Sadhana Rabindranath Tagore, 2023-06-11 Embark on a spiritual journey with Rabindranath Tagore s *Sadhana* a collection of profound essays that delve into the understanding of self realization inner growth and spiritual enlightenment As a seminal work by the Nobel laureate *Sadhana* draws from Tagore s profound understanding of the Vedantic and Upanishadic teachings to offer insights into the essence of human existence *Sadhana* which translates to spiritual practice encapsulates Tagore s exploration of the journey of spiritual awakening and the individual s relationship with the universe The book intricately weaves themes of love humanity and unity with the cosmos advocating a sense of

interconnectedness and oneness that transcends religious boundaries With its thought provoking discussions on concepts like the manifestation of the divine in everyday life and the infinite within the finite Sadhana invites readers to introspect to explore their inner selves and to aspire towards a higher state of consciousness It proposes that true enlightenment and fulfillment come not from material possessions but from understanding and embracing the infinite expanse of the cosmos within one's own soul Sadhana is more than just a book it is a spiritual guide for those seeking to understand the profound depths of their existence and their purpose in the universe It invites the reader to look beyond the constraints of their physical existence and embark on a path of spiritual enlightenment Perhaps it is well for me to explain that the subject matter of the papers published in this book has not been philosophically treated nor has it been approached from the scholar's point of view The writer has been brought up in a family where texts of the Upanishads are used in daily worship and he has had before him the example of his father who lived his long life in the closest communion with God while not neglecting his duties to the world or allowing his keen interest in all human affairs to suffer any abatement So in these papers it may be hoped western readers will have an opportunity of coming into touch with the ancient spirit of India as revealed in our sacred texts and manifested in the life of today *Sadhana, Or the Realisation of Life* Rabindranath Tagore, 2003-11-01

Mastering Sadhana Carlos G. Valles, 1988-08-01 In one's quest for God one must realize that there is nothing to search for or attain How can you search for what is right before your eyes How can you attain what you already possess What is called for here is not effort but recognition Anthony de Mello A spiritual director of the first order Anthony de Mello has touched countless persons worldwide through his bestselling books the first of which was *SADHANA A WAY TO GOD* His

deceptively simple teachings on prayer meditation and self realization through his writings workshops retreats and spiritual therapy courses have profoundly changed the lives of those who have experienced him In MASTERING SADHANA a close friend and associate shares in detail not only personal reminiscences and conversations but in fact de Mello s own words as recorded by Valles during a fifteen day retreat in India which was the last conducted by Anthony de Mello Here in essay form are teachings on love suffering the self and the non self change awareness role playing and more in sum a guide to the SADHANA way of life
