Sade et ses masques

Sade Et Ses Masques

Walter D. Redfern

Sade Et Ses Masques:

Writing the Orgy Lucienne Frappier-Mazur, 2016-11-11 Writing the Orgy provides an innovative highly persuasive interpretation of eroticism in the Marquis de Sade's writing. Combining literary theory with methodologies borrowed from anthropology, history and psychoanalysis, the book is a brilliant feminist reading of a text. The Story of Juliette often characterized as brutally aggressive and pornographic.

Yukio Mishima et ses masques Stephane Giocanti, 2021-02-10 Pour le monde entier Yukio Mishima 1925-1970 n'est pas seulement un visage symbolique du Japon, il est avant tout l'un des plus grands écrivains du XXe siècle. L'auteur de Confession d'un masque, Le Pavillon d'Or et de La mer de la fertilité. Cependant, depuis sa mort spectaculaire, les erreurs, les clichés et les récupérations ont foisonné, alors que de nombreuses pages, notamment les traductions, demeurent non traduites. Il est temps d'apporter au public francophone un éclairage suffisamment synthétique et renouvelé qui tienne compte des sources japonaises et internationales. Vu de loin et de près, aucun écrivain n'a autant baigné dans un tel fleuve de contradictions. Ivre d'Eros et travaillé par Thanatos, fidèle et infidèle aux samouraïs classiques et romantiques, la fois idéaliste et gay, malade du nihilisme, finalement en prise avec la plus grande source spirituelle du Japon, le bouddhisme, Mishima n'a cessé de multiplier les masques. Les uns pour se cacher, les autres pour se révéler. Autant de chemins qui nous font accéder à ses romans, son théâtre, sa critique et sa troublante personnalité artistique.

The Taming of Romanticism Virgil Nemoianu, 1984 Looking at a broad spectrum of writers English, French, German, Italian, Russian and other East Europeans, Virgil Nemoianu offers here a coherent characterization of the period 1815-1848. This, he calls, the era of the domestication of romanticism. The explosive, visionary core of romanticism is seen to give way after the defeat of Napoleon to an expanded and softer version reflecting middle class values. This later form of romanticism is characterized by moralizing efforts to reform society, a sentimental yearning for the tranquility of home and hearth, and persistent faith in the individual alongside a new skepticism, shattered ideals and consequent irony. Expanding the application of the term Biedermeier, which has been useful in describing this period in German literature, Nemoianu provides a new framework for understanding these years in a wider European context.

Blank Darkness Christopher L. Miller, 1985 Blank Darkness Africanist Discourse in French is a brilliant and altogether convincing analysis of the way in which Western writers from Homer to the twentieth century have imposed their language of desire on the least known part of the world and have called it Africa. There are excellent readings here of writers ranging from Baudelaire, Rimbaud, Sade and Claudine to Conrad and Yambo Oulougouem, but even more impressive and important than these individual readings is Mr. Miller's wide-ranging incisive and exact analysis of Africanist discourse: what it has been and what it has meant in the literature of the Western world. James Olney, Louisiana State University.

The Shadow of Dionysus Michel Maffesoli, 1993-01-01 Maffesoli presents a powerful argument for understanding everyday life by examining the passionate logic that animates the social body. He asserts that the circulation of sexuality, as much as the circulation of goods and services or language, is a structural component of sociality. By

examining the dionysian adventure passion bonds of shared emotion communal feeling he redefines the problems of sociality and the strong hedonistic ethics present in contemporary daily life **The Marquis de Sade** Lawrence W. Lynch,1984

Georges Darien: Robbery and Private Enterprise Walter D. Redfern,2023-11-27 Faux Titre est une collection d'études en littérature française Depuis cinquante ans d'ailleurs elle offre une sélection d'essais de haute envergure couvrant l'ensemble du domaine de la recherche littéraire de la littérature médiévale jusqu'à l'extrême contemporain La collection offre également une plateforme pour de nouvelles pistes de recherche comme les études de traduction les littératures minoritaires les études du genre et queer l'écologie les sciences humaines médicales études hémisphériques études transatlantiques études de réseaux et sciences sociales ainsi que des réflexions sur les études en littérature française en tant que discipline Faux Titre is a longstanding book series for state of the art research in the field of French language literature Besides the more classical research in French literature covering the field of Medieval Studies to XXth century literature the series offers a platform for new directions in literary studies in relation to translation studies minority literatures gender and queer studies ecology medical humanities hemispheric studies transatlantic studies network studies and social sciences as well as reflections on studies in French literature as a discipline Authors are cordially invited to submit proposals and or full manuscripts to the publisher at BRILL Christa Stevens Please advise our Guidelines for a Book Proposal *Catalog of Copyright Entries.
