**Teaching Early Writing and Reading Together** Connie Campbell Dierking, 2013-01-01 The writing reading connection means more than having your students write under the influence of literature that they have read Noted author and educator Connie Campbell Dierking shows you how to develop a literacy connected classroom including using oral storytelling to scaffold primary reading and writing She supplies more than 50 mini lessons organized by their classroom function to help you explicitly teach foundational literacy skills during writer s workshop or whole class and small group reading instruction Dierking encourages you to make the most of the writing reading connection by thinking about some basic questions when you re crafting your literacy instruction How can I connect the conversations in reading and writing workshop What can I learn about the readers in my classroom through their writing What can my students learn about reading through writing How can I teach young writers to support their readers How can I teach readers how to use a writer s supports intentionally Transform your K 2 literacy instruction Teach writing and reading together

**Artfully Teaching the Science of Reading** Chase Young, David Paige, Timothy V. Rasinski, 2022-04-04 This inviting book is a bridge between two major strands of reading instruction that are often held in opposition the science of reading and artful approaches to teaching reading Although the current climate of literacy instruction positions these approaches as diametrically opposed the authors Young Paige and Rasinski describe how teachers can use the science of reading to engage students in artful engaging and authentic instruction The authors reveal how effective teaching is a dynamic process that requires agency and creativity and show how teachers make artful shifts based on the needs of students in specific contexts Chapters include a range of examples and explanations of how artful teaching is integrated into reading instruction and how it can increase students motivation and positive attitudes toward reading The concise and practical chapters cover key topics including phonemic awareness reading fluency vocabulary assessment home and family reading and more This essential road map for all pre service and in service reading teachers restores the importance of teacher agency supports the critical understanding of reading research and allows teachers to use their knowledge experience and creative approaches in the classroom This is the definitive guide to teaching reading as both an art and a science
