Schlesinger, 2016-12-15 The twenty first century church cannot afford to neglect mission When church and culture no longer share a common outlook the only way forward is mission Pope Francis recognizes this in his call for a missionary conversion of the church Responding to this invitation is a constructive work in ecclesiology addressing the relationship between liturgy and mission in the church's life It advances a notion of the church grounded in both liturgy and mission where neither is subordinated to nor collapsed into the other The church's liturgical rites disclose and enact the church's identity as a missionary community Close examination of the sources at the heart of traditional communion ecclesiology Trinitarian theology the sacraments of initiation and eucharistic theology yields an ecclesiology in which the church is constituted by both liturgy and mission These are two distinct ways of participating in the triune life of God which is revealed in the paschal mystery The church's pilgrimage to God's kingdom takes it through the world in mission The church as the body of Christ is given away to God and to the world for the world's salvation The result is a contemporary restatement of traditional ecclesiology transposed into a missional key **The Oxford Dictionary of the Christian Church** Frank Leslie Cross, Elizabeth A. Livingstone, 2005 Uniquely authoritative and wide ranging in its scope The Oxford Dictionary of the Christian Church is the indispensable one volume reference work on all aspects of the Christian Church It contains over 6 000 cross referenced A-Z entries and offers unrivalled coverage of all aspects of this vast and often complex subject including theology churches and denominations patristic scholarship the bible the church calendar and its organization popes archbishops saints and mystics In this revision innumerable small changes have been made to take into account shifts in scholarly opinion recent developments such as the Church of England's new prayer book Common Worship RC canonizations
