

Love in the Temperate Zone

A Novel by the Author of The Favorite

L.R.Wright

L.R.Wright *Love in the Temperate Zone*

Praise for L. R. Wright's
The Favorite...

"The Favorite is a beautiful, quiet and moving book, with a special kind of magic. I am going to remember the small family at its center for a long time to come."
—Anne Rice

"What The Favorite can teach us really is the story of a marriage, of a family and how the heart remembers what and how they got each other. It's a difficult subject, love and laughter. This book is beautifully written and it really makes you try to read it."
—John Banville

"The Favorite is a very moving and beautiful story of the ways in which love can be both something and something. L. R. Wright makes an honest, sometimes brutal account of love life, and of fathers and daughters in particular. The characters living in the center feel glad each, and so care about them."
—Hilary Mantel

"The Favorite is a novel, The Favorite probes the seasons of life and death, love and war, and the way we live."
—Jennifer Weiner

...The Favorite...

"One of the best books I have read this year is The Favorite, by L. R. Wright."
—The New York Times

"The Favorite, with its subtle, atmospheric characters and careful psychological underpinnings, is every bit as good as the novels of British writers Ruth Rendell and Ian McEwan."
—The New York Times

...and Days While I Live

"This is a story, really, a story about people who are—alternately charming and cruel, and who are at the center of a village life in the Southern Coast."
—The New York Times

The History of Love: Paschal Beverly Randolph, 1906 *The Perfect Law of Love* L. Lynn Derrick, 2018-11-21 This is not for the faint of heart nor for Christians who want to be entertained This is for hungry Bible students seeking vast deep answers to a vast deep subject the all important subject of Love This book could and should be the standalone text for an 8 credit hour college course mandatory for every accredited Bible student And it is a must for every layman who wants to understand the most important teachings of the Bible on a serious level Jesse Steele Moody Bible Institute Alum This book is offered to help you love the Lord with your whole heart and to better know your Creator It is intended to help clarify some lingering misunderstandings that trace back far into biblical history The book deals with the righteousness and holiness of God as seen in His laws but from a New Covenant perspective love Showing the distinction between the dispensational Law of Moses and the eternal and unchanging Law of God the book focuses on love as love is the focus of both the Law of God and the Law of Moses Rom 13:8 It's all about loving God with all your heart and loving your neighbor as yourself even loving your enemy With man this is impossible but with God all things are possible These matters have the greatest bearing on our future reward in the heavenly kingdom and upon the power of our ministry today With a clearer view of this line in the Bible it is our prayer that we will all stand more confidently as we await and hasten the return of our Lord Seek first his kingdom and its righteousness and all these things will be added unto you The book also covers emerging research regarding the 364 day calendar of the books of 1st Enoch and Jubilees and how to manage it in a 365 day context I think you will enjoy studying this with us Think about it your Creator wants to have dates with you on the dates that his feasts have been observed in the heavens since creation As we journeyed through these things I was humbled to receive seven dreams from the Lord to help shepherd us through which I document in the appendix Several in our extended family have also been warned and encouraged in dreams The arm of Yahweh is not short to also give you dreams and other works of the coming kingdom But it all begins with desperate searching in his Word Keep asking and you will receive Keep seeking and you will find Keep knocking and it will be opened to you *The physiology of love, a study in stirpiculture* Henry Seymour (anarchist.), 1898
