Canadiana ,1981 **Canadian Book Review Annual** ,1983 Canadian Books in Print ,1986 **Our Generation , International Books in Print 1990** Barbara Hopkinson, 1990 Small Press Record of Books in Print Len Fulton, 1994

Stephen Russell Mallory Rodman L. Underwood, 2010-09-22 Just as Confederate naval action is commonly overshadowed by the land battles of the Civil War the navy's originator Stephen Mallory is often overlooked in favor of more famous leaders Mallory had served as one of Florida's U S senators for ten years before becoming navy secretary in the Confederate government challenged to create a valid military force where none had existed This biography chronicles Mallory's formative years in Key West his decades of public service and his declining days It discusses his career in the United States Senate where he chaired the Committee for Naval Affairs helping to strengthen in an ironic twist of fate the very navy he would later attempt to defeat The work also examines the challenges and obstacles Mallory faced in creating a navy for the South Special attention is given to Mallory's family relationships Primary sources include autobiographical documents and archival records

The Publishers' Trade List Annual ,1985 **Love and Russian Literature** Ira Nadel, 2023-11-30 Russia haunted the British cultural imagination throughout the 20th century whether as a romantic source of literary and political inspiration or as a warning of creeping totalitarianism In this new book Ira Nadel charts the story of that influence through the work of some of the key figures in British literature across the century including Joseph Conrad Somerset Maugham Jane Harrison Virginia Woolf and H G Wells Framed by the story of two romantic encounters between Walter Benjamin and the actress Asja Lacis in Moscow in 1926 and between Isaiah Berlin and Anna Akhmatova in 1945 *Love and Russian Literature* casts a vivid new light on the ways in which responses to Russia shaped the history of British modernism *Books in Print* ,1977

Killing for Sport Pat Brown, 2008 A criminal profiler journeys inside the dark minds of serial killers to provide a portrait of these deadly predators how they hunt for victims how to identify them and how to protect oneself from them Real Justice: Young, Innocent and In Prison Jeff Mitchell, 2012-03-14 A compelling look at a miscarriage of justice that led university student Rob Baltovich to spend ten years behind bars for a murder he didn't commit The Uses of Literacy in Colonial Australia Martyn Lyons, 2025-10-14 What did Australians read This book answers this question in terms of books rather than newspapers and considers the long nineteenth century interpreted as running from 1788 to 1901 In the wake of this primary question several others arise how did Australians acquire the books they read and how did readers in the outback overcome the handicaps of distance and remoteness Did they read for pleasure instruction self edification or spiritual sustenance More importantly how did Australian readers respond to the books they read The evidence is drawn

from autobiographical sources in which individual readers related their personal reading experiences and responses At the same time the book pursues a second and related question What did Australians write Reference is made here not to the kind of writing we know as literature but to the non literary writing which cultural historians call ordinary writings These are the writings of everyday life represented in this book by diaries journals hand written newspapers and correspondence The focus is wide enough to include the everyday cultural practices of people of low social status and little education The writing practices of the partially literate including writing delegated to a third party have their place here In this double investigation the book draws on evidence from a cohort of 101 nineteenth century readers and writers They are a heterogeneous group of autobiographers coming from Melbourne and Sydney to rural Queensland and Western Australia They come from the city and the bush from coastal towns and the interior from sheep stations gold diggings and city offices They show us the perennial importance of Shakespeare and the Bible the popularity of the English canon the prestige of poetry and the importance of religious reading Books held the Empire together but as they travelled their meanings changed according to the local cultural environment This book registers such nuances in the Australian context The writing of this group is represented by some prolific diarists and correspondents In the late nineteenth century the eastern colonies became world leaders in sending letters The postal environment which made this possible is also examined
