Prayer of Jabez: Simple and Effective Pastor Francis Inofomoh,2019-02-12 The Prayer of Jabez is one of the outstanding prayers in the Bible Not only does it present to the Christian what prayer is but it is also a prayer offered by a man that was never referenced anywhere else in the Bible This prayer was presented to God in the simplest form and the result was outstanding for God granted him that which he requested This book is intended to present the simplicity with which to make our requests known to God The effectiveness of this prayer was simply because Jabez called on the Almighty God who is a covenant keeping God The principles mentioned in this book will guide and aid the readers in presenting their petitions to God It also presents a picture of what happens once God answers our prayers Faith seeking understanding Nico

Vorster,Frederik van Niekerk,2023-03-01 How did it all begin How do we even start to engage the differences between creation narratives in the Christian Bible and modern scientific theory The authors of this book explore hermeneutic approaches and developments in biblical studies to set the scene for a religious approach This approach is open to the possibility that a literalist approach to Scripture is in fact the most unjustifiable reading of the Bible This may profoundly affect how we view God the cosmos and even ourselves To be able to read the Bible from the perspective of an open present and future paves the way for suppressed uncertainties to be liberated This paves the way for humankind to freely question all things without being enslaved by imposed religious dogma This is not to say that religion has served its purpose but it is far from it With the rise of technological advancements come other social and anthropological problems not to mention the challenge we face on a global scale with climate change et cetera Just as we dare to peek over the edge of a future without religion the authors bring us back to the fundamental teachings of faith traditions Christianity in particular They remind us that the solutions to these challenges are to be found in us becoming better humans Becoming better humans brings us back into the arena of faith traditions When technology may lead to social disconnection and narcissism religion calls for love of self and neighbour Where greed inspired advancements threaten the future of our planet religion teaches us to be in relationship with our environment and to be custodians of it **Kindergarten Chats and Other Writings** Louis H.

When Dr Romana Guarnieri in a letter to Osservatore Romano 16 June 1946 announced her discovery that Margaret Porette d 1 June 1310 was the author of *The Mirror of Simple Souls* certainly a major French document of pre Reformation spirituality a sensation was created in the academic world Although *The Mirror* is one of the few heretical documents to have survived the Middle Ages in its entirety both its title and its authorship were among the most persistent and troublesome problems of scholarly research in the field of medieval vernacular languages *The Mirror* in its original French survives only in the fifteenth century manuscript which the great Cond Louis II de Bourbon had acquired for his palace at Chantilly And so far as can be known all that remains with which to compare the readings of this manuscript text are those translations of *The Mirror* which also in manuscript are to be found in Latin Italian and Middle English This edition of *The Mirror of Simple Souls* is a translation from the French original with interpretive essays by Edmund Colledge O S A Judith Grant and J C Marler and a foreword by Kent Emery Jr The translators of this Modern English version rely primarily on the French yet take other medieval translations into account As a result this edition offers a reading of *The Mirror* which solves a number of difficulties found in the French and the introductions contributed by the translators narrate the archival history of the book for which Margaret Porette was burned alive in Paris in 1310 **The Gospel Truth Made Simple, Just Like God**

Life Is Simple Ken Freschi, 2020-04-21 Is it possible to find peace in your life? If so, where and how is that sense of peace found? Are we missing out on finding true peace because it is much simpler than we imagine it to be? In *Life Is Simple*, author Ken Freschi continues to share the channeled messages he has received since 2009. *Life Is Simple* is a continuation of his first two books, *Our Walk to Eternity* and *Time to Listen*, bringing clarity and a new perspective concerning events in everyone's life. *Life Is Simple* will guide us to the realization that contained in each and every event in our life is a message, a Divine message is contained for our soul to grasp on to in order to find our purpose. Our presence here and all our experiences are not random. Instead, a Divinely choreographed set of circumstances are placed before us to give us the experience our soul has sought. To find the simplicity of life, we are challenged to look beyond our three-dimensional existence and we must explore deeply who and what we truly are.

Simple Church Eric Carpenter, 2014-12-01 What is simple church? This is a simple question that doesn't have a simple answer. *Simple Church: Unity Within Diversity* is an attempt to shed light on the above question and provide some answers. The twenty-four contributors all hope this book will help people both inside and outside the church better understand what simple church life is all about. Far too often, discussions about the church descend into arguments that accomplish little. We have no desire to take part in that. Rather, each person who has written a chapter for this book desires that it will lead to increased communication, understanding, and ultimately unity within the body of Christ. Twenty-four writers means twenty-four somewhat different perspectives. We certainly do not agree on everything. You will see that as you read through the book. What we do agree upon is that simple practices often lead to great opportunities for edification and service both inside and outside the church. We want to share these ideas with other followers of Christ and explain what it is all about. If you would like to know more about simple church from a positive perspective, then this is the book for you.
