Resistance: The Poetry of Théophile Gautier Constance Gosselin Schick, 2023-10-16 Gautier's poetry merits an attentive reading which respects his own essential criterion of poeticity namely textuality This is a poetry which puts on display its literariness that is its existence as cultural artifact In so doing however it also puts on display the absence of and its resistance to whatever personal or real signified it would evoke or name Its beauty and self-indulgent pleasure reveal their hollowness and inadequacy Its chiseled polished surface renders its borders or limits and its play unsatisfyingly and teasingly perceptible Its very superficiality allows and seduces the reader to go *entre les lignes* and perceive the mystery not of what has been symbolically buried unburied concealed revealed but of the truly absent the *ab mes superficiels* Chapter 1 focusing on texts from the *Poésies* of 1830 studies the intextual repetition of Gautier's poetry the citations imitations and transpositions which make evident the poetry's displacement of the significant and the personal into aesthetic simulacra Chapter 2 deals with the poems of Gautier's second collection *Albertus* and analyzes the use of allegory and of humor as further markers of textual substitution The inherent lifelessness and illusoriness of the textual artifact is revealed in the poems of *La Comédie de la Mort* the collection examined in chapter 3 Chapter 4 analyzes the so-called descriptive referential poetry of *España* and finds that the *monde extérieur* of Gautier's poetry functions to express an absence of self and is itself always shown to be other than the Other The diminution of the poetic effected in *Emaux et Camées* is the subject of chapter 5 and chapter 6 deals with the contextuality the fetishism and the eroticism revealed in a miscellany of poems in particular the libertine poems which do not figure in Gautier's five major collections By short-circuiting significations and transforming them into seductive appearances Gautier reveals himself to be the acknowledged *maître* of both Baudelaire and Mallarmé

Seductive Substitutes Ann Joyce, 1990 The effects of emotional physical childhood abuse on personality come through in this true story of a woman's search for freedom from food addictions A compelling riveting story that relates substance abuse to childhood nurturing in a way with which the reader can identify A must for individuals whose sense of well-being is directly tied to a number on a scale Discounts available **The Dictionary of Alternatives** Doctor Martin Parker, Valerie

Fournier, Patrick Reedy, 2013-07-18 There is no alternative to free market liberalism and managerialism is the orthodoxy of the twenty first century All too often ordinary people across the world are being told that the problem of organization is already solved or that it is being solved somewhere else or that it need not concern them because they have no choices This dictionary provides those who disagree with the evidence Using hundreds of entries and cross references it proves that there are many alternatives to the way that we currently organize ourselves These alternatives could be expressed as fictional utopias they could be excavated from the past or they could be described in terms of the contemporary politics of anti corporate protest environmentalism feminism and localism Part reference work part source book and part polemic this dictionary provides a rich understanding of the ways in which fiction history and today's politics provide different ways of thinking about how we can and should organize for the coming century *Watchfulness* Brian G. Hedges, 2018-02-22 Are you watchful in your Christian life Although watchfulness is not as familiar as spiritual disciplines like meditation prayer and fasting it is just as necessary for a healthy spiritual life Scripture exhorts all Christians to be watchful regardless of their station and season in life In *Watchfulness* Brian Hedges provides a fresh look at the what why how when and who of watchfulness drawing principles from Scripture and instruction from believers of the past who have understood this discipline and written about it Designed for reflection self examination and personal application with Examine and Apply questions at the end of each chapter this book will chart your course toward greater watchfulness increased holiness and deeper communion with the triune God *At War with Metaphor* Erin Steuter, Deborah Wills, 2009-07-15 When photographs documenting the torture and humiliation of prisoners at Abu Ghraib came to the attention of a horrified public national and international voices were raised in shock asking how this happened *At War with Metaphor* offers an answer arguing that the abuses of Abu Ghraib were part of a systemic continuum of dehumanization This continuum has its roots in our public discussions of the war on terror and the metaphors through which they are repeatedly framed Arguing earnestly and incisively that these metaphors if left unexamined bind us into a cycle of violence that will only be intensified by a responsive violence of metaphor Steuter and Wills examine compelling examples of the images of animal insect and disease that inform shape and limit our understanding of the war on terror Tying these images to historical and contemporary uses of propaganda through a readable accessible analysis of media filters *At War with Metaphor* vividly explores how news media including political cartoons and talk radio are enmeshed in these damaging dehumanizing metaphors Analyzing media through the lenses of race and Orientalism it invites us to hold our media and ourselves accountable for the choices we make in talking war and making enemies **Role Playing** Gary Bryant, 2017-03-09 In the struggle for human liberation no question is more important than the question of identity The conventional identity so important in protecting our vulnerability during childhood is the chief obstacle to our real Identity much as the dragon of myth and legend guards a hoard of gold The secret to undermining the hegemony of this false identity is to understand it as an activity not an entity an

activity comprised of a collection of roles we play in life And in the attempt to obtain this understanding no approach is more relevant or useful than the study of acting a study that explores how an actor learns to inhabit his character roles authentically In the compelling nature of this authenticity we can discover an echo of what it would mean to inhabit our own roles consciously as awakened and so authentic human beings *Aloof CEO's Substitute Sweetheart* Wen Ning,2020-09-18 Bai Yiyi fell into an abyss after she got entangled with the frightening CEO Helian Hao In order to protect the Bai Clan's peace of mind she signed the contract with hatred The love that He Lianhao had for her had caused her to fall into despair He realized that he was just a double after all With a similar face and two different people who was the true love of Helian Hao *Alternative Comedy* Oliver Double,2020-04-16 In the late 1970s the alternative comedy scene exploded into life in Britain and completely changed the style subject matter and politics of British stand up Contemporary critics talked about it as anti matter comedy that makes you laugh while actually rearranging large chunks of your brain This book draws on a wealth of archive material including unpublished recordings of early performances and new interviews with key figures such as Alexei Sayle Andy de la Tour and Jim Barclay to provide a detailed history of the early scene and an examination of the distinctive modes of performance style which developed Beginning with its origins the volume traces the influence of American stand up and in particular the significance of Mort Sahl and Lenny Bruce as the originators of a style of stand up that influenced the British pioneers of alternative comedy It shows how the opening of the Comedy Store in 1979 provided a catalyst for a new movement which grew outward from there with the foundation of the group Alternative Cabaret and the opening of the Comic Strip But it also looks at smaller venues and less celebrated acts that have not been as well remembered including ranting poets and street performers Finally it looks at alternative comedy's legacy showing how it was the starting point for the UK's thriving and varied live scene which encompasses anything from small pub gigs to huge arena tours **Sex Drives** Laura Frost,2018-08-06 Salvador Dalí's autobiography confesses that Hitler turned me on in the highest while Sylvia Plath maintains that every woman adores a Fascist Susan Sontag's famous observation that art reveals the seamier side of fascism in bondage discipline and sexual deviance would certainly appear to be true in modernist and postwar literary texts How do we account for eroticized representations of fascism in anti fascist literature for sexual desire that escapes the bounds of politics Laura Frost advances a compelling reading of works by D H Lawrence Virginia Woolf Jean Genet Georges Bataille Marguerite Duras and Sylvia Plath paying special attention to undercurrents of enthrallment with tyrants uniforms and domination She argues that the first generation of writers raised within psychoanalytic discourse found in fascism the libidinal unconscious through which to fantasize acts including sadomasochism and homosexuality not permitted in a democratic conception of sexuality without power relations By delineating democracy's investment in a sexually transgressive fascism an investment that persists to this day Frost demonstrates how politics enters into fantasy This provocative and closely argued book offers both a fresh contribution to modernist literature and a theorization of fantasy

Sir John Harington and the Book as Gift Jason Scott-Warren,2001 Sir John Harington 1560 1612 has long been recognized as one of the most colourful and engaging figures at the English Renaissance court Godson of Queen Elizabeth translator of Ariosto and inventor of the water closet he was also a lively writer in a wide variety of modes and an acute commentator on his times This study opens a new perspective on Harington s literary production by attending to the fact that almost all of his writings were designed as gifts Combining detailed readings and first hand historical research Jason Scott Warren reconstructs the complex often devious agenda which Harington wrote into his books as he customized them for specific individuals and occasions Offering a wealth of insights into self fashioning and the pursuit of patronage this study makes a persuasive case for the significance of material culture to textual interpretation It will be of interest to all who work on the early modern period and in particular to historians of the book
