Seek First The Kingdom Cab:

Divine Government R. T. France, 2003 R T France believes that much of today's popular use of kingdom language runs the risk of distorting Jesus words and trivializing the depth and richness of his teaching This book will help many Christians avoid that risk while also providing helpful and persuasive answers to a range of questions thrown up by modern scholarship What would the Kingdom of God have meant to Mark's first readers Is kingdom the best translation What did Jesus mean when he said the kingdom would come with power And what are we to make of those passages which seem to predict the coming of the Son of Man within the lifetime of the first disciples R T France has taught at London Bible College and was principal of Wycliffe Hall Oxford from 1989 to 1995 He is the author of Matthew in the Tyndale New Testament Commentary series The Evidence for Jesus The Living God and Jesus and the Old Testament *Lord, I Need Answers* Kay Arthur, David Arthur, 2013-01-01 Kay Arthur's top selling Lord Teach Me to Pray in 28 Days and Lord Teach Me to Study the Bible in 28 Days more than 700 000 combined copies sold direct Christians toward greater communication with God and exploration of His Word Now she and respected teacher and leader David Arthur lead a journey to a deeper commitment to and relationship with Christ Readers new to faith or longtime believers will discover how to turn to God with praise petitions and thanksgiving learn to be still to discern His leading study the Bible and apply its truths to daily life commit to fellowship with other believers seek out mentors in the faith and help nurture others With biblical insight and the clarity of God's wisdom Kay Arthur and David Arthur reveal what it takes to live out God's truths promises and instruction This practical and powerful book is ideal for individuals and groups Formerly Lord Help Me Grow Spiritually Strong in 28 Days *The Great Reckoning* Stephen Mattson, 2018-10-23 What do we do when the church looks nothing like Jesus Many followers of Jesus feel disillusioned by a broken religion one that loves political power promises prosperity and feeds on fear We are desperately trying to rationalize how a loving God can be connected to unloving churches institutions and people We can no longer deny that our version of Christianity is not just imperfect but has been coopted to inflict violence racism abuse hate and even death The question before many Christians is no longer how their faith can survive within a secular culture It's how their faith can survive Christianity itself In The Great Reckoning writer Stephen Mattson writes out of the rubble of the failed American faith Instead of doomsaying or casting aspersions however Mattson offers hope for seekers looking for inspiration solace for Christians fed up with an unsatisfying religion and clarity for those sifting through the remains The Great Reckoning is a clear eyed yet tender critique of where we've gone wrong and a guide away from the culture wars and toward the life of Jesus Rather than further immersing ourselves in Christendom what if we started rethinking what it means to be a Christian in the first place What if Christians shed the hopes and dreams of Christianity and turned instead of the Christ at the center of our faith Consider this a dispatch from the wreckage of American cultural Christianity and an ode to the Jesus looking faith we seek Occasional Papers Church of England.
