imparts the essence of inclusivity interconnectedness and balance our world needs to heal and consciously evolve

Atrahasis and Sumerian Origins Riddick Dawson, 2025-10-26 Atrahasis and Sumerian Connections unlocks one of the oldest and most influential origin stories in human history Long before the Book of Genesis or the Epic of Gilgamesh ancient Sumerian tablets told of rebellious gods the creation of humanity from clay and divine blood and a catastrophic flood that nearly erased the world This book explores the Atrahasis Epic not as a myth isolated in time but as the foundational blueprint of later religious and cultural traditions across the ancient Near East Drawing from archaeological findings cuneiform scholarship and comparative mythology it reveals how stories of divine labor human purpose and cosmic balance first took shape beneath the shadow of Sumer's ziggurats Through a vivid and accessible narrative readers will discover how themes from Atrahasis echo across civilizations the clay formed human the divine breath of life the burden of toil the justice of the gods and a flood sent to reset creation itself This book traces the journey of these early ideas from Sumer to Akkad Babylon and beyond ultimately influencing biblical theology and the worldview of millions Atrahasis and Sumerian Connections offers a powerful look into the moment humanity entered the cosmic stage revealing that our oldest stories still shape our deepest questions about who we are why we work and what the gods expect of us
