Eye Scream Henry Rollins, 1996 Work on Eye Scream started in 1986 I was crossing America constantly and experiencing the morality shifts attitudes and rituals in different parts of the country the difference in the way people were in the Bible Belt as opposed to New York City the way blacks and whites interfaced the intolerance of homosexuality the morality plays I started to become aware of how brutal the country is and how much ferocity cruelty and oppression are inherent in the culture and how much of it was in me I wanted to document it and create a book that brought the whole thing to a boil and see where it left me off In the summer of 1995 I finished the book and started to edit Re reading the manuscript over and over I realized all the things I had picked up over a decade of playing Devil s advocate and it was inspiring because it clearly defined who my enemies are As an American I feel it impossible not to be infuriated by the way things are and have been I refuse to be happy about the day to day and go along with it There s too much spitting in my face and too much spitting in the faces of people who don t know any other way of life This book is brutal and at times funny I know that I will probably get a ton of shit for Eye Scream Enjoy or better yet don t Henry Rollins *Books In Print 2004-2005* Ed Bowker Staff, Staff Bowker, Ed, 2004 **Do I Come Here Often** Henry Rollins, 1997 In Do I Come Here Often Henry Rollins intimately documents the vicissitudes of travel and shares stories of the many interesting people he s met along the way Do I Come Here Often is the second book in the Black Coffee Blues series the next volume titled Smile You re Traveling is under construction **Contemporary Musicians** ,1989 The Encyclopedia of Popular Music: Rich, Young and Pretty - Swift, Richard Colin Larkin, 2006 Containing 27 000 entries and over 6 000 new entries the online edition of the Encyclopedia of Popular Music includes 50% more material than the Third Edition Featuring a broad musical scope covering popular music of all genres and periods from 1900 to the present day including jazz country folk rap reggae techno musicals and world music
