**The Secular Miracle** 'Alī Rāhnamā, Farhād Nu'mānī, 1990      The Secular Miracle 'Alī Rāhnamā, 1990      **Between Dissent and Power** K. Teik, V. Hadiz, Y. Nakanishi, 2014-06-29 This study examines the collective progression of Islamic politics between points of dissent and positions of power It brings about a more a serious understanding of Islamic politics by critically tracing the pathways by which Islamic politics has been transformed in the Middle East and Asia      **Marxist Historiographies** Q. Edward Wang, Georg G. Iggers, 2015-07-16 Marxist Historiographies is the first book to examine the ebb and flow of Marxist historiography from a global and cross cultural perspective Since the eighteenth century few schools of historical thought have exerted a more lasting impact than Marxism and this impact extends far beyond the Western world within which it is most commonly analysed Edited by two highly respected authors in the field this book deals with the effect of Marxism on historical writings not only in parts of Europe where it originated but also in countries and regions in Africa Asia North and South America and the Middle East Rather than presenting the chapters geographically it is structured with respect to how Marxist influence was shown in the works of historians in a particular area This title takes a dual approach to the subject some chapters are national in scope addressing the Marxist impact on historical practices within a country whereas others deal with the varied expressions of Marxist historiography throughout a wider region Taking a truly global perspective on this topic Marxist Historiographies demonstrates clearly the breadth and depth of Marxism s influence in historical writing throughout the world and is essential reading for all students of historiography      **The Baha'is of Iran ,**

**The Baha'is of Iran** Dominic Parviz Brookshaw, Seena B. Fazel, 2012-10-02 The Baha i community of Iran is the country s largest non Muslim religious minority This collection of essays presents a comprehensive study of the social and historical development of the Baha i community and its role in shaping modern Iran Central to this study is the pioneering character of the Baha i community in the late 19th and early 20th century with chapters examining the role of women in the Baha i community the impact of Baha i run schools on Iranian society Baha i contributions to public health initiatives and the influence of Baha i thought and the actions of individual Baha is on the Constitutional Revolution of 1906 1911 Conversion to the Baha i Faith is another important theme as contributors investigate the phenomenon of large scale conversion to the Baha i Faith from the Jewish and Zoroastrian communities Finally although persecution of the Baha is has drawn the attention of the Western media until now few scholars working in the field of Iranian studies have chosen to write on the history or details of this persecution Here five prominent figures in the field redress this balance and look at different aspects of this persecution including its historical background the attitude of secular Iranians persecution before and after the Islamic Revolution of 1979 and human rights perspectives This book will be of interest to students and scholars of Iranian studies Middle Eastern studies and comparative religion and with many chapters authored by leading academics in Iranian studies The Baha is of Iran addresses both a gap in academic literature on the Baha i Faith and in the study of modern Iran in

general **Israel and the Cold War** Howard A. Patten, 2013-02-12 In the wake of its creation in 1948 the state of Israel was confronted with the challenge of establishing foreign relations with key players in the region in the face of opposition from most of the Arab states Howard Patten explores the genesis and development of Israel's foreign relations with Iran Turkey and Ethiopia known as the Policy of the Periphery Highlighting the pragmatism and Realpolitik at the heart of this policy Israel and the Cold War analyses the national interests and mutual concerns which shaped relations and strategy at the United Nations during the critical moments of the establishment of the State of Israel and the following forty years before the ramifications of the Iranian Revolution became apparent During this period Israel made efforts to create pragmatic alliances behind closed doors at the UN even as ambivalence and hostility reigned in the public sphere Patten thus examines the implications that the Cold War system of ideological combat had on these attempts to maintain implicit yet cordial understandings as world events such as the Suez Crisis of 1956 successive crises over Cyprus and the Ethiopian and Iranian Revolutions tested the Policy of the Periphery Israel and the Cold War traces the development of Israel's relations with these three states from their initial beginnings to consolidation then rejection and subsequent efforts to realign Patten highlights the extensive diplomatic and military reverberations that occurred throughout the region and the way in which these were played out at the UN Based primarily on UN documents this book is a vital primary resource for those researching the period in question and the formulation of foreign policy in the Middle East *The to Z of Iran* John H. Lorentz, 2010-04-14 Alphabetically arranged entries cover key individuals major events important institutions and organizations and significant economic political social religious and cultural issues **Human Rights, the UN and the Bahá'ís in Iran** Nazila Ghanea-Hercock, 2021-10-25 This book provides the first comprehensive assessment of the contribution of the United Nations to the human rights situation of the Bahá'ís in Iran It does this by examining the theoretical legal institutional and political dimensions of this issue in detail The situation of the Bahá'í community in Iran between 1979 and 2002 provides a particularly good test case for the international community due to its clarity By giving attention to a singular case within a discrete time frame this book is able to effectively examine the impact of UN human rights protection Attention is given in this study to the clash between religion and human rights the protection of freedom of religion or belief in international law the workings of UN human rights charter based and treaty bodies and their various mechanisms and recommendations for the resolution of the Bahá'í human rights situation in Iran **A History of Social Justice and Political Power in the Middle East** Linda T. Darling, 2013-05-02 From ancient Mesopotamia into the 20th century the Circle of Justice as a concept has pervaded Middle Eastern political thought and underpinned the exercise of power in the Middle East The Circle of Justice depicts graphically how a government's justice toward the population generates political power military strength prosperity and good administration This book traces this set of relationships from its earliest appearance in the political writings of the Sumerians through four millennia of Middle Eastern culture It explores how people conceptualized and acted upon this powerful insight

how they portrayed it in symbol painting and story and how they transmitted it from one regime to the next Moving towards the modern day the author shows how although the Circle of Justice was largely dropped from political discourse it did not disappear from people s political culture and expectations of government The book demonstrates the Circle s relevance to the Iranian Revolution and the rise of Islamist movements all over the Middle East and suggests how the concept remains relevant in an age of capitalism A must read for students policymakers and ordinary citizens this book will be an important contribution to the areas of political history political theory Middle East studies and Orientalism *Iran* Anoushiravan Ehteshami, 2017-02-03 The Islamic republic s 1969 moment The Arab uprisings Rouhani aims to open up new horizons Success of nuclear diplomacy Geopolitical uncertainties shape policy Conclusion Conclusion Bibliography Index **Islam and Dissent in Postrevolutionary Iran** Behrooz Ghamari-Tabrizi, 2008-04-08 The Islamic Republic of Iran came into being in 1979 the result of a radical revolution that overhauled not only the foundations of Iranian society religion and politics but also our understanding of the role of religion in modern government Here Behrooz Ghamari Tabrizi takes us on an enlightening journey showing that contrary to widespread assumptions the Iranian revolution opened up the public sphere to competing interpretations of Islam with profound consequences for the nature of democratic reform Ghamari Tabrizi sheds new light on the contingencies within which the new regime evolved and traces the steps by which the clerical establishment sought to consolidate power during the immediate postrevolutionary period Contrary to the received view he argues that the ruling class failed to institute a theocratic regime and more significantly unintentionally established the grounds for civic challenges to government policies underwritten by official interpretations of Islam Far from being the exclusive preserve of high ranking seminarians interpretations of doctrinal Islam in contemporary Iran now form a contested varied and negotiated discourse in which lay theologians intellectuals lawyers and social activists are active and influential interlocutors Against the background of this unexpected development Ghamari Tabrizi addresses the early and late works of Abdolkarim Soroush an Iranian philosopher who has become one of the most influential Muslim intellectuals in recent years a leading force behind Iran s pro democracy movement and vocal critic of the state Through a close reading of Soroush s evolving ideas and of the works of Ali Shari ati and by tracing the links between Muslim intellectual critique and the realpolitik of postrevolutionary power struggles Ghamari Tabrizi offers nothing less than a pathbreaking reassessment of the Iranian revolution In so doing he demonstrates how democratic transformation in Muslim societies has taken place by means of a public engagement with the teachings of Islam and highlights a most significant if unintended consequences of the Iranian revolution namely the secularization of Islam Drawing on a wealth of sources and with powerful insights Islam and Dissent is essential for an understanding of the Muslim world today and of the new relationships between religion culture and political power visible across the globe *Political, Social and Cultural History of Modern Iran* H. E. Chehabi, **Islamic Fundamentalism** Abdel Salam Sidahmed, 2018-02-07 The phenomenon of political Islam continues to dominate the political

and social map of the Arab world with the increasingly open struggle between ruling elites and Islamists becoming the main source of political instability in many states This volume offers an in depth analysis of the rise of Islamic and fundamentalist movements in the Middle East and North Africa Through detailed case studies the contributors examine the various manifestations of political Islam highlighting differences across movements and evaluating the varying circumstances in which they arise They also assess the influence of such movements on the emerging post Cold War order in the region and consider questions of a general nature such as Islamic state theories and the impact of Islamism on international relations

**Islam and the Everyday World** Sohrab Behdad, Farhad Nomani, 2006-11-22 This is a new examination of how Shari a law affects public policy both theoretically and in practice across a wide range of public policy areas including for example human rights and family law The process by which public policy is decided through elections debates political processes and political discourse has an additional dimension in the Islamic world This is because Shari a divine law has a great deal to say on many mundane matters of everyday life and must be taken into account in matters of public policy In addition matters are complicated further by the fact that there are differing interpretations of the Shari a and how it should be applied to contemporary social issues Written by leading experts in their field this is the first comprehensive single volume analysis of Islam and public policy in the English language and offers further understanding of Islam and its wider social and political implications

*The Martyrs of Karbala* Kamran Scot Aghaie, 2011-12-01 This innovative study examines

patterns of change in Shi'i symbols and rituals over the past two centuries to reveal how modernization has influenced the societal political and religious culture of Iran. Shi'is who support the Prophet Muhammad's progeny as his successors in opposition to the Sunni caliphate tradition make up 10 to 15 percent of the world's Muslim population, roughly half of whom live in Iran. Throughout the early history of the Islamic Middle East, the Sunnis have been associated with the state and the ruling elite, while Shi'is have most often represented the political opposition and have had broad appeal among the masses. Moharram symbols and rituals commemorate the Battle of Karbala in 680 CE, in which the Prophet Muhammad's grandson Hoseyn and most of his family and supporters were massacred by the troops of the Umayyad caliph Yazid. Moharram symbols and rituals are among the most pervasive and popular aspects of Iranian culture and society. This book traces patterns of continuity and change of Moharram symbols and rituals in three aspects of Iranian life: the importance of these rituals in promoting social bonds, status, identities, and ideals; ways in which the three major successive regimes, Qajars, Pahlavis, and the Islamic Republic have either used these rituals to promote their legitimacy or have suppressed them because they viewed them as a potential political threat; and the uses of Moharram symbolism by opposition groups interested in overthrowing the regime. While the patterns of government patronage have been radically discontinuous over the past two centuries, the roles of these rituals in popular society and culture have been relatively continuous or have evolved independently of the state. The political uses of modern-day rituals and the enduring symbolism of the Karbala narratives continue today.

Social and Political Transformation in Iran Since 1979 Dr. Shah Alam, 2015-07-01

The Islamic Revolution of 1979 in Iran is a watershed in the history of Iran where Islam had played a dominant role in restructuring and reshaping society as a whole. The fusion of religion with politics and working as ideology is unique in the history of Islam. The structural nature and functional scope of the three branches of the government has been changed along Islamic lines since the establishment of the Islamic Republic. Islam's penetration is so extensive that its manifestation has come up in the form of the institutionalized role of Islam. In the aftermath of the revolution, a new constitution was enacted which declared Twelver Shiism as state religion. Islam has profound impact on social, political, and economic system of Iran. Iranian economy has also been restructured along Islamic line. Its influence is deep and far-reaching in the economic system of Iran. The author in this book has analysed the role of Islam in the Transformation of Social, Political, and Economic structure of Iran post Islamic Revolution of 1979.

**The Iran National Front and the Struggle for Democracy** Masoud Kazemzadeh, 2022-05-09

The Iran National Front and the Struggle for Democracy 1949-Present explores the activities of the Iran National Front (INF). The INF is a coalition of parties, groups, and individuals and Iran's oldest and main pro-democracy political party. This book presents a political history of the INF from 1949 to the present day. It discusses the current platform of the INF, its leadership, policies, strategies, as well as criticisms and weaknesses. The volume draws on a rich range of primary sources: INF documents and interviews, including translated transcripts with the top leader of the INF. As it is one of the major political parties opposing the current regime in

Iran the book also examines the current situation in the country It provides an analysis of the nature of the political systems under the Shah and the Islamic Republic
