Scott, 2019-02-04 Christians in general and preachers of prophecy in particular attribute the fulfillment of hundreds of Old Testament messianic prophecies to Jesus of Nazareth Often these claims arise in the uncritical environment of Christian churches or popular literature that is treating messianic prophecy People with critical thinking abilities and those endowed with a skeptical nature often have key questions that remain unaddressed in such environments These thinkers and skeptics are the people that will be most interested in this work The primary question addressed is this Do critically acceptable historical evidential reasons exist for believing that Jesus Christ is the direct fulfillment of some specific Old Testament messianic texts Approaching this question within a framework that eliminates any possibility of staged prophetic fulfillment and those that may occur by mere chance or collusion produces results that must be taken seriously Even with these strict criteria Jesus emerges as the only viable candidate to fulfill some of the prophecies included in this study For other prophetic texts the evidence is not as abundant or convincing However even these texts yield several minimal facts that directly impinge on New Testament claims about Jesus [The Riddles of the Fourth Gospel](#) Paul N. Anderson, 2011-04 Paul Anderson a leading scholar of the Fourth Gospel provides an introductory textbook crafted for a semester course which leads students through literary historical and theological aspects of the Fourth Gospel's most vexing puzzles Traditional historical critical and literary critical approaches are deftly introduced and their limitations evaluated

questions of the Gospel's authorship composition relationship to the Synoptics and origins in particular historical experiences are succinctly addressed and distinctive Johannine perspectives on Jesus the church and the world are discussed *Jesus as Torah in John 1-12* Dan Liroy, 2007-10-01 In this study of John 1-12 the author develops the thesis that Jesus is the divine incarnate Torah and that Jesus as Torah is the conceptual center of the Fourth Gospel An overarching goal of the treatise is to explore the Evangelist's portrait of Jesus as the fulfillment of the Mosaic law Connected with this aim is the central thesis that the Messiah appears in the Gospel of John as the realization of all the law's redemptive historical types prophecies and expectations A corresponding major claim is that those who trust in Jesus for eternal life and heed his teaching satisfy fully the requirements of the moral law recorded in Scripture An examination of John 1-12 substantiates the truth that Jesus is the perfection of the gift of the Tanakh He existed in the beginning with the Father and Spirit as God The eternal Torah is light and life fulfillment and joy in fellowship with the triune God for all eternity The divine Tanakh by becoming incarnate revealed the glory of the Father and made the fullness of God's grace and truth available to humankind The living Word not only provides salvation but in so doing unveils the loving and redeeming heart of the Father for all to see The Son of God is the one to whom all the Old Testament luminaries such as Abraham Jacob Moses and Isaiah pointed and in whom their eschatological hopes were realized The Anointed One is greater than and supreme over all the religious institutions once associated with the Jerusalem tabernacle and temple Even such Jewish festivals as the Feast of Tabernacles Pentecost Dedication and Passover find their fulfillment in the Messiah This volume is appropriate for personal study and is also suitable as a college and seminary text **Christology in Context** Marinus de Jonge, 1988-01-01 In Christology in Context Marinus de Jonge presents the varied response to Jesus of Nazareth by his first century followers A scholarly yet highly accessible work this book provides a knowledge base for formal systematic analysis of New Testament Christology

*Finding List of the Free Library of the General Society of Mechanics and Tradesmen of the City of New York* General Society of Mechanics and Tradesmen of the City of New York. Free Library, 1888 *The Historical Jesus of the Gospels* Craig S. Keener, 2009-11-03 The earliest substantive sources available for historical Jesus research are in the Gospels themselves when interpreted in their early Jewish setting their picture of Jesus is more coherent and plausible than are the competing theories offered by many modern scholars So argues Craig Keener in *The Historical Jesus of the Gospels* In exploring the depth and riches of the material found in the Synoptic Gospels Keener shows how many works on the historical Jesus emphasize just one aspect of the Jesus tradition against others but a much wider range of material in the Jesus tradition makes sense in an ancient Jewish setting Keener masterfully uses a broad range of evidence from the early Jesus traditions and early Judaism to reconstruct a fuller portrait of the Jesus who lived in history **Evangelical Theology, Second Edition** Michael F. Bird, 2020-10-20 Gospel Centered Theology for Today Evangelical Theology Second Edition helps today's readers understand and practice the doctrines of the Christian faith by presenting a gospel centered theology that is

accessible rigorous and balanced According author Michael Bird the gospel is the fulcrum of Christian doctrine the gospel is where God meets us and where we introduce the world to God And as such an authentically evangelical theology is the working out of the gospel in the various doctrines of Christian theology The text helps readers learn the essentials of Christian theology through several key features including A What to Take Home section at end of every part that gives readers a run down on all the important things they need to know Tables sidebars and questions for discussion to help reinforce key ideas and concepts A Comic Belief section since reading theology can often be dry and cerebral so that readers enjoy their learning experience through some theological humor added for good measure Now in its second edition Evangelical Theology has proven itself in classrooms around the world as a resource that helps readers not only understand the vital doctrines of Christian theology but one that shows them how the gospel should shape how they think pray preach teach and minister in the world Jesus, Skepticism, and the Problem of History Zondervan,2019-10-08 In recent years a number of New Testament scholars engaged in academic historical Jesus studies have concluded that such scholarship cannot yield secure and illuminating conclusions about its subject arguing that the search for a historically authentic Jesus has run aground Jesus Skepticism and the Problem of History brings together a stellar lineup of New Testament scholars who contend that historical Jesus scholarship is far from dead These scholars all find value in using the tools of contemporary historical methods in the study of Jesus and Christian origins While the skeptical use of criteria to fashion a Jesus contrary to the one portrayed in the Gospels is methodologically unsound and theologically unacceptable these criteria properly formulated and applied yield positive results that support the Gospel accounts and the historical narrative in Acts This book presents a nuanced and vitally needed alternative to the skeptical extremes of revisionist Jesus scholarship that on the one hand uses historical methods to call into question the Jesus of the Gospels and on the other denies the possibility of using historical methods to learn about Jesus *Four Portraits, One Jesus* Mark L. Strauss,2007 To Christian believers the Gospels record the greatest story ever told the events of the life death and resurrection of Jesus the Messiah They narrate the climax and turning point in human history when God acted decisively to achieve salvation for people everywhere To study the Gospels is to study the foundation of Christianity **Exploring the New Testament in Asia** Samson L. Uytanlet,Bennet Lawrence,2024-08-31 There is a growing recognition that God s design is for us to read Scripture alongside the whole church in all of its cultural and linguistic diversity Exploring the New Testament in Asia is a textbook for students and scholars of the New Testament to help the church hear and see the good news of Jesus anew This collection of essays offers theological reflections on New Testament themes from Asian perspectives while addressing contextual issues in light of the New Testament Touching on topics such as salvation holiness poverty ethnic tensions reconciliation honoring elders persecution and hospitality the scholars in this book demonstrate the importance of a varied contemporary context for understanding the New Testament The result is a theological contribution that is both contextually relevant and biblically faithful *Jesus and*
