Sacred Link Modes Of Communicating With The Divine:

Sacred Link Modes Of Communication With The Divine Joseph Patmury, 1996 *Spiritual Instructions on the Holy Eucharist* Thomas Thellusson Carter, 1870 Bulletin - Christian Institute for the Study of Society, 1996 **Cosmic Connection** Carole Lynne, 2009-03-24 In a bold departure from her earlier books medium and psychic Carole Lynne shares the story of her own growing revelation of the interconnected interplanetary cosmic energy that flows around and through us all that is indeed the stuff we are made of Experience Carole Lynne's journey of a lifetime as she goes into an altered state of consciousness and brings messages from My Guidance and The Energy Receive a glimpse into the nature of the spiritual forces that have created us and continue to manifest life Evolution is not over The future of our world depends on our abilities to evolve in a positive way to let go of our egos to realize that we are not separate beings and to evolve to a consciousness that finds poverty pollution and war unthinkable We are responsible for the future But how can we change in order to have better personal lives and to make better choices for our world As we approach 2012 and a seeming meltdown of economic and societal infrastructures more and more people are turning to other realms for solace advice and the tools they need to live every day In the past when this has happened during the Great Depression or WWI for example a great deal of material from other realms was given to us Carole Lynne's work joins that of her predecessors and her contemporaries in providing that information for tomorrow's world **Journal of Dharma**, 1996 **The Handbook of Religion and Communication** Yoel Cohen, Paul A. Soukup, 2023-02-22 Provides a contemporary view of the intertwined relationship of communication and religion The Handbook of Religion and Communication presents a detailed investigation of the complex interaction between media and religion offering diverse perspectives on how both traditional and new media sources continue to impact religious belief and practice across multiple faiths around the globe Contributions from leading international scholars address key themes such as the changing role of religious authority in the digital age the role of media in cultural shifts away from religious institutions and the ways modern technologies have transformed how religion is communicated and portrayed Divided into five parts the Handbook opens with a state of the art overview of the subject's intellectual landscape introducing the historical background theoretical foundations and major academic approaches to communication media and religion Subsequent sections focus on institutional and functional perspectives theological and cultural approaches and new approaches in digital technologies The essays provide insight into a wide range of topics including religious use of media religious identity audience gratification religious broadcasting religious content in entertainment films and religion news reporting about religion race and gender the sex religion matrix religious crisis communication public relations and advertising televangelism pastoral ministry death and the media online religion future directions in religious communication and more Explores the increasing role of media in creating religious identity and communicating religious experience Discusses the development and evolution of the communication practices of various

religious bodies Covers all major media sources including radio television film press digital online content and social media platforms Presents key empirical research real world case studies and illustrative examples throughout Encompasses a variety of perspectives including individual and institutional actors academic and theoretical areas and different forms of communication media Explores media and religion in Judeo Christian traditions Islam Buddhism Hinduism religions of Africa Atheism and others The Handbook of Religion and Communication is an essential resource for scholars academic researchers practical theologians seminarians mass communication researchers and undergraduate and graduate students taking courses on media and religion Religion and Society ,1997 **How Religion Evolved** Brian McVeigh,2017-07-12 Why did many religious leaders Moses Old Testament prophets Zoroaster claim they heard divine voices Why do ancient civilizations exhibit key similarities e g the living dead treating the dead as if they were still alive speaking idols care and feeding of effigies monumental mortuary architecture and houses of gods pyramids ziggurats temples How do we explain strange behaviour such as spirit possession speaking in tongues channelling hypnosis and schizophrenic hallucinations Are these lingering vestiges of an older mentality Brian J McVeigh answers these riddles by updating bicameralism First proposed by the psychologist Julian Jaynes this theory postulates that an earlier mentality existed a human the brain s left hemisphere heard voices of gods or ancestors the brain s right hemisphere Therefore ancient religious texts reporting divine voices were recounting of audio visual hallucinations a method of social control when early populations expanded As growing political economic complexity destabilized god governed states in the late second millennium BCE divine voices became inadequate Eventually humans had to culturally acquire new cognitive skills modern religions to accommodate increasing social pressures selves replaced the gods and history witnessed an inward turn This psychological interiorization of spiritual experience laid the foundations for the world s great religions and philosophies that arose in India China Greece and the Middle East in the middle of the first millennium BCE Lange's Commentary of the Holy Scriptures Johann Peter Lange,2024-08-28 the original 63 volumes set are now reduced to 9 volumes We have completed volumes 1 6 9 which are the New Testament Lord willing during 2023 2024 we will try to complete volumes 2 5 which are the Old Testament This volume was published between 1867 1874 In contrast to the extreme skeptical critical mode which came to characterize much of German scholarship in the 19th century Lange represented a more traditional conservative and Evangelical approach shared in common with men such as E W Hengstenberg He was also a Reformed minister and the Commentaries reflect this combination of conservative criticism Evangelical theology and homiletics in a way that is unique For each passage that is covered a consistent approach is adopted throughout After giving the text in translation along with textual notes as footnotes three different kinds of commentary are presented EXEGETICAL AND CRITICAL DOCTRINAL AND ETHICAL HOMILETICAL AND PRACTICAL This gives you three times the value For each verse you select a drop down box will appear allowing you to choose from each of these areas or kinds of commentary For detailed analysis go to the exegetical critical notes for sermon
