and sacred duty to assert their independence No one who reads this book can possibly be indifferent to the just struggle of the Southern Cameroons for sovereign statehood **Fawkes** Nadine Brandes,2018-07-10 Guy Fawkes s son must join his father s plot to kill the king in this magical retelling of the Gunpowder Plot that will sweep you back in time to a divided England where plagues turn victims to stone In 17th century London two forces rule the people the color powers and the Stone Plague Brown masks can manipulate wood Black masks control the night And red masks Well red is the color of blood Thomas Fawkes s Color Test is upon him and he is sure his father the infamous Guy Fawkes will present him with a mask and Thomas will finally bond with a color He desperately hopes for a gray mask so he can remove the stone that has invaded his body and will ultimately take his life But when Guy refuses to give Thomas his mask or even his presence Thomas has no place in school or society His only hope is to track down his father and demand a mask to regain what he s lost But his father has other plans to kill the king Thomas must join forces with his father if he wants to save his own life When his errands for the cause bring him time and again to Emma Areben a former classmate Thomas is exposed to a whole new brand of magic And Emma doesn t control just one color she controls them all Emma wants to show Thomas the full power of color magic but it goes against everything his father is fighting for If Thomas sides with his father he could save his own life which would destroy Emma and her family To save one he must sacrifice the other No matter Thomas s choice one thing is clear once the decision is made and the color masks have been put on there s no turning back Praise for Fawkes An imaginative colorful tale about choosing for yourself between what s right and what others insist is the truth Cynthia Hand New York Times bestselling author of My Lady Jane Hold on to your heart as this slow burning adventure quickly escalates into an explosion of magic love and the truth about loyalty Mary Weber bestselling author of the Storm Siren Trilogy and To Best the Boys Full length young adult historical fantasy Includes discussion questions for book clubs Also by Nadine Brandes Romanov and Wishtress coming September 2022 **Nickelodeon** ,1915 Bridge Secrets Revealed Pasquale De Marco,2025-07-16 Discover the secrets to mastering bridge with this comprehensive guidebook crafted for aspiring players seeking to elevate their skills and achieve bridge greatness Embark on a journey through the world of bridge from its captivating history and evolution to the intricate strategies and techniques that define the game Unravel the art of bidding the cornerstone of bridge strategy as you learn to assess your hand communicate effectively with your partner and make informed decisions that set the stage for success Delve into the intricacies of playing your hand mastering different card combinations developing game plans and navigating difficult situations with finesse Explore the psychological aspects of bridge understanding the importance of maintaining a positive attitude dealing with pressure and staying focused Learn to read your opponents minds anticipate their strategies and gain a mental edge that will lead you to victory As you progress on your bridge journey uncover advanced techniques and strategies that will transform you into a formidable player Master innovative bidding techniques tackle difficult hands with ease and adapt your strategies to different situations with confidence Avoid common
